MOHAMED SATHAK A.J COLLEGE OF ENGINEERING CHENNAI- 603103

In 2010 Godrej Group decided to adopt an overarching CSR and sustainability strategy called 'Good and Green.' In this frame of reference the 'Good' refers to the activities that Godrej will undertake to identify and satisfy the needs of the population which has been underserved, hitherto. The 'Green' refers to the activities that will conserve and foster greener India. It is through the adaptation of this framework that the Godrej Group will strive to create systematically shared value whereby it will engage in policies and practices that will enhance the competitiveness of the company while simultaneously advancing economic and social conditions in the communities in which it operates.

Godrej Disha (Ensuring Employability): India has 600 million people below the age of 25 out of which only 80 million (13%) are employable. The effort is going to be on skilling these people such that they become employable. Godrej & Boyce, a holding company of Godrej Group has a sizable share to train.

<About partner>

MOHAMED SATHAK A.J. COLLEGE OF ENGINEERING (MSAJCE) was setup in the year 2001, under the aegis of the Mohamed Sathak Trust (MST), which was formed in the year 1973 by the founder Chairmans Alhaj S.M AHAMED JALALUDDIN and Dr S M HAMID ABDUL QUADER, with a noble aim of promoting Technical Higher Education, Arts and Science, Medical and Management Education.

The prime concern of the Institution is to develop creativity that technology anticipates and impart quality education to enable students to build a great future. **MSAJCE** strongly believes that Engineering students can become readily employable by imparting unique training to develop their skills.

To initiate vocational training activities Godrej will partner with **MSAJCE** for imparting training in various occupational areas in India.

G & B and **MSAJCE** are committed to the social cause, hence this partnership is made to achieve the objective of Godrej Disha. G & B and **MSAJCE** henceforth will jointly offer the technical training courses in existing centres or new centres, in mutual agreement. Based on G & B's requirement, the proposed trade courses are elaborated in Appendix 1.

To ensure that this association between **GODREJ AND BOYCE MANUFACTURING COMPANY LTD.** and **MSAJCE** works smoothly, we abide by the following Agreement.

1. The details of the proposed trade courses together with the manner and mode of implementation of the same are elaborated in Appendix 1.

Period and Applicability

This AGREEMENT shall be valid for a period of three years from 21.11.24 and shall be renewed thereafter on mutual consent. In the event if Godrej or **MSAJCE** wish to withdraw from this AGREEMENT, they have to serve a minimum 30 days written notice and meet the existing and continued obligations/contract including completion of running batch of the Course.

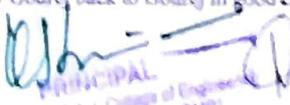

MSAJCE agrees that violation of any of the provisions of this AGREEMENT shall constitute just cause for immediate termination of this AGREEMENT by Godrej.

MSAJCE agrees to return all the material including but not limited to course material provided by Godrej in same good usable condition when the period of Agreement expires or as & when Agreement is terminated.

Course material shared is Godrej property and MSAJCE will not be in a position to continue using it in case of termination/ expiry of this agreement.

2. MSAJCE will be responsible for:
- a. Sourcing students that require conducting of continuous need assessment of the area to get a pulse of skill requirement of the area and the aspirations of students.
 - b. Conduct classroom training
 - c. Conduct practical training
 - d. Conduct day-to-day monitoring of training activities, evaluation of training activities on regular basis
 - e. Conducting examinations and joint certification with G&B.
 - f. Maintain & properly calibrate equipment, instruments, tools, furniture & fixtures, books, materials, among other things that are required to conduct training.
 - g. Provide reports and training data to G&B in formats prescribed by G&B and within the timelines specified by G&B
 - h. Ensure that proper discipline and safety precautions are undertaken by the students and also by its employee
 - i. Develop and finalize the course content in consultation with G&B.
 - j. Involve Godrej employees in conducting train the trainers program, guest lectures and taking mock tests/interviews at the centres.
 - k. Allow Godrej To carry out Training activities for its service technicians on mutually agreeable dates which will be communicated well in advance. All expenses towards such training will be borne by Godrej.
 - l. Conduct review meetings (in person or telephonic) once in a month, where in representative from G&B and representative from MSAJCE will discuss pertinent issues concerning the training & forward the decisions taken in this meeting to respective management for approval. (It is necessary to give approval within two to three days for effective implementation of activities.)
 - M. Provide placement assistance to candidates and endeavour to place at least 75% candidates trained in any batch

In case of breach of agreement or mutual consent THE PERSON/S will hand over all the tools and Equipments provided by Godrej back to Godrej in good condition at its own cost.

(a) For the purpose of this AGREEMENT, it has been mutually agreed that the Course designed by GODREJ will be executed by THE PERSON/S 3 batches a year at a stretch in 3 months, per batch effectively, as per day-wise schedule given by GODREJ. The Course and other material pertaining thereto shall remain the absolute property of GODREJ.

(b) The Course shall be set up and run in the premises made available by THE PERSON/S which premises is more fully described above (hereinafter referred to as "the premises"). The premises belong to THE PERSON/S and will be used to conduct the Course during the subsistence of this Agreement.

