### EVENT REPORT

The world environment day celebrated on 5<sup>th</sup> June. On this day across the globe millions of people participate and outreach others to create awareness on protecting the environment. It is a global platform engaging government, civil societies, School and Colleges, celebrities and different community to join together on this day to save the globe.

In this regard college NSS unit visited Government Higher Secondary School, Thaiyur village, Thiruporur Block, Chengalpet District. Students from 9<sup>th</sup> std to 12<sup>th</sup> std participated in the competition organized by the NSS unit. The NSS volunteers organized Essay Competition, Poetry Writing, drawing and Oratorical competition. In all these competition themes related to environmental protection was given to the students. The students actively participated in all these competition. Around 150 students participated in this competition and the winners were awarded with certificates and prizes. This also includes distribution of certificates for all participants. The School Head Mistress appreciated the motivational and support extended by the NSS unit of the college.

### EVENT REPORT:

Trees play an important role in reducing the air pollution and to maintain the good quality air level in an environment. Trees are also useful to reduce the erosion of soil which may lead to high flood situations. So every individual shall try to plant as many trees as possible. Because day by day the pollution level in the environment is becoming worse. Hence to overcome this situation tree plantation is the only solution we have.

In this regard, the college NSS Team organized a tree plantation programme on 21.08.2019 at kaaranai village. 20 NSS volunteers have actively participated and planted the saplings around the village.

The local village people voluntarily participated along with our NSS team. They motivated a lot and learn new things related to the environment.

## EVENT REPORT:

The Rotaract Club of the Mohamed Sathak A.J college of Engineering collaborated with Right Hospital Blood Bank conducted a blood donation camp on 29<sup>th</sup> August 2019 in our college physics lab. As per the requisition of the Right Hospitals Blood Bank, our college principal given the approval to conduct this blood camp on this date. Then the Hospital team visited our college and they have taken around 120 units of blood our college students.

The following factors has been screened those who are came for donate the blood that was aged above 18, hemoglobin eligibility, three months completion in their previous blood donation, shouldn't affected from jaundice and we suggested the students to get the prior permission from their parents to donate the blood. They provided the cool drinks and snacks to the donors. In this event 68 rotaract volunteers were actively participated.

The program was organized by Dr.A.Balakrishnan, Faculty Coordinator, Rotaract Club of MSAJCE. All the necessary arrangements were made by the Rotaract volunteers. This event was organized to help the general public who are in need of blood during the time of emergency.

### EVENT REPORT

FIT INDIA Movement was launched by Honorable Prime Minister with a view to make fitness an integral part of our daily lives. We have conducted this event to our students. During the program various points regarding the fitness has been discussed. The mission of the Movement is to bring about behavioral changes and move towards a more physically active lifestyle. Fit India Mission encourages people to become part of Fit India Movement by inculcating 30 minutes of physical activities in their day to day lives. The mission of the Movement is to bring about behavioral changes and move towards a more physically active lifestyle.

As per the instruction given by the Central government to conduct Fit India movement programs for the youngsters, a workshop was conducted to the students. Towards achieving this mission, Fit India proposes to undertake various initiatives and conduct events to achieve the objectives. It created awareness on fitness and various physical activities that promote fitness.

An online Fit India Program was organized by the NSS unit of the college 30.08.2019. In this program the Prime Minister Mr. Narendra Modi addresssed the gathering through online mode. The speech highlighted about the importance of fitness and being healthy through proper exercise practise. Totally 50 students participated in the events. This program was conducted to create awareness among students on importance of physical fitness.

Dr. A.Balakrishnan,NSS coordinator/ HOD-S&H and Mrs.K.Saipriya ,AP/English organized the program.

## REPORT ON EVENTS:

A campus cleaning programme was conducted by NSS wing of MSAJCE on 17th September, 2019 at the College campus. The main objective of the cleanliness drive is to create awareness towards cleanliness inside the college campus.

A total of 24 NSS volunteers participated in the programme. NSS Programme Coordinator initiated cleaning activities among volunteers. Ingrained with the pure spirit of the Swachh Bharat, faculty members motivate the volunteers to keep up the efforts of a clean environment on a personal level. With the motto of "Swachh Bharat", all volunteers pick plastic and waste papers from the college campus and dump them in the garbage bags. The waste was separated as degradable & non-degradable. The plastic waste was separately gathered and treated carefully and harmlessly. Students ensured the cleanliness not only the surroundings, but also the class rooms, library, laboratories and auditorium. This event was organized to create awareness among students on individual and social responsibility in maintaining the college campus clean.

### Event Report:

Oral health plays a vital role in the overall health and wellbeing of the individual. With the objective of helping students access oral health and hygiene facilities, College NSS unit organized a free dental check-up and awareness camp in association with Sathyabama Dental College and Hospital.

