1.Safety and Security (24*7)

To ensure the safety of women on campus, student leaders stressed on the importance of installing CCTV cameras covering the entire premises of educational institutions. "Educational institutions must have CCTV cameras on campus. When it comes to safety and security, surveillance cameras have become a basic necessity for the security of women."

6. Girls Relaxation Common Room

There is a need for personal space especially for girls who are young adults. This is very essential for them to interact, discuss with their counterparts and also to take rest if and when needed. Our college has considered the need for this personal space for girls, especially in a co – educational Institution and allotted a separate room for the girls.

The Girls' Common Room is situated on the Third floor. It is a spacious room and comprises of cots with beds for the girls to take rest in case of an emergency. This room forms a safe cocoon for our girls if need be.

faculty members were attended the event. Program started with an inauguration function by honoring the chief guest. Chief guest honored with momenta and shawl by officials and he was addressed on his achievements. Welcome address given by student followed by enlightened speech of chief guest 'Natya Shironmani' Ms.S.N.Saipooja, B.E., M.F.A (Dance), "She started this session, with the title "Think pink and enhance pink". She spoke about the importance of education and self-analysis for the uplift of the society.

With the help of education, gender sensitization in educational institutes can create awareness among the students and other members of the community about their roles in future

Moreover, this is the power of education that can make a great social change in the society at large. Thus, all the possible concerns should be made by the educational institutions to promote the gender equality in education access, learning the process and educational outcomes. Then program came to an end by delivering Vote of Thanks. Program was ended up

Report on Kavalan SOS App Awareness Program

Date: 24.04..2023

Our college NSS unit organized an awareness programme in the college auditorium to explain about the benefits of the KAVALAN SOS App on 20.04.2023. It is an app launched by the Tamilnadu Police as a part of its Master Control Room initiative and this service is available throughout the day for the benefit of the youngsters or girls who are in trouble. It enables the users to alert the police immediately during emergency situations such as assault, kidnap, eve teasing and natural disaster.

The working system of the app was demonstrated by the police personnel elaborately. They helped the students to download the app first and explained about the function keys of the Kavalan SOS app. The police advised the students to make use of the app at the time of problems and safety issues. And agve hope that the police officials will immediately respond to the people and take necessary action for the safety of the students. The police personnel interacted with the students and faculty members and cleared their doubt regarding the response of the police and the usage of the SOS app.

The program was organised by Dr.A.Balakrishnan, NSS program officer. The Coordinators Mr. Simon Jeyasundar, AP/Physics and Mr.Steephen raj, AP/Physics coordinated the students and helped everyone to download the app and assured to the police about the download of all the students.

Report on Fire Safety Awareness Programme

Our college NSS Unit has conducted Fire Safety Demo Programme in association with fire service and rescue department, kelampakkam, on 10.11.2022 (Thursday). The objective of the training is to provide proficiency in accessing the workplace hazards and effectively handle the fire control / preventive mechanism. Fire safety training offers expertise in theoretical knowledge & handson experience in handling various firefighting equipment and helps to understand the organizational level of preparedness in dealing with emergencies. A demo conducted on fire safety measures under the supervision of expertised persons attended from the fire station. During the programme along with our new NSS volunteers remaining students also participated and trained well about the fire safety precautions. Our NSS volunteers are also involved and trained the other students. Each individual student is trained well on fire safety precautions. Fire safety training educated students, a set of practices & procedures to minimize the destruction caused by fire hazards at work place.