II Project name and description:

Both GODREJ and THE PERSON/S agree that the Course designed by GODREJ for THE PERSON/S would be of an advance level quality training program to be imparted in max. three months at a stretch. The said three months Course would be proprietary to GODREJ. Both the parties agree to develop the required teaching aids under the guidance of GODREJ to facilitate smooth execution of the respective Course/s.

During the 3 months duration of the Course, weekly tests as per schedule will be conducted.

These test papers will be corrected by THE PERSON/S staff. The marks of these tests will be counted in the final evaluation of the students.

The final examination at the end of the Course will be designed and executed by GODREJ as stated in above. These papers shall be sent to GODREJ for evaluation.

III. Course Details

A. 15 Days Certificate Course

1. Basic Refrigeration and Air-conditioning
2. Refrigeration Repairs
3. Air-conditioning Repairs
4. Basics in Washing Machine and Microwave
5. Basic Home appliance training. (Includes Electric iron, hotplate, geyser, mixer grinder)

B. 1 Month advance course

1. Advanced refrigeration and air conditioning
2. Advance Washing and Microwave

C. 3 Months Advance Course

1. Advance Home Appliances Training

IV. Study Materials

THE PERSON/S agrees to return all the material including but not limited to Course material provided by GODREJ in same good usable condition when the period of Agreement expires or as & when Agreement is terminated

Chennai - 603103.

I. PURPOSE

The purpose of this MoU is to establish a collaborative relationship between the Service Provider and the Educational Institution, where the Service Provider will provide Salesforce Fundamentals training services to the students of the Educational Institution. The Educational Institution undertakes to use the Service Provider's services for at least three (3) years, subject to the Service Provider providing satisfactory service.

II. SCOPE OF SERVICES

The Service Provider will provide the following services:

1. Classroom based training up to 35 hours as per the course schedule.
2. Comprehensive Salesforce training.
3. Practical, hands-on sessions to reinforce theoretical knowledge.
4. Regular assessments and feedback to ensure student progress.

III. DURATION

The training program will be conducted over a period of 2 months, subject to agreement between Service Provider and Educational Institution.

- The Service Provider will provide up to 35 hours of classroom-based lectures
- The Service provider will provide guidance for up to 45 hours online learning and home works
- The Service provider will provide up to 25 hours of assignments to complete

IV. PRICING

For the year 2023, the training program is priced at INR 3750 per student, reflecting a 65% discount from the original fee of INR 10,000, provided there's a minimum enrolment of 40 - 50 students. The Service Provider is committed to delivering high-quality training and will strive to ensure satisfaction at every stage.

V. SLAB-BASED PRICING SCHEDULE

Number of Students	Price per Student (INR)
10-20	5500 (reflecting a 58% discount from the original fee of INR 10,000)
21-30	4800 (reflecting a 70% discount from the original fee of INR 10,000)
31-50	4200 (reflecting a 81% discount from the original fee of INR 10,000)
More than 50	3750 (reflecting a 90% discount from the original fee of INR 10,000)

VI. RESPONSIBILITIES

1. The Service Provider commits to maintaining the training quality and will supply necessary course materials during the specified hours, ensuring no delays on their part.
2. The Educational Institution will organise the training program, guaranteeing student involvement and active participation throughout the scheduled timeframe without any hold-ups.
3. The Educational Institution will arrange for essential equipment, including laptops, projectors, and classrooms for the lectures. The Educational Institution will also be responsible for any technical support or troubleshooting required during the training sessions.

VII. TERMS AND CONDITIONS

This MoU outlines the collaboration's intent and structure between the Service Provider and the Educational Institution.

VIII. PAYMENT SCHEDULE

1. **Initial Payment:** An upfront payment of 50% of the total fee (based on the number of enrolled students) is to be made by the Educational Institution to the Service Provider after the first session of the training.
2. **Final Payment:** The remaining 50% of the total fee is to be paid by the Educational Institution to the Service Provider upon successful completion of the training program.

IX. QUALITY OF SERVICES

The Educational Institution expects the following quality standards from the Service Provider:

1. **Expertise:** Trainers provided by the Service Provider should have a minimum of 5 years of experience in Salesforce and relevant certifications to ensure the highest quality of training.
2. **Content Relevance:** The course content should be up-to-date with the latest Salesforce features and industry best practices. It should also be tailored to the specific needs and levels of the students.
3. **Interactive Training:** The training sessions should be interactive, engaging, and should encourage student participation. The use of real-world examples, case studies, and hands-on exercises is highly encouraged.
4. **Feedback Mechanism:** The Service Provider should have a robust feedback mechanism in place. Regular feedback sessions should be conducted to understand the students' grasp of the subject and areas of improvement.
5. **Consistency:** The quality of training should be consistent for all batches and all students. There should be no disparity in the level of training provided.
6. **Support:** Post-training support in terms of doubt clarification, additional resources, and guidance should be available for a minimum of 3 months after the completion of the training.
7. **Assessment:** Regular assessments should be conducted to gauge the students' understanding. The results of these assessments should be shared with the Educational Institution in a timely manner.
8. **Punctuality:** All training sessions should start and end on time. Any changes to the schedule should be communicated well in advance.