The NSS unit of the Mohamed Sathak A J college of Engineering organized dental camp on 18.09.2019 in the Physics Laboratory. This camp is supervised and conducted by our expert panel of professionals from the dental Doctors from Sathyabama Dental College and Hospital hosted the camp and gave awareness on dental care. Also English oratorical Debate and drawing competition were organized to motivate the students. Around 35 Students participated in the dental camp. The Dean Dr.Thayumanavan and Dr.Anu Head / Public Health Dentistry distributed the certificate to the winners. The convenor of the event Mrs.K.Saipriya proposed the vote of thanks. The event was organized for the benefit of students to make them understand the importance of dental care.

### REPORT ON EVENTS:

The NSS unit of the Mohamed Sathak A J college of Engineering organized an Awareness program on fire safety measure on 12.10.20119 in adopted village Siruseri. As per the direction of Ms. C. Jasmine, Fire Officer, Chengalpattu district, Mr. C. Ramesh Babu, Station Fire Officer headed the team with Mr.R.George Jagath and Mr. C. Chandran. Mr. C. Ramesh Babu graced the occasion and delivered a speech on fire safety.

Followed by this there was a demonstration session on the measures to control fire accidents. He also suggested preventive measures to avoid fire accidents from various sources namely; kitchen appliances, crackers, electrical and electronic devices. The team demonstrated various techniques to rescue elderly people, physically challenged and others who were trapped in the fire accidents.

During the event, many people of the same area and some of the travelling people also participated actively in the program. All the necessary arrangement has been made by the Program Officer and volunteers. The program came to an end with the vote of thanks given by Program Officer Dr.A.Balakrishnan, NSS Program Officer. This event was sponsored by Mohamed Sathak Trust, Chennai.

### EVENT REPORT:

We have organized a tree plantation program on 09.01.2020 in our college campus. The main aim of this event is to create an awareness among the students to make our campus green and also their environment green.

This program was initiated by our college principal Dr.K.S.Srinivsan. Nowadays it is very essential because everyone is talking about global warming. Tree plantation is one of the events that prevent global warming. It plays a main role in making our campus green. After completing this event, our alumni felt very happy and they were interested to do this kind of activity in the future and their residential area.

NSS unit members plotted the whole campus for the best places to plant the tree, which ensures availability of water, fertility of soil and availability of enough sunlight. After surveying, they dug some wallows. Under the guidance of the NSS Program Coordinator, NSS volunteers planted more than 50 saplings. The students also placed bricks as barricades, and each student took the responsibility to nourish and maintain the allocated plant. In this event, 25 students actively participated. This event was to make students realize the value of trees.

### EVENT REPORT:

Rotary club of Chennai has conducted the beach cleaning program on 11.01.2020 in Besant Nagar Beach, Chennai. The main aim of this program is to create the awareness among the students and the public to avoid the usage of plastic while we are using the beach and placed the wastages at appropriate places where the dustbin placed.

All the sea creatures affected by the human used wastages while we using the beach. The sea creatures has eaten the plastic things as their food and they got affected. This affected things comes to sales in market. It has been repeated. So if we pollute the sea shore it will affect us indirectly. Every year million tons of wastages recovered from sea by our government. So many no of large size fishes has been reached the sea shore due to the consuming plastic.

All the necessary arrangement made by the NSS volunteers under the guidance of Rotary club of Madras East. This event has been held at Besant Nagar Beach, Chennai.

## OFFICE ORDER

Sub: SIPCOT Industrial Complexes/Parks/Growth Centres- Mass cleaning in all the Industrial Complexes to be done on 23<sup>rd</sup> and 24<sup>th</sup> January 2020  
- monitoring officers appointed - reg.

It has been proposed to do Mass cleaning including clearing plastics in all the 19 SIPCOT Industrial Complexes/Parks/Growth Centres on 23<sup>rd</sup> and 24<sup>th</sup> January 2020 across the State.

The proposals comprise of engaging sufficient number of mazdoors for cleaning all the roads at the rate specified in the PWD schedule of rates, along with materials required for cleaning, engaging JCB for clearing jungles at the entrance and abutting the Complex, disposal of garbage to the nearest dumping yard by engaging lorry, engaging tractor, dozer, photography charges, providing refreshment etc. The Project Officers are already informed to contact all the companies for getting willingness for sparing their workers, the nearby colleges where NSS students/volunteers are available, for participating in the mass cleaning work. Also POs are informed to look into the possibility of engaging NGOs for the cleaning works.

The probable expenditure to be incurred for all the 19 SIPCOT Industrial Complexes/Parks/Growth Centres, have been approved and communicated to the Project Officers separately.

The following monitoring Officers are appointed to supervise the mass cleaning works on 23<sup>rd</sup> & 24<sup>th</sup> January 2020.

Sl. No	Name of the Monitoring Officer	Name of the Complex
1.	Tmt. S.Shoba , General Manager (Finance)	Cheyyar
2.	Thiru V. Ravichandran, General Manager (A&LA)	Nilakkottai
3.	Tmt.P.K.Ramani, Superintending Engineer	Siruseri

19	Thiru G. Ramesh, DM	Manamadurai

The list of works to be looked into by the Monitoring Officers during the Mass cleaning works to be done on 23<sup>rd</sup> & 24<sup>th</sup> January 2020, are as follows.

