Memorandum Of Understanding

BETWEEN

Mohamed Sathak AJ College of Engineering located at Rajiv Gandhi Salai (OMR), Inside Sipcot IT Park, Siruseri, Chennai, and Tamil Nadu-603103 on behalf of itself and acting through Alhaj S.M.Yousuf Sahib, Chairman, Mohamed Sathak Trust party of the First part;

AND

Geomines Engineers, Soil Investigation And Engineering Services having its office at No.96, 3rd Floor, Vallalar Sreet, Mogappair West, Chennai - 600037 on behalf as itself and acting through Mr.Amit Manuj, Proprietor & Geo Tech Er. party of the Second part;

Now both the parties have agreed and consented to the following terms and deeds in pursuance of a common intent to promote and develop interactions in the following areas.

For MUHAMMED SATHAK A.J. COLLEGE ENGG.

Chairman/Secretary

MOHAMED SATHAK A J COLLEGE OF ENGINEERING, EGATTUR, CHENNAI, 603103 (MSAJCE) at its various Engineering and Sciences departments is charged with responsibility of training technical and scientific manpower in various frontline areas of importance for the Nation and is also contributing to the rapidly growing Scientific and Technological knowledge and professional excellence in Science & Technology by undertaking Industrial & Applied research and Consultancy.

Whereas **GEO MINES ENGINEERS PVT. LTD. CHENNAI** was established in 2008 as a team of people who provides the real time engineering and consultancy services in Geotechnical Engineering fields. The Company provides the best engineering services for geotechnical investigations and geological works. It focuses on real time/practical problems envisioned at site during execution of structural/building foundations, Railways/Roadways embankments. It is dedicated to researching works related to practical difficulties encountered at site under critical conditions of soil during and after the execution of works.

WHEREAS, both **MSAJCE** and **GEO MINES ENGINEERS PVT. LTD.**, now

- Acknowledging the importance of understanding the soil investigation for a safe and an economical design of foundation for all civil structures, as well as imparting technical field knowledge to the Civil Engineering students.

- Recognizing the requirement and need for highly qualified and trained engineers with strong technical experience related to soil exploration, bore log report preparation, analysis of soil profile and design of foundation in the field of construction.

- Desiring to enrich the student's knowledge in the field of soil mechanics and foundation engineering by pooling their expertise and resources,

INTEND to form a nucleus for promoting excellent quality of experts in the fields of engineering and technology with special significance on site exploration, bore log report and foundation designing.

Now, therefore, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both **MSAJCE** and

ARTICLE-I: SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between MSAJCE and GEO MINES ENGINEERS PVT. LTD. for enhancing, within the country, the availability of highly qualified manpower in the areas without any prejudice to prevailing rules and regulations in MSAJCE and GEO MINES ENGINEERS PVT. LTD. without any disregard to any mechanism evolved and approved by the competent authorities under Government of India in so far as such mechanism applies to MSAJCE and GEO MINES PVT. LTD. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both MSAJCE and GEO MINES ENGINEERS PVT. LTD. shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of internship programs and seminars;
- c) Organization of FDP (Faculty Development Programme) for the Faculties to enhance the Research Knowledge.
- d) Practical training of MSAJCE students at GEO MINES ENGINEERS PVT. LTD.;
- e) Would permit students for field visits and laboratory testing of soil;
- f) Joint guidance of student projects / thesis in interested area and other areas of national interest at MSAJCE by GEO MINES ENGINEERS PVT. LTD. on mutually agreeable terms.
- g) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III: EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU will be effective from the date of its approval by competent authorities at both ends.

ARTICLE-IV: TERMS AND CONDITIONS

- a) Charges for Geotechnical seminar are applicable on per seminar basis as mutually agreed upon. Maximum duration of Seminar shall not exceed 03 hours.
- b) Site or industrial visits for the students are exempted of any charges.
- c) Students shall visit the site on their own and will be solely responsible of themselves.
- d) Office visits for intimate training of subjects will be charged per students basis as agreed upon.

IN WITNESS THEREOFF THE UNDERSIGNED, duly authorized thereto, have signed this Memorandum of Understanding onthe Day of 2017.