9. **Technical Standards:** All online platforms, software, and tools used for training should be of high quality, secure, and user-friendly. There should be minimal technical glitches during the training sessions.
10. **Continuous Improvement:** The Service Provider should be open to feedback from the Educational Institution and should continuously strive to improve the quality of the training based on this feedback.

Clause 1: Co-Operation

Both parties pledge to cooperate fully and act in good faith throughout the duration of this MoU to ensure its successful delivery of the training.

Clause 2: Scope of the MoU

This MoU encompasses all terms, conditions, and clauses mentioned herein. Any changes or additions will require mutual agreement and an addendum to this MoU.

Clause 3: Validity

This MoU will remain valid for three (3) years from the date of signing, unless terminated by either party with prior written notice of 20 days.

Clause 4: Relationship between the parties

This MoU does not establish any partnership, joint venture, or employment relationship between the Service Provider and the Educational Institution. Both parties remain independent entities.

Clause 5: Termination due to Unsatisfactory Service If either party deems the program's quality to be unsatisfactory, they reserve the right to terminate this MoU with a written notice of 20 days. Both parties will discuss and determine any potential remedies or corrective actions before termination. The criteria for "unsatisfactory service" will be mutually agreed upon and documented separately.

Clause 6: Notification of Delays Should there be any delays in the delivery or reception of the services, both parties commit to promptly notify each other. Both parties will collaborate to ensure that the program is delivered without further delays that might lead to scheduling conflicts or other operational challenges.

Automation Anywhere Academic Alliance Agreement

This Academic Alliance Agreement ("Agreement"), dated as of 06 January 2023, (the "**Effective Date**"), is entered into by and between **Automation Anywhere, Inc.**, a California corporation with offices at 633 River Oaks Parkway, San Jose, CA 95134 U.S.A. (hereafter referred to as "**AAI**"), and **Mohamed Sathak A.J. College of Engineering**, Chennai, Tamilnadu, India. located at 34, Rajiv Gandhi Salai (OMR), Siruseri IT Park, Siruseri, Chennai - 603103 (hereafter referred to as "**University**"). University and AAI are hereafter collectively referred to as the "parties".

WHEREAS, AAI is offering the "Automation Anywhere Academic Alliance Program" (the "**Program**"), in which enrolled students of certain universities ("**Students**") may attend a university course (the "**Course**"), taught by a faculty member directly trained and certified by AAI as an AAI trainer ("**Faculty Trainer**") in a classroom enabled with AAI software as an AAI Center of Excellence.

WHEREAS, University is not seeking to prepare students for certification by AAI on Robotic Process Automation. Should University elect to include certification as part of its Course offering(s) in the future, the parties shall amend this Agreement in writing to incorporate terms governing certification;

WHEREAS, University desires to participate in the Program.

THEREFORE, for good and valuable consideration as set forth below, the parties agree as follows:

1. Definitions.

"**Center of Excellence**" or "**CoE**" means the setup of the Software on University equipment by AAI and provision of Documentation to enable the Faculty Trainer to instruct the Students in the Course.

"**Documentation**" means (a) the manuals, handbooks, and other written materials related to the Use of the Software, whether in hard copy or soft copy form, that are provided by AAI along with the Software, and (b) the training materials that the Faculty Trainer will use in instructing Students as part of the Course, as such Documentation may be updated by AAI from time to time.

"**Software**" means AAI's proprietary software in machine-readable, object code form only, the Documentation, and all modifications made thereto by AAI, and any updates or upgrades that AAI provides to University, in order for University to provide the Course under this Agreement.

"**Use**" means the installation, accessing, displaying, and operation of the AAI Software to automate business processes and tasks.

2. **Roles and Responsibilities.** The parties agree to each undertake and fully perform during the Term the following obligations for the success of the Program, and, except as explicitly stated in Section 2.2, such obligations will be undertaken at the respective party's sole cost and expense:

Chennai - 603103.

2.1 AAI Responsibilities.

-Provide courses for University's faculty (at either University's premises or remotely);
-Provide e-learning access to those Students enrolled in the Course;
-Provide the Software under the license terms set forth in Section 3 of this Agreement;
-Work with the University to install the Software and provide Documentation;

2.2 University Responsibilities.

- Avoid deceptive, misleading or unethical practices detrimental to AAI, its Software and services offerings, or to the public, including, without limitation, by refraining from making any representations or warranties to any third party with respect to the features or capabilities of any AAI products or services that are inconsistent with the materials distributed by AAI in connection with the Program.
-Subject to University's request for AAI on-site assistance and subject to University's prior written consent, reimburse AAI for reasonable costs of travel, accommodations, and incidental expenses, incurred by AAI representatives who assist on-site at University with setting up the CoE, on-site training of Faculty, and the like.
-Reporting: provide designated AAI contact with number of Students enrolled in each Course (Student names not required) and research uses.
Participate in Academic Alliance Faculty Training Program as per the available schedule in Public batch trainings.

