Respected Sir,

Sub: Guest Lecture on Green Building and LEED Rating systems – Reg.

With reference to the above subject, the department wishes to organise a Guest Lecture on the topic “Green Building and LEED Rating systems” on 27-04-2023. The session will be handled by Mr.M.Shahul Hameed, Senior CADD Trainer & Founder member, Career Forum-CADD training Service Trichy. So I kindly request you to grant permission to organise the above mentioned event.

Thanking You

Yours Sincerely,

(R.SOMESWARAN)

Place: MSAJCE
Date: 19/04/23

STUDENT FEEDBACK ON GL / SEMINAR / WORKSHOP

Department:

Academic Year: 2020-2024

Name of the Student	KAMALI D
Year/Sem	III year / 6 th sem
Name of the Guest	MR. ABBAS RAHMATHULLA
Name of the Institution/ University/ Industry/R&D Organization.	BoschWasser Cooling Systems India Pvt. Ltd.
Event	GL/Seminar/Workshop/Conference/Others
Date of Event	01.04.2023
Was the session Useful?	Yes, useful
Expert Interaction	Excellent / Good / Average
Whether the lecture was related to Subject? If yes mention the subject	Yes, Renewable Energy Source.
Brief Summary/Report of the topic	<p>In this session was very useful for us and we got more knowledge about solar Energy and Renewable Energy.</p> <p>We learnt extra knowledge about the solar Energy and how to save the Energy in home & industries.</p>
General Remarks	Very Useful class.

Respected Sir,

Sub: Webinar on “Applying Artificial Intelligence for Road Safety” - Reg

With reference to the above subject, we are interested to conduct the webinar on “**Applying Artificial Intelligence for Road Safety**” for our students on 01/03/2023 . This will be useful for the students to develop their innovative skills. I kindly request you to give permission to conduct the seminar.

Thanking You

	E-mail ID	anbumani@gmail.com
Write-up on Event	<p>Road safety is a big societal problem and is acute for India where the road accidents are the highest in the world. This talk will explain the importance of road safety, how technology and artificial intelligence (AI) in particular can be used, a view of the academic research from India, and how students and researchers can use AI and machine learning to work on problems relevant to road safety in India.</p> <p>By lowering human error, accelerating the process of accident detection and reaction, and enhancing safety, AI can improve road traffic. The accuracy of the data and predictions produced by video analytics has multiplied tenfold because to advances in computer vision.The current issues can be more easily identified with the use of AI, but they cannot be resolved on their own. The key to resolving the current problem may lie in redesigning the roadways to remove certain accident-causing variables.</p> <p>By enhancing traffic flow, AI has the ability to assist in boosting efficiency at peak times. The rapid growth of artificial intelligence has resulted in a fundamental change in how road traffic management is conducted (AI). AI can now forecast and control the flow of people, cars, and cargo at various points throughout the transportation network with increasing levels of precision.</p> <p>Simple AI systems, together with machine learning and data analytics, are enabling improved outcomes as we advance the area.</p>

STUDENT FEEDBACK ON GL / SEMINAR / WORKSHOP

Department: IT

Academic Year: 2023-2024

Name of the Student	J. S. DWARAKA
Year/Sem	<u>V / III sem</u>
Name of the Guest	Anbu
Name of the Institution/ University/ Industry/R&D Organization	MSAJCE
Event	GL/Seminar/Workshop/Conference/Others
Date of Event	<u>1/03/2023</u>
Was the session Useful?	<u>Yes</u>
Expert Interaction	<input checked="" type="checkbox"/> Excellent / Good / Average
Whether the lecture was related to Subject? If yes mention the subject	<u>AI & ML</u>
Brief Summary/Report of the topic	<p>AI in Road Safety is a interesting subject. We have learnt latest techs.</p> 
General Remarks	<p>90/100</p> <p>PRINCIPAL Mohamed Sathak A.J. College of Engineering No.34, Rajiv Gandhi Salai (O.M.R.) SIPCOT - IT Highway Egattur, Chennai - 603103</p> 

