ANNEXURE-I

"Research Project"

MOU between Hasp & Sharp Embedded Solution and Mohamed Sathak A.J. college of Engineering, Egattur, Chennai

Hasp & Sharp Embedded Solution is a company of ARM connected concern that provides Design and Training services in the field of Embedded Systems, Industrial Automation, SoC Designs and Programming, RTOS and Embedded Research & Development.

I. Mohamed Sathak A.J. college of engineering, Chennai will

- 1.1. Identify two committed batches of final year B.E - Electronics & communication Engineering (ECE) and students of M.E - VLSI every year to take up the identified B.E & M.E projects, which form part of the **"Research Project"** for ultimately realizing the Patentable Technology by the end of third academic year commencing from **2017-18** Academic Year. These batches will be guided by the faculty members of **Mohamed Sathak A.J. college of engineering, Chennai** along with ABE Semiconductor Designs.
- 1.3. Organize **Hands on Workshop** every year in the field of Embedded Systems, VLSI Designs, RTOS, DSP and Embedded Linux by **Hasp & Sharp Embedded Solution** for our students with discount in course fees with mutual concerned between **Mohamed Sathak A.J. college of engineering, Chennai** and ABE Semiconductor Designs.
- 1.4. Provide infrastructure like built-up and furnished laboratory space for the Center of Excellence proposed to be set up in Embedded Club of ECE Department.

II. Hasp & Sharp Embedded Solution , Chennai will

- 2.1. Take responsibility to guide the students with active involvement in product and project development into patentable product during every academic year.
- 2.2. Allow UG & PG students and faculty of the college to carry out short/long term research project as per the requirements from **Hasp & Sharp Embedded Solution**.
- 2.3. Provide training and hands on workshop for complete Embedded System Theory and Lab experiments for the students of **Mohamed Sathak A.J. college of engineering, Chennai** based on mutually agreeable terms and conditions every year.

- 2.4. Make available the use of existing facilities like laboratory, library, workshop etc., at the **Hasp & Sharp Embedded Solution** , at nominal cost to the students and free to the faculty members for the approved project work.
- 2.5. Invite two Mohamed Sathak A.J college of engineering faculty members every year for advance Embedded System conference and workshop and Training in the cutting edge technologies will be provided to the **faculty members** at free of cost.
- 2.6. Ready to provide opportunity for Campus Recruitments at **Mohamed Sathak A.J. college of engineering** at all possible times.
- 2.7. **Hasp & Sharp Embedded Solution** will provide Embedded, DSP and FPGA boards to the department depending upon the requirements at nominal cost.
- 2.8. Provide consultancy works in conducting research work in collaboration with **Mohamed Sathak A.J. college of engineering** .
- 2.9. Consider the students of **Mohamed Sathak A.J. college of engineering** for Project works based on their performance and willingness to work on Projects. **Hasp & Sharp Embedded Solution** would provide all the support from its expert team in Chennai based on need and mutually agreed terms.

This agreement will be effective initially for a period of 5 years from the date of signing of the MoU by both the parties and may be renewed further if mutually agreed. Either party may terminate the agreement by written notification signed by the appropriate official of the Institution/Company initiating the notice. Such notice must be received by the other party six months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honoured and continued by both parties until such commitments are completed.

In witness whereof, the parties here to caused this agreement to be executed as 09.08.17.