3. Intellectual Property.

3.1 *Limited Software License.* Subject to the terms and conditions of this Agreement, AAI grants University a limited, non-exclusive, non-transferable, non-production license to Use the Software during the Term only for University's Use for the express purpose of providing the Course to Students in connection with Program. For clarity, University may not Use the Software for its own internal use.

3.2 *Restrictions.* The Software is licensed, not sold. Title to the Software and all associated intellectual property rights are retained by AAI and/or its suppliers. All rights in the Software not expressly granted hereunder are reserved. University shall not modify, enhance, translate, supplement, create derivative works from, reverse engineer, reverse compile or otherwise reduce the Software to human readable form. University shall not remove any copyright or other proprietary notices contained in the Software. University shall not cause or permit: (a) competitive analysis, benchmarking, or the Use, evaluation or viewing of the Software or Documentation for the purpose of designing, modifying, or otherwise creating any software program, or any portion thereof, that performs functions similar to the functions performed by the Software; or (b) any of the following: (i) copying (except as set forth herein), (ii) sublicensing, or (iii) providing access or other dissemination of the Software, in whole or in part, to any third party.

3.3 *Warranty Disclaimer.* AAI DISCLAIMS ALL WARRANTIES AS TO ANY MATTER WHATSOEVER, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF

MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT, AND THE SOFTWARE IS PROVIDED "AS IS". TO THE EXTENT THE LAWS OF UNIVERSITY'S JURISDICTION DO NOT PERMIT SUCH DISCLAIMER WITH RESPECT TO THE SOFTWARE AS LICENSED HEREUNDER, AAI PROVIDES ONLY THE MINIMUM LAWFUL WARRANTY BEYOND THAT WARRANTY EXPRESSLY MADE ABOVE AND DISCLAIMS ALL WARRANTIES TO THE EXTENT PERMITTED BY APPLICABLE LAW.

3.4 *Publicity; Trademarks.*

3.4.1. At AAI's discretion, the parties may issue a joint press release in form and substance reasonably acceptable to each party as promptly as practicable following the Effective Date. Further, AAI may include University's name on list of schools participating in the Program in AAI promotional materials including but not limited to AAI's website.

3.4.2. This Agreement does not grant either party the right to use the other party's trademarks except as set out under this Section 3.4.2. Subject to the parties' respective trademark policies and style guidelines as either posted on the parties' respective websites or available upon the other party's request (which policies and guidelines may be amended from time to time in each respective trademark owner's sole discretion), and the terms and conditions of this Agreement, each party hereby grants to the other a non-exclusive, non-transferable, non-sublicensable, and world-wide license to use its respective trademarks, wherein AAI grants the foregoing mentioned rights to its marks as identified in AnnexB (the "**AAI Marks**") and wherein University grants the foregoing mentioned rights to its marks as identified in AnnexC (the "**University Marks**"), during the Term solely in connection with the promotion and advertising of the Courses and Program as more fully set forth in Sections 2.1 and 2.2 under this Agreement.

3.4.3. Each party shall have the right to inspect and approve prior to the other party's use any and all proposed usage of its Marks. Each party will not alter the other party's Marks in any way, nor will it incorporate, combine, or use the other party's Marks in any manner as part of, or in close proximity to, another company's name, product or service name, logo, slogan, or trademarks without obtaining the prior written approval of the other party.

3.4.4. Each party acknowledges and admits the validity and other party's ownership of all right, title and interest in and to the other party's Marks and all goodwill associated with the other party's Marks, and each party agrees that all use by it of the other party's Marks will inure to the other party's benefit.

4. Confidentiality

4.1 *Confidential Information.* "**Confidential Information**" means with respect to AAI information, the Documentation, Software, any results of any testing or analysis of the Software or Documentation by any party and any Feedback regarding the Course, and with respect to any party's information, all information that: (a) is marked as confidential or proprietary; (b) is disclosed verbally and identified as confidential or proprietary at the time of disclosure; or (c) by its nature is normally and reasonably considered confidential.

4.2 *Non-Disclosure and Restrictions on Use.* As a result of the relationship entered into by the parties under this Agreement, the parties acknowledge that they may from time to time require or gain access to Confidential Information of the other party. The receiving party: (a) shall hold all Confidential Information in confidence; (b) shall use the Confidential Information only for the purposes expressly permitted herein; (c) shall reproduce the Confidential Information only to the extent necessary for such purpose; (d) shall restrict disclosure of the Confidential Information to its employees, consultants, agents and representatives with a valid need to know in connection with this Agreement and who are bound to protect the confidentiality of such Confidential Information (and shall advise such employees, agents and representatives of the obligations assumed herein); and (e) shall not disclose or cause to be disclosed the Confidential Information to any third party without prior written approval of the disclosing party, except as allowed under (d) above.