MOHAMED SATHAK A J COLLEGE OF ENGINEERING, Chennai - 603103

STUDENT FEEDBACK ON GL / SEMINAR / WORKSHOP

Department: CSE

Academic Year: 2023-2024

Name of the Student	S-SYED JUMA FAHIM
Year/Sem	II / IV
Name of the Guest	MR- Anbumani subramanian
Name of the Institution/ University/ Industry/R&D Organization	Mohamed Sathak AS college of engineering
Event	GL/Seminar/Workshop/Conference/Others
Date of Event	1/03/2023
Was the session Useful?	Yes useful.
Expert Interaction	Excellent / Good / Average
Whether the lecture was related to Subject? If yes mention the subject	ARTIFICIAL INTELLIGENCE FOR ROAD SAFETY
Brief Summary/Report of the topic	ARTIFICIAL intelligence for Road safety is useful Program Excellent interaction with our chief guest.
General Remarks

STUDENT FEEDBACK ON GL / SEMINAR / WORKSHOP

Department: ECE

Academic Year: 2021 - 2022

Name of the Student	M. Mohamed Aathib
Year/Sem	<u>II</u> nd / <u>IV</u>
Name of the Guest	MR. Anbumani Subramanian
Name of the Institution/ University/ Industry/R&D Organization	Mohamed sathak AJ college of Engineering
Event	GL/Seminar/Workshop/Conference/Others
Date of Event	01.03.2023
Was the session Useful?	Yes
Expert Interaction	Excellent / Good / Average
Whether the lecture was related to Subject? If yes mention the subject	No
Brief Summary/Report of the topic	<p>However This topic is not related to our study now, but however it will help us to learn some information about the AI For road Safety it will help how the AI in the car work and how the accidents are lowering per year. It was bit helpful and lot of us gain some knowledge in AI</p>
General Remarks	Good

Report on Women Development Cell-Seminar

Date: 19.12.2022

'Self-Mutual-Social Empowerment of Women', a seminar was conducted by the Women Development Cell On 16.12.2022 at 2.00 pm in the Alhaj K.M. Dasthagir auditorium. Mrs.D.Kalaiselvi, Advocate, Notary Public, High court, Chennai spoke about the issues faced by the teenagers, between 13 and 19 years of age, on a daily basis as this is the most awkward growth stage of their lives. During this time, teens are exposed to some overwhelming external and internal struggles. They go through, and are expected to cope with hormonal changes, puberty, social and parental forces, work and school pressures, and so on. Awareness should be there about Self-Esteem and Body Image, stress, bullying, depression, cyber addiction, sex related understanding, difference between good and bad touch

She insisted that the feelings and thoughts of girls should be understood as it is vital to validated properly. and that the validation comes from their parents. Parents need to approach their children, who have been dealing with teenage growth issues, carefully and in a friendly manner to discuss the concern.

She also spoke about Women's empowerment which is an effort to seek and raise the status of women through education, awareness, literacy, and training. Women's empowerment equips and allows women to make life-determining decisions through the different societal problems. They may have the opportunity to re-define gender roles or other such roles, which allow them more freedom to pursue desired goals.

Women's empowerment has become a significant topic of discussion in development and economics. Economic empowerment allows women to control and benefit from resources, assets, and income. It also aids the ability to manage risk and improve women's well-being. It can result in approaches to support trivialized genders in a particular political or social context. While often interchangeably used, the more comprehensive concept of gender empowerment concerns people of any gender, stressing the distinction between biological and gender as a role. Women empowerment helps boost women's status through literacy, education, training and awareness creation

The chief guest highlighted the acts prevailing in law which secures women. The Equal Remuneration Act, 1976, The Dowry Prohibition Act, 1961, The Immoral Traffic (Prevention) Act, 1956, The Maternity Benefit Act, 1961, The Medical termination of Pregnancy Act, 1971, The Commission of Sati (Prevention) Act, 1987, The Prohibition of Child Marriage Act, 2006, The Pre-Conception & Pre-Natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994 and The Sexual Harassment of Women at Work Place (Prevention, Protection and) Act, 2013. There are also several other laws are there which not only provide specific legal rights to women but also gives them a sense of security and empowerment. These include the right to live free from violence and discrimination; to enjoy the highest attainable standard of physical and mental health; to be educated; to own property; to vote; and to earn an equal wage.

Mrs.K.Saipriya ,AP/English welcomed the gathering . The program was felicitated by Dr.I.Manju, Head, IQAC and Dr.Ramesh ,Head Administration. Ms.Usha, AP/English conveyed the note of vote of thanks and it ends with a grand success.

The first year students Sankara Narayanan and Sharon Gifty of AI& DS harmonized the program with their wonderful compering.
