This Memorandum of Understanding (MOU) is made in the MONTH of August '2017 at **MOHAMMED SATHAK A.J COLLEGE OF ENGINEERING, EGATTUR-603 103,** between **Vi Microsystems Pvt. Ltd.** having its registered corporate office at Chennai, Tamilnadu (hereinafter referred as ViM) and **MOHAMMED SATHAK A.J COLLEGE OF ENGINEERING** which has been established in the year of 2001.

**ViM** is a business organization engaged in helping the world's leading product manufacturers to develop new products and enhance and sustain current products in hardware and software ranging from Digital home, automotive Infotainment, signal processing Consulting to Embedded applications and automated testing.

Whereas **MOHAMMED SATHAK A.J COLLEGE OF ENGINEERING,** (hereinafter referred as MSAJCE) is being engaged in conducting research and development in various technologies and engineering areas with highly trained personnel & R&D facilities.

Whereas **ViM** and **MSAJCE** are interested in signing a MOU, to explore the development of technologies in order to improve the capabilities of common interest and engage in research projects and not limited to any specific areas of software and hardware systems.

consolidation of learning base and applied research work that in turn will result in enhancing the quality of output for both the institution and industry

### **1.0 Objectives**

To facilitate students of **MSAJCE** to undertake In-Plant Training (IPT) in **ViM**.

To provide industry exposure to students through Industrial Visits (IV).

To facilitate Staff and Students of **MSAJCE** to take up project works to devise novel methods for improving productivity and quality in **ViM**.

To train the personnel of **ViM** in the latest technologies by conducting short-term courses at **MSAJCE**.

To share the knowledge resource of Managers/Executives of **ViM** by arranging guest lectures at **MSAJCE** or **ViM**.

To provide need based training to the Managers/Executives of **ViM** by organizing Management Development Programme at the Department of Management studies of **MSAJCE**.

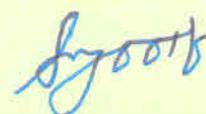

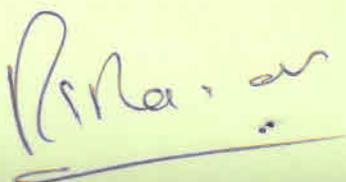

To address and solve technical problems arising in the industry by conducting open forum discussions between industry and institute experts in the relevant areas.

To address and solve technical problems of **ViM** by undertaking applied research activities through the appropriate personnel of **MSAJCE**

To develop and implement user friendly software as required by **ViM** for their improvements and to strengthen the existing system.

### **2.0 Role of collaborating parties**

The parties will support cooperation in the areas of Training & Development, Testing, Consultancy, Research & Development, and Technology Development on the basis of equality and mutual benefits, in accordance with the provisions of this Memorandum of Understanding (MoU). The roles of collaborating parties are as follows:

## 2.1 Mohammed Sathak A.J College Engineering

To identify, in consultation with the Managers/Executives of ViM, the training that the students of MSAJCE are to undertake during In-Plant Training(IPT) and depute students based on a time schedule that is mutually agreeable.

To form group of students taking up project works and inform the industry of their domain strength to facilitate industry executives to choose the projects which will find application in the industry

To inform ViM, about the calendar of short-term and long-term courses, special training programmes, seminars and workshops that are scheduled by MSAJCE, and invite personnel of ViM to participate in such programmes.

To furnish the list of Equipment, Machines, Instruments and Software available in MSAJCE with all specifications to ViM so that ViM can use them to supplement their facilities.

To plan and conduct short-term training programme for new and existing employees at various levels of ViM after conducting need survey. Such programmes can be offered on a mutually agreeable nominal charge basis.

To develop and implement training packages using multimedia technology in consultation with the Managers/Executives of ViM.

## 2.2 Vi Microsystems Pvt. Ltd:

To invite the faculty members of MSAJCE to observe major repair and challenging works carried out in the industry to gain practical knowledge.

To sponsor joint or cooperative programme and projects of mutual benefit that shall include visits and exchange of experts or technical personnel.

To depute personnel of ViM as resource persons for invited lectures.

To participate in joint training/ education programme to raise the level of competency of industry personnel. To involve **MSAJCE** in any activity pertaining to community upliftment through technical training.

### **3.0 Terms of Reference**

#### **3.1 Finance**

The activities which are chargeable at a nominal basis and the relevant terms and conditions will have to be approved by both the parties before the commencement of such activities.

#### **3.2 Coordinating and Monitoring**

A coordinating committee will be constituted with one representative each from **MSAJCE** and **ViM** for implementing the activities.

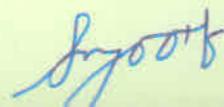

An annual review meeting will be arranged by coordinator of **MSAJCE** inviting the Managers/Executives from **ViM** and Faculty of **MSAJCE** for review and monitoring the collaborative activities and offering suggestions for effective implementation.

#### **3.3 Validity**

This MoU will come into effect from the date of signing and will remain in force for a period of 3 (Three) years which is extendable by mutual consent. However, the validity of the MoU shall be terminated by mutual agreement between the parties any time during the pendency of the agreement. The termination of this MoU shall not in any way affect the validity or duration of the ongoing projects that are started prior to such termination.

#### **4.0 Secrecy**

The technology, the product, the product mix, customers are the property of **ViM**. Any person(s), students or faculty or any other person concerned With **MSAJCE** who comes to know of it should not divulge the same to any third parties. Whenever any reference needs to be made in research papers or in any Other forum by the persons of **MSAJCE**, the same should be made with prior permission from **ViM**. Any deviation on this account may entitle the termination of this MoU.

Signed at Mohammed Sathak A.J College of Engineering, Egattur on this 09 th day of the calendar month of Aug 2017.