4.3 *Confidentiality Exceptions.* The foregoing confidentiality restrictions shall not apply to Confidential Information that: (a) is or becomes a part of the public domain through no wrongful act or omission of the receiving party; (b) was in the receiving party's lawful possession prior to the disclosure and had not been obtained by the receiving party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the receiving party by a third party without restriction on disclosure; (d) is independently developed by the receiving party without reference to or reliance on the Confidential Information; or (e) that the disclosing party agrees in writing is free of such restrictions.

5. Indemnity.

5.1 *Indemnification Obligation.* Each party (the "**Indemnifying Party**") will defend the other party, and its employees, directors, agents, and representatives (collectively, the "**Indemnified Party**"), from any actual or threatened third-party claim to the extent that it arises from: (a) the Indemnifying Party's breach of its confidentiality obligations in Section 4; (b) any alleged infringement by the Indemnifying Party of any third party intellectual property rights; (c) the negligent acts, omissions, negligence or willful misconduct of the Indemnifying Party in the performance of its obligations pursuant to this Agreement; (d) the failure of the Indemnifying Party to comply with, and any liabilities arising under, any applicable law (each, a "**Claim**").

5.2 *Indemnification Procedures.* The parties' respective indemnification obligations above are conditioned on: (a) the Indemnified Party giving the Indemnifying Party prompt written notice of any Claim; (b) the Indemnifying Party having full and complete control over the defense and settlement of the Claim; (c) the Indemnified Party providing assistance in connection with the defense and settlement of the Claim as the Indemnifying Party may reasonably request, and (d) the Indemnified Party complying with any settlement or court order made in connection with the Claim. The Indemnifying Party will indemnify the Indemnified Party against: (i) all damages, costs, and attorneys' fees finally awarded against any of them by a court of competent jurisdiction in any Claim under this Section 5; (ii) all out-of-pocket costs (including reasonable attorneys' fees) reasonably incurred by any of them in connection with the defense of the Claim (other than attorneys' fees and costs incurred without the Indemnifying Party's consent after it has accepted the defense of such Claim); and (iii) if any Claim arising under this Section is settled by the Indemnifying Party or with its approval, then the Indemnifying Party will pay any amounts to any third party agreed to by the Indemnifying Party in settlement of any such Claims.

5.3 *Indemnification Limitations for Third Party Infringement Claims.* An Indemnifying Party will have no obligation under this Section 5 or otherwise solely to the extent the claim is based on: (i) any combination of the Indemnifying Party's technology, products, or services with technology, products or services not provided by the Indemnifying Party; (ii) use of Indemnifying Party's technology, products or services for a purpose or in a manner for which the technology, products or services were not designed; (iii) any modification to Indemnifying Party's technology, products or services made without Indemnifying Party's express written approval, (v) any modifications made to the technology, products or services by Indemnifying Party pursuant to the Indemnified Party's specific instructions, or (vii) any intellectual property right owned or licensed by the Indemnified Party.

5.4 THIS SECTION 5 STATES AN INDEMNIFIED PARTY'S SOLE AND EXCLUSIVE REMEDY AND THE INDEMNIFYING PARTY'S ENTIRE LIABILITY FOR ALL THIRD-PARTY CLAIMS.

6. Limitation of Liability

6.1 NETHER PARTY SHALL BE LIABLE FOR: (A) ANY PUNITIVE, SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING ANY COST OF PROCUREMENT OF SUBSTITUTE SOFTWARE, LOSS OF USE, DATA, BUSINESS, OR PROFITS), REGARDLESS OF THE THEORY OF LIABILITY OR WHETHER THE LIABLE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; OR (B) AGGREGATE DAMAGES IN EXCESS OF FIFTY THOUSAND DOLLARS (USD \$50,000).

6.2 *Limitation of Liability Exclusions.* The limitations of liability set forth in Section 6.1 above do not apply to, and each party accepts liability to the other for: (a) damages related to claims that are the subject of indemnification under this Agreement, (b) claims based on either party's intentional breach of its obligations set forth in Section 4 (Confidentiality), and (c) either party's unauthorized use, distribution, or disclosure of the other party's intellectual property.

7. Term and Termination.

7.1 *Agreement Term.* This Agreement is effective as of the Effective Date for three (3) year period thereafter ("**Term**"). For clarity, the license granted to University in Section 3 will terminate immediately upon termination or expiration of the Term. Prior to the expiration of the Term, the parties may amend this Agreement to extend its term.

7.2 *Termination.* Notwithstanding the foregoing, this Agreement may be terminated (a) by AAI for any reason upon sixty (60) days' notice to University, and (b) either party immediately upon written notice if the other party materially breaches any of its obligations under this Agreement and fails to cure such breach within thirty (30) days following receipt of written notice.

7.3 *Effect of Termination.* Upon the effective date of termination of this Agreement: (a) University's license to the Software ceases, and University shall immediately remove all copies of the Software from all systems owned or controlled by University. Each party will securely destroy all copies of Confidential Information of the other party in its possession except as required to comply with any applicable legal or accounting record keeping requirement.

