EVENT REPORT:

We MSAJCE NSS Cell have organized the School cleaning program under the Swachh Bharat Scheme in Government Middle School at Egattur on 18.10.2018. This is the national program which is initiated by our honorable Prime Minister Shri. Narendra Modi, on 2nd October 2014. The mission was implemented as nation-wide campaign/Janandolan which aimed at eliminating open defecation in rural areas during the period 2014 to 2019 through mass scale behavior change, construction of household-owned and community-owned toilets and establishing mechanisms for monitoring toilet construction and usage.

The main objective of the event is creating awareness among youth to maintain their environment clean and green. After launching this event so many toilets has been constructed by our government and they supported the open defecation free. The objective of this program is eliminating the open defecation, eradicating manual scavenging, and cementing modern and scientific municipal solid waste management. Totally 80 NSS volunteers were participated and cleaned in and around the school area. After attending this event all the students are felt very happy and they are taking the pledge to continue this kind of activity once in every month.

All the necessary arrangement made by the NSS volunteers under the guidance of program officer Dr.A.Balakrishnan. This event has been held at Government Middle school, Egattur. This program was sponsored by Mohamed Sathak Trust Chennai.

EVENT REPORT

To move towards low polluting sustainable society everyone need to maintain cleanliness in the environment. This improves the personality of individual internally and externally. Though Indian Government restrict the use of plastics people still are not aware about the effects of using plastic. Whether the people live in city or village they feel easy to carry a plastic bag wherever they go. Also they dispose them easily wherever they are. But they don't realize that they are polluting the environment and also they are not aware of the consequences which they will be facing in near future.

The college NSS Unit conducted a rally on plastic free campaign in Egattur village on 24.10.2018 Wednesday. Around 88 NSS students participated in this rally. During the rally students used slogan and placard to create awareness on the effects of plastic among the village people. The students collected plastic waste and covers thrown around Egattur village. The college Principal and NSS programme officer lagged the campaign.

EVENT REPORT:

On 26.11.2018 a team of faculty members and 10 NSS volunteers visited Thiruvarur, Nagapattinam and Cuddalore districts to distribute relief materials to people in the cyclone hit areas. Mr.Yasir AP/Mech, Mr.Ismail, AP/CSE, with driver Mr.Sathish distributed the materials under the supervision of Dr.A.Balakrishnan, NSS Programme Officer.

Generally relief materials are distributed during the time of disaster for natural calamities. This procedure is followed for optimal distribution plan. It directly reaches affected people also fairness in distribution is maintained throughout. 10 NSS volunteers participated in this event. The relief items comprised of dresses, food packets, Rice bags, pulses, carpets etc. In this event, nearly 300 families benefitted during the calamities.

EVENT REPORT:

The NSS unit of the Mohamed Sathak A J college of Engineering organized a Helmet Awareness Program on 07.01.2019 in SIPCOT Signal. Nowadays helmet is one of essential things which will help us to prevent the major injury if accident happened in our life. So that our government highly recommended to wear the helmet while driving the two wheeler. Totally 76 students and 5 no of faculty members were participated in order to create the awareness among the youths and public.

Responsibility of their safety, it's not only for the law it's their safety too, create the awareness to wear the ISI brand helmet for better safety. In market so many model with varieties of helmet available but we have to choose the ISI brand only for better performance.

In our country more no of accident cases has been registered in every year. Most of the accident cases was middle aged people. Our main target was focus that particular age group. This event was conducted as per the requisition of Mr.EZHUMALAI, RTO, Solinganallur. Our students participated in this awareness programme with slogan and placard.

All the necessary arrangement made by the NSS volunteers under the guidance of program officer Dr.A.Balakrishnan.

EVENT REPORT

The NSS unit of the Mohamed Sathak A.J college of Engineering and Tamilnadu RTO Solinganallur jointly organized Road Safety Awareness Program on 04.03.2019 in Solinganallur signal. Totally 89 students and 5 faculty members were participated in this event in order to create the awareness among the youths and public.

The main objectives of the event was realize the importance of their safety while they using the road especially in highway and we just tried make them to feel as road is only for the travel not for making fun so many people have got injured when they making fun and also added the awareness to wear the ISI brand helmet while driving two wheeler and Seat belt while driving four wheeler for their safety.

In our country more no of accident cases has been registered in every year. Middle aged people has suffered the most of the accident cases. Our main target is reduce the accident cases in this particular age group. Mr.Ezhumalai, RTO inaugurated the program and addressed the students. Students from various colleges, around 20 colleges on the OMR stretch participated in this program.

All the necessary arrangement made by the NSS volunteers under the guidance of program officer Dr.A.Balakrishnan. This event has been held at Solinganallur Signal. This program was sponsored by Mohamed Sathak Trust Chennai.