11. No. of labour and machineries engaged such as tractor, dozer, lorry etc. on the above work.
12. Removal of all garbage especially plastics on the roads, drains and side berms to make a litter free zone.
13. Jungle clearance to be done in the Highways road at the entrance and abutting the Industrial Complex.
14. Garbage, fallen trees, if any etc. have to be removed.
15. Documentation by way of taking photos including album (approximately 10 to 15 locations - before, during and after execution of work in the same place).
16. Roads to be cleaned by using required materials and worn out materials such as chips may be removed and spread over the side berms.
17. First Aid Kit box should be available at the site for use, in case of any emergency.
18. The excess earth available in the berms should be uniformly leveled.
19. As a part of health hygiene, gloves, face mask, caps have to be provided to all the labour.
20. The AE and PO should be continuously available at the site during execution of the cleaning works.

### REPORT ON EVENTS

As per the requisition of SIPCOT Administration, our college NSS Cell has conducted the MASS CLEANING PROGRAM at SIPCOT IT PARK area on 23<sup>rd</sup> & 24<sup>th</sup> Jan 2020 with the help of our volunteers under the supervision of Dr. Balakrishnan, NSS coordinator and Mrs. Kayalvizhi, AP/IT. Around 53 NSS volunteers of the college participated and cleaned the Industrial Complex. This program was organized to create awareness on environmental pollution due to use of plastics. The students willingly participated in the plastic free campaign held in Sipcot IT Park. The chief guest for the Programme was Tmt.P.K.Ramani, Superintending Engineer, and Monitoring Officer Siruseri.

Since the SIPCOT IT PARK is too large, here more no of IT companies running here and large no of IT people working here. So this area is always crowded with IT people. This process is done with help the SIPCOT employee and our volunteers. Due to the large size of area it has been taken two days to complete the process. During the process, we removed the grass, plastics carry bag and plastic bottles and some unwanted things has been removed.

## EVENT REPORT:

Covid19 awareness program has conducted by the NSS team of Mohamed Sathak AJ College of Engineering, Siruseri Chennai for school students on 05.02.2020. In this program the following precaution has been explained to the students. As a movement to fight against Covid-19 and current pandemic conditions in all over India, COVID awareness is the only tools to prevent corona virus by following rules and guidelines given by GOI. During the COVID-19 situation,

The objective of this program is to improve general quality of life by promoting post COVID 19 awareness camp regarding social distance, hand washing, wearing mask, etc. COVID-19 is an infectious disease caused by novel Corona virus. It can also be transmitted from person to person. This virus spreads through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The disease is contagious and dangerous leading to deaths among human beings. The symptoms of COVID-19 H<sub>1</sub>N<sub>1</sub> are fever, dry cough, headache, cold, sore throat, diarrhea, loss of smell or taste etc. It is recommended to visit the doctor as soon as a person suffers any of these symptoms. Preventive measures are as follows

1. The best way to prevent COVID-19 is maintaining social distance.
2. Highly recommended to wear masks on mouth and nose so that they do not intake the virus from the environment.
3. Wash your hands properly using soap or sanitizer. This prevents the virus to get into the body and infect us.
4. Avoid contact with people infected with corona virus.

In this camp the NSS Programme Officer and 20 NSS Volunteers are actively participated and gained awareness about health and fitness.

### EVENT REPORT:

As a movement to fight against Covid-19 and current pandemic conditions in all over India, COVID awareness is the only tools to prevent corona virus by following rules and guidelines given by GOI. During the COVID-19 situation, National Service Scheme (NSS) of Mohamed Sathak A J College of Engineering has organized the COVID awareness program on 24.02.2020. The Key speaker of the program was Dr.Mahalakshmi, Asso.Prof., Mohamed Sathak AJ College of Nursing.

The objective of this program is to improve general quality of life by promoting post COVID 19 awareness camp regarding social distance, hand washing, wearing mask, etc. COVID-19 is an infectious disease caused by novel Corona virus. It can also be transmitted from person to person. This virus spreads through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The disease is contagious and dangerous leading to deaths among human beings. The symptoms of COVID-19 H<sub>1</sub>N<sub>1</sub> are fever, dry cough, headache, cold, sore throat, diarrhoea, loss of smell or taste etc. It is recommended to visit the doctor as soon as a person suffers any of these symptoms. Preventive measures are as follows

1. The best way to prevent COVID-19 is maintaining social distance.
2. Highly recommended to wear masks on mouth and nose so that they do not intake the virus from the environment.
3. Wash your hands properly using soap or sanitizer. This prevents the virus to get into the body and infect us.

In this program the NSS Programme Officer and 65 NSS Volunteers are actively participated and gained awareness about health and fitness. The college students of Mohamed Sathak Nursing and Engineering got benefitted from this event.
