1. PONGAL CELEBRATION

Joy and fervor will always be in the air as the first festival of the year is about to begin. While in most parts of the country people celebrate this festival as Makar Sankranti, in South India it is also celebrated as Pongal.

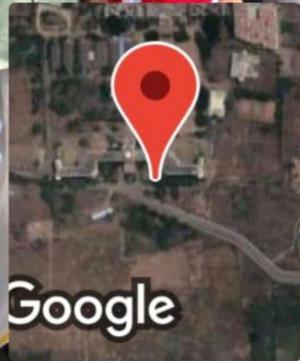

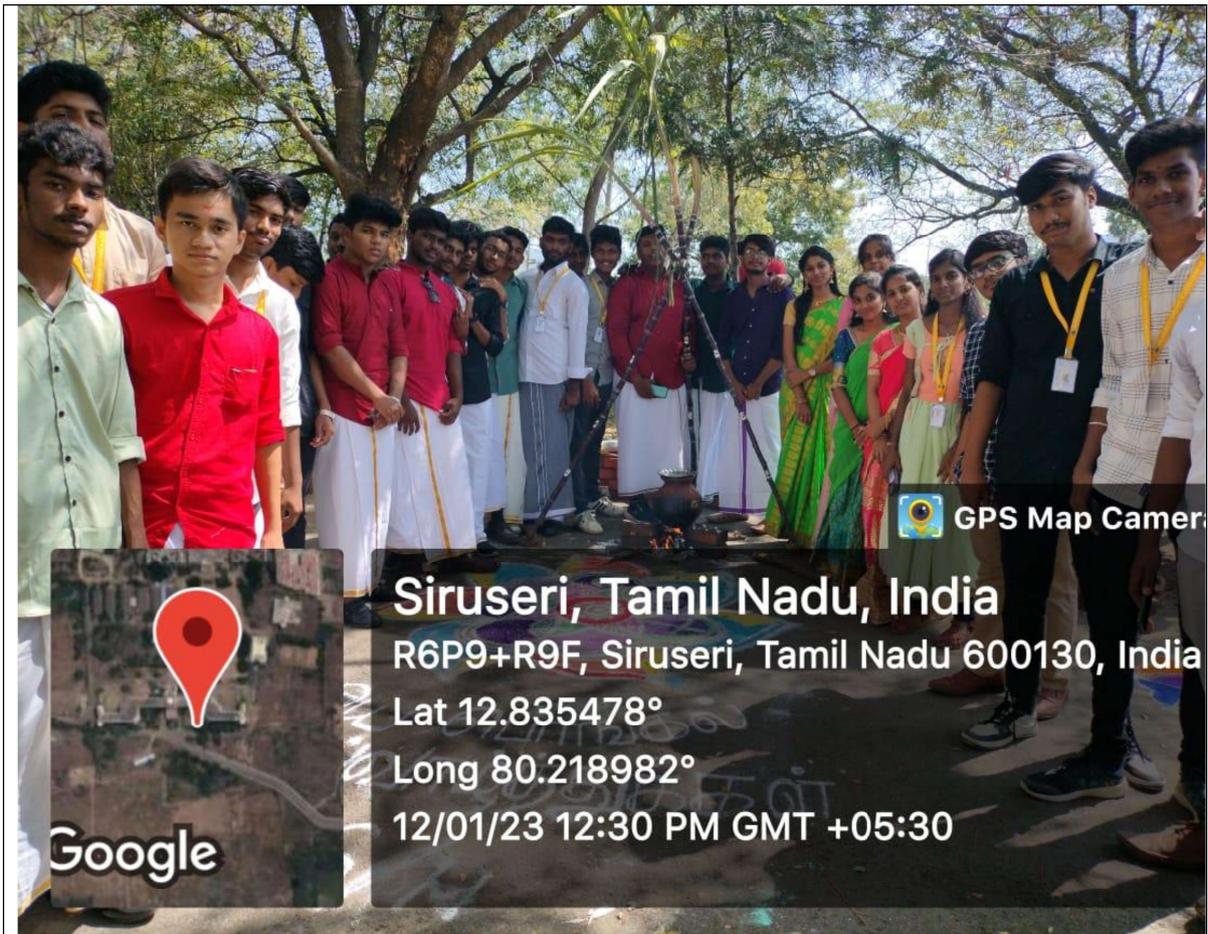

It is a popular harvest festival of South India, primarily celebrated in Tamil Nadu, and it is dedicated to the Sun God. Like most festivals during this month, Pongal has its origin in the farming cycle – which is the time for celebrating the yield got from the harvest. The auspicious occasion also marks the end of the winter and the beginning of spring.

As of above, to give happiness and joy and to insist the importance of the Tamil harvesting celebration the students and staff of our celebrated the Pongal celebration on 12-1-2023 with full of joy and happiness. Faculties from all departments participated in the celebration and prepared the dessert- Pongal with cheerfulness and delight

 Chennai-603 103.

Marking the beginning of the Sun’s northward shift called Uttarayan, Pongal falls in mid-January every year. The festival is celebrated over a period of four days with the second day being celebrated as Thai Pongal. On this day, devotees wake up early in the morning and prepare an elaborate meal. As the Sun rises, the day is greeted with ringing bells, rhythmic beats of drums and the echoing sounds of conch shells.”

As of above quotes, to give happiness and joy and to insist the importance of the Tamil harvesting celebration with the college celebrated the Pongal celebration on 12-1-2023 and happiness. Faculty members of all department participated in the celebration and made Pongal with full of happiness.

5. TAMIL PATTIMANDRAM

The main aspiration of the Tamil Mandram is to foster students' knowledge in Tamil Literature. Bring out the talents of the students in the language and show case it out to the world. Dissemination of ancient Tamil Culture among the youth. This club plays a very important role in promoting and enhancing the proper usage of tamil amongst the students by organizing various programs and competitions.

Tamil Mandram of our college conducted Literary competitions to commemorate the birthday anniversary of Subramaniya Bharathiyar on 23.9.2022. Students were asked to recite 30 Thirukkural poems. Many students enthusiastically participated in the singing competitions and exhibit their compassion towards the great poet Subramaniya Bharathiyar.