EVENT REPORT:

Our college NSS team conducted the swachh bharat cleaning program at Kaaranai village on 02.10.2018. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 40 students were involved. Our beloved Principal Dr.S.Sivasubramanian initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

The purpose of conducting this event to create the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our Principal were appreciated our students after completing their work for their involvement. This program was sponsored by Mohamed Sathak Trust, Chennai.

REPORT ON TEACHING COMPUTER SKILLS TO THE SCHOOL STUDENTS

NSS students of Mohamed Sathak AJ College of Engineering participated in teaching computer skills to the school students at Government Higher Secondary School, Sholinganallur. Nearly 15 NSS Students taught basics in computer skills to the 11th and 12th students. Since computer is the basic necessity in every student's life. They need to keep themselves updated on the technology used in computers also the students should learn basic operations in computer to be successful in their school education.

In this regard the Higher secondary school students of Sholinganallur were given hands on training in learning basics of computer on 20.09.2018. The NSS students of the college pertaining to CSE & IT taught the students about MS word, Excel and Power point. In total 15 students trained 150 school students. The Assistant Head Mistress of the School Mrs. Lilly Rose encouraged the students to participate and get benefitted from this programme. The school students enthusiastically interacted and solved the exercise given to them. The students were much satisfied for the organization of such event.

EVENT REPORT:

The Historical place Mahabalipuram is town named at Pallava King Narasimmavarman also known as Mahabali. It became a touristic site with the group of royal monuments carved out of living rock. It dates back to 7th and 8th century with Rathas (Temple in the form of chariot) and Mandapas (cave sanctuaries). The shore temple was erected half a century later is built from dressed stone. The town has a collection of Hindu religious monuments which has been declared World Heritage Site. Located in the Coromandal coast of Bay of Bengal. The site has famous shore temple and dedicated to various hindu gods. The tourist site also demonstrates Indian architecture. One could see large sculptural programs in the site. It signifies religious harmony and prosperous port city.

Students visit to Mahabalipuram for cleaning the place is done by the NSS team of the college on 27.10.2018. 42 NSS volunteers took part in the cleaning program. During the event students collected waste across different locations from the site. The NSS volunteers enthusiastically participated in the program and created awareness on individual social responsibility in maintaining the historical site clean and tidy. The public who visited the place also cooperated with the students. Students interacted with the public and made them aware on how cleanliness helps in maintaining the environment healthy.

EVENT REPORT:

Every year on 25th January has been celebrating as National Voters Day by our government of India. In this year we have celebrated this event by taking pledge. In this year we have celebrated the 10th National voters day on 25th Jan 2019. In this event all the year students has been taken the pledge regarding 100% casting their vote on Election Day and enroll their name in electoral enrollment. Especially we encouraged the new eligible voters to enroll the name in their area officer. It is a day to celebrate the right to vote and vibrant democracy of India.

The celebration began on 2011 to mark election commission's foundation day. Voting is the basic process that keeps a nations government system works. It enables the citizens to choose their own government. It also allow the people allow the representatives in the government. The purpose of every government is to develop and implement various policies for the benefit of its citizens. Students should know the importance of election which enable voters to select the leaders who has to be lead in future.

All students of our college involved in this program. In this event 18 NSS volunteers are actively participated to conduct this programme successfully. Through this program students were made to understand and realize their individual responsibility in executing their duty as a citizen of India. The program was organized by Dr.A.Balakrishnan, NSS Program Officer.

EVENT REPORT

Dengue fever has become a threat to the country especially during the rainy seasons. In order to facilitate the curbing of this disease, 50 students of NSS Team of Mohamed Sathak AJ College of Engineering, Chennai were involved in a dengue prevention activity at nearby village Thazhambur on 17.08.2018. The students were divided into six groups and were allotted a different area.

The students were instructed to identify places where Aedes mosquitoes were likely to breed. They were provided with disposable gloves, masks and disinfectant. The students screened the area for stagnant water and tried to eliminate them. They emptied and removed empty cartons and containers filled with water. They also sprinkled disinfectants on the ground and places where complete removal of cartons was not possible. They made sure that the disinfectants (bleaching powder) were not sprinkled in regions where fish and other aquatic animals would be affected. The students gathered together after completing their tasks and shared their experiences. They also practiced for a skit programme to be performed for the college community to create awareness on prevention of dengue. The reports presented by the group members involved in the activity are enclosed along with a few representative photographs. Report given by Group wise Today's report is based on the cleanliness of the village. We were asked to identify areas where mosquitoes breed at our campus and clean them. Based on the areas given to us.

Most of the areas allotted to us were clean and tidy. We found stagnated water near juice corner and we sprinkled disinfectant to prevent the breeding of mosquitoes. We also created awareness among the people about the importance of cleanliness to prevent dengue. All the necessary arrangement has been made by Program Officer Dr.A.Balakrishnan Program Officer, AP/Chemistry