8. General.

8.1 *Export.* University agrees not to export, or allow the export or re-export of any Software, or of information regarding any Software in violation of any export laws, restrictions and regulations of the Department of Commerce or other United States or foreign agency or authority.

8.2 *Business Practices.* University will: (a) conduct its business (including, without limitation, performance of its obligations under this Agreement) in a manner that reflects favorably on the goodwill and reputation of AAI; and (b) avoid deceptive, misleading or unethical practices detrimental to AAI, its Software and services offerings, or the public, including, without limitation, by refraining from making any representations or warranties to any third party with respect to the features or capabilities of any AAI courses or training certifications, AAI products or services, that are inconsistent with the literature and documentation distributed by AAI.

8.3 *Anti-Corruption.* The parties each represent and warrant that neither it, nor any of its subsidiaries, nor any of their respective directors, officers, employees or agents have taken any action, directly or indirectly, that would constitute a violation, or implicate AAI in a violation, of any law of any jurisdiction in which it performs business, or of the United States of America, including without limitation, the Foreign Corrupt Practices Act of 1977, as amended ("**FCPA**"), and where applicable, any anti-bribery/corruption legislation ("**Anti-Bribery Act**") enacted by countries in which it is incorporated as an entity, including, but not limited to, the country or countries in which it is to perform under this Agreement (collectively, "**Anti-corruption Laws**"). University, and, to its knowledge, its affiliates have conducted their businesses in compliance with such Anti-corruption Laws and have instituted and maintain policies and procedures designed to ensure, and which are reasonably expected to continue to ensure, continued compliance therewith.

8.4 *Open-Source Software.* The AAI Software contains open source software ("**OSS**") that is subject to separate licenses. University agrees to comply with the applicable license terms for any such OSS. Neither the OSS nor its applicable license terms shall restrict University's use and enjoyment of the Software, or limit University's rights, benefits or remedies under this CAA. Any such OSS, and the notices, license terms and disclaimers applicable to such OSS shall be identified to University by email, website identification or a notice visible within the Software.

8.5 *Governing Law and Jurisdiction.* This Agreement and all matters relating to this Agreement shall be governed by, and construed in accordance with the following laws:

8.5.1. If the University is located outside of the United States, then any dispute arising out or in connection with this Agreement, including any question regarding its existence, validity, or termination, shall be referred to and finally resolved by arbitration under the LCIA Rules (the "**Rules**"), which Rules are deemed to be incorporated by reference into this clause. The number of arbitrators shall be three. The seat, or legal place, of arbitration, shall be London. The language to be used in the arbitral proceedings shall be English.

8.5.2. If University is located within the United States, then the governing law of this Agreement shall be the substantive law of California. Jurisdiction shall be of the State of California (without giving effect to the choice of law principles thereof). Any action based on

or arising out of this Agreement or the Services shall be brought and maintained exclusively in any state or federal court, in each case located in Santa Clara County.

The parties hereby expressly and irrevocably submit to the jurisdiction of the above-referenced courts for the purposes of any such action and expressly and irrevocably waives, to the fullest extent permitted by law, any objection which it may have or hereafter may have to the laying of venue of any such action brought in any such court and any claim that any such action has been brought in an inconvenient forum.

8.6 *Injunctive Relief.* The parties acknowledge that any breach of the confidentiality provisions or the unauthorized use of a party's intellectual property may result in serious and irreparable injury to the aggrieved party for which damages may not adequately compensate the aggrieved party. The parties agree, therefore, that, in addition to any other remedy that the aggrieved party may have, it shall be entitled to seek equitable injunctive relief without being required to post a bond or other surety or to prove either actual damages or that damages would be an inadequate remedy.

8.7 *Force Majeure.* A party is not liable under any Agreement for non-performance (other than failure to pay) caused by events or conditions beyond that party's reasonable control, if the party makes reasonable efforts to perform.

8.8 *Parties' Relationship.* The parties agree that this Agreement is non-exclusive, and no party will be prevented from entering into similar arrangements with other third parties. The parties are independent contractors of each other in the performance of the obligations of this Agreement. Notwithstanding the identification of "Partner" in this Agreement, neither party will be considered the legal partner of the other party in any respect, and nothing in this Agreement or in the performance hereof will create or imply any joint venture, franchisee-franchisor relationship, or principal-agent relationship between the parties. No party will have any right, power or authority to create any obligation, express or implied, on behalf of the other party.

8.9 *Binding Nature; Assignment.* This Agreement shall be binding on the respective parties thereto and their respective permitted successors and assigns; provided, however, that University shall not assign, delegate, or otherwise transfer this Agreement or any of its rights or obligations to a third party without the prior written consent of AAI; any other attempted assignment shall be void.

8.10 *Notices.* Ordinary day-to-day operational communications may be conducted by email or telephone communications. Any other notice required by this Agreement shall be made in writing and given by (a) personal delivery, (b) prepaid, first class, certified mail, return receipt requested, (c) email (with a duplicate notice sent promptly by one of the other methods in this Section), or (d) courier service of recognized standing (with confirmation of receipt); in any case to the receiving party, "Attention: Legal" at its address set forth in the heading to this Agreement, or to a different address of which the addressee party has notified the other in accordance with this Section. Any notice given in conformance with this Section shall be effective upon actual delivery or refusal of delivery.