Winners:

a. Thirukkural recitation competition: Kasthuri II CSE

b. Bharathiyar song competition: Harishankar III EEE

6. ENGINEER'S DAY CELEBRATIONS

The Engineers' Day is celebrated in our college on 17th September 2022 commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

Every year, the country celebrates September 15 as National Engineer's Day to appreciate the contributions of Mokshagundam Visvesvaraya. The Bharat Ratna awardee, Visvesvaraya was born on September 15, 1861 in a village called Muddenahalli in Karnataka. To remember the birth anniversary of him, one of the great legends and engineer himself, Sir Mokshagundam Visvesvaraya, We also join hands together to adore the contribution of the Engineers who are shaping the future by applying their skills to almost everything.

They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation's technological and industrial growth. There really is no limit to what engineers can do.

The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students. Our Principal Dr.K.Srinivasan addressed the students and advised them to take Dr.M.Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands. encouraged the students to broaden their perspective and enhance their skills to be successful.

The chief guest urged the students to aim to be great engineers with

technical skills as well as personal qualities and added that career planning is an ongoing process during engineering and students need to be strong technically.

Department of English organized Collage and Rangoli competition at individual class level followed by group activity to inculcate competitive spirit among the budding engineers. Faculty coordinators played a major role in collection of topics. The initiative taken by departments at was highly appreciated by the management and the students. It was an open opportunity to all the students to showcase their talents. Students with the remarkable performances were awarded with attractive gifts. On this occasion, best seminars were presented by the students on the role of an engineer and his responsibilities towards the society.

Dr.Ramesh , Head /Administration delivered the gratitude for the chief guest ,the dignitaries from Alumni in his the vote of thanks
