

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

| | |
|--|---|
| Name of The Staff | S.MUBEENA |
| Designation | Assistant Professor |
| Department | Electrical and Electronics Engineering |
| Educational Qualification | M.E |
| Area of Specialization | VLSI Design |
| Area of Interest | - |
| Professional Memberships | - |
| Email Id | mubee1504@gmail.com |
| Experience | Teaching : 1.4Years |
| Research Guidance | - |
| Subjects Handled | |
| Under Graduate | 1. Embedded System 2. Power Plant Engineering 3. Control System |
| Post Graduate | - |
| Publications | |
| International Journals | - |
| International Conference | - |
| National Conference | 1. "Virus detection in mobile device using an adaptively dividable dual port Bi-TCAM" |
| Participations In Workshop / Seminar /FDP /Guest Lecture | |
| Workshop | 1 |
| Seminar | 2 |
| Faculty Development Programme | - |