8.11 *Headings.* Section headings are included for convenience or reference only and are not intended to define or limit the scope of any provision of this Agreement and should not be used to construe or interpret this Agreement.

8.12 *Survival; Interpretation; Severability.* All provisions which are intended by their nature to survive, shall survive such performance, or the expiration or termination of this Agreement, including without limitation those relating to limitation of liability, and infringement indemnity. Each provision of this Agreement shall apply to the fullest extent of the law, whether in contract, statute, tort (such as *negligence*) or otherwise, notwithstanding the failure of the essential purpose of any remedy. If any provision of this Agreement shall for any reason be held illegal or unenforceable, such provision shall be deemed severable from the remaining provisions of this Agreement and shall in no way affect or impair the validity or enforceability of the remaining provisions of this Agreement, unless such omission would frustrate the intent of the parties, in which case this Agreement may be reformed to give effect to the other provisions hereof.

8.13 *Entire Agreement; Modification and Wavier.* This Agreement constitutes the entire understanding between the parties with respect to the subject matter hereof, and no other terms or conditions set forth in any other document provided by University shall be part of any this Agreement unless specifically accepted by AAI in writing. No modification of this Agreement will be binding unless in writing and signed by an authorized representative of each party. Any express waiver or failure to exercise promptly any right under this Agreement will not create a continuing waiver or any expectation of non-enforcement. There are no third-party beneficiaries to this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by duly authorized officers or representatives as of the Effective Date.

OBJECTIVES/PURPOSE OF THIS AGREEMENT:

1. To establish the Center of Excellence (UAV/Space Research) to improve the skill set of engineering students in Research and Development sector and help them employable.
2. Center of Excellence is a shared facility which can be utilized by students to enhance their knowledge and skills in specialized areas. Students can use the facilities of all our center of excellences in various states for their academic purposes.
3. Through this Centre of Excellence activity, students will gain ability to bridge the gap between college education and requirements of Research & Development in Aerospace & Aviation sector.
4. Both parties accept the Roles and Responsibilities stated on their behalf and will work together for the betterment and benefit of students without breach of any clause stated.

ROLES AND RESPONSIBILITIES OF JET AEROSPACE:

1. The Center of Excellence will be active throughout the year. Through this we would like to **incorporate Research Activities, short/long term training sessions** on Aerospace/Aviation sector & improve the skillset of engineering students in Research and Development and help them employable.
2. Center of Excellence is a **shared and mutual technology transfer facilities** which can be utilized by students to enhance their knowledge and skills in specialized areas. Students can visit and use the facilities of all our center of excellences in various states for their academic purposes.
3. To provide **Placement opportunities, On Job Trainings and Internship Trainings** for best students with core knowledge in aeronautical engineering basics.
4. To involve students of Aeronautical and Aerospace Engineering in **Technical Research Activities** in the field of Satellites, Space, Missiles and Unmanned Aerial Vehicles and Systems.
5. Students can transform their innovative ideas into working product by our **product developments** in the field of Aeronautical/Aerospace Engineering with support of Aeronautical Sector Skill Council (ASSC). The developed products can be outsourced to our clients and sister concerns. The developed products can be used for welfare activities of our society.
6. Through Center of Excellence beneficiaries can avail funds for **Research Projects with our technical support as Industrial Partner**. The funds can be availed from AICTE, MSME, NSTEDB, ASSC, MHRD, DST, etc., A separate team can be formed for this purpose.
7. To conduct **IIRS - ISRO Outreach Programme** for all students and faculty members at free of cost. This is common to all departments. The students can enhance their knowledge in Remote Sensing, Education Satellite, and Satellite Communication Technology through these certified courses by eminent scientists of ISRO. Faculty Development Programs and Onsite short term courses in IIRS-ISRO center at Dehradun can be facilitated through Center of Excellence.
8. Through Center of Excellence **Long term and Short term credit courses**, Value Added courses for students from Aeronautical, Aerospace and Avionics can be conducted in the field of UAV/Drones, Nano Satellites and Communications, Rocket and Missile Technology, Airline and Airport operations, Airline Safety and Security.

26/11/21

26/11/21

9. Students can take up **On Campus Research Internship Trainings** on various specialized topics like Unmanned Aerial Vehicles & Testings, Drone Technology & Systems, UAV Pilot Training, Airline and Airport Operations, Airline Safety and Security, Nano Satellite and Sensors, Arduino and Internet of things (IoT), Smart Farming Technologies.
10. **Guidance for Academic projects through the Centre of Excellence** will be provided to students from Aeronautical Engineering Department.
11. If the Students are interested and innovative then ASSC student Chapters can be established through COE which will be beneficial for students.
12. To facilitate knowledge transfer by conducting **Conferences, Workshops, Seminars and Project Expo** twice on every semester which is hands on trainings and it will bridge the gap between academics and Industrial Requirements.
13. **Entrepreneur Development Programs and Faculty Development Programs** can be provided for faculties and students.
14. **Our Mentors can be invited as Resource Persons** for events and programs to inspire students. The hospitality and other expenses for them can be provided by the management.
15. To provide **Lab equipment and services** if required by management in terms.
16. **If required any events or training programs can be conducted at Centre of Excellence** in college campus. The quotations can be discussed at that time.

ROLES & RESPONSIBILITIES OF MOHAMED SATHAK A.J. COLLEGE OF ENGINEERING:

1. To create the awareness among the students about establishment, importance of Center of Excellence and activities conducted under COE from time to time.
2. To engage Jet Aerospace Aviation Research Center in all possible programs by discussing the terms according to the nature of the programs.
3. To give preference to our quotations in all occasions and to discuss the terms of MOU with other organizations in same field of operations.
4. To provide Lab for Center of Excellence, Admin cabin with relevant Hardware facilities. Computer lab, Seminar Halls, Class Rooms & Audio/Video systems for conducting training sessions & research activities.

[Handwritten signature]

"Tesla Minds" is engaged in providing quality training in Telecom and Antenna sector for its In-Service staff all over the country. In addition to that, "Tesla Minds" is imparting training to others which include students of Engineering, Arts and Science Colleges/Universities, officials/officers of State/Central Government establishments, PSU executives/Non Executives etc.

"Mohamed Sathak A.J. College of Engineering (MSAJCE)", was established on 5th July 2001 under the aegis of Mohamed Sathak Trust. It is a self-financing college approved by AICTE, New Delhi and affiliated to Anna University Chennai and Government of Tamil Nadu. MSAJCE Strives to continuously upgrade its facilities to provide quality technical education to meet the industrial and societal needs, by providing skill-based training with the state-of-the-art facilities.

Both the Parties now desire to pool together their expertise and experience in the area of Telecom and Antenna Technology, the most popular area in communication today, in order to produce expert telecom engineers to the country in this strategically important and expanding area. This MOU shall be valid for a period of 5 years (renewable) from the date of execution.

Now with this MOU, the first party agree to conduct value added courses on Telecommunication and Antenna and other Technological courses to the students and Faculty members of the department of ECE and students enrolled for the Value Added Courses by "MSAJCE". The course content, the schedule and the cost of the programme will be mutually decided by "Tesla Minds" and "MSAJCE" and at least one Course will be conducted in a year.

I. "MSAJCE" and "Tesla Minds" also agree to carry out the following on mutually acceptable terms and Conditions:

- Exchange of Faculty Expertise between "MSAJCE" and "Tesla Minds" on need basis. The Commercial terms and conditions for providing such services will be given by one party to the other and the same will be discussed and decided by mutual consent off both the parties before implementation.
- Providing Consultancy work to the Department/Institution Faculties and Joint filing of Patents as part of the R&D efforts by Tesla Minds.

M. Sathak

T. Jank

- Providing In-Plant/Lab Training, Industrial visits and internships to the students of "MSAJCE", wherever possible, without hampering the security interests of "Tesla Minds". The commercial terms and conditions for providing such services will be given by "Tesla Minds" to "MSAJCE" is stated below and also the same will be discussed and decided by mutual consent of both the parties before implementation.
- Participation by the faculty of Parties in other specified programs such as Seminars, Workshops, and Projects etc, may be decided from time to time by competent authorities of the said parties. The commercial terms and conditions

for providing such services will be given by one party to the other and the same will be discussed and decided by mutual consent of both the parties before implementation.

2. The Students have to make, their own arrangement for boarding, Lodging and Transportation. However "Tesla Minds" will provide Boarding and Lodging facilities on cost basis subject to the availability of rooms.
3. Both the parties can include their names along with their logos in advertisement with prior written approval/permission from each party.

4. Validity

This agreement will be in effective initially for a period of five years from the date of signing of this MoU by both the parties. Either party may terminate the agreement by written letter signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party three months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honored and continued by both the parties until such commitments are completed.

[Handwritten signature]
21/08/21

Settlements of Dispute and Arbitration:

Any dispute or difference arising out of this MOU shall in first instance be amicably be settled/resolved between "MSAJCE" and "Tesla Minds" Chennai within 30 Days of reference of dispute.

Any such dispute that could not be settled by mutual discussion as above within 30 days after the receipt of a notice from either party raising the dispute to the other, shall be finally be settled by an arbitration by appointing a Sole Arbitrator within 30 Days jointly by Tesla Minds and "MSAJCE". In case of failure of the parties to agree on a sole Arbitrator within 30 Days of either party notifying the other parties of its intention to invoke arbitration, each party shall nominate arbitration and two arbitrators so nominated shall appoint Third Arbitrator, The Arbitration and Conciliation Act 1996 shall govern arbitration. The Arbitration shall give reasoned award, which shall be final and binding. The courts of Chennai shall have the exclusive jurisdictions in all matters under these presents.
