7.2.1: Two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

To fulfil the vision of MSAJCE , we provide the following so that the students can face the challenges in the industry and the society

- **Technology Based training : Provides Holistic**, multi-disciplinary skill-based education in the latest cutting edge technologies
- **Career Development Activities : Nurtures** the students in all-round sustainable development, for career and self employability, Inculcate innovation and entrepreneurial abilities,

To have a focussed and stress-free involvement of students both in academics and training, the activities are split into two separate sessions such as Forenoon – Academics only and Afternoon – Training & Practices, within the college regular working hours.

Salient features:

- Skill-based training provides holistic education to develop skills, knowledge and values through well-structured curriculum and hands-on training within the college working hours
- Students are given an opportunity to work on live industry projects/consultancy works.
- Provides inclusive technical education so that a deserving student is not denied an opportunity solely on socio economic constraints
- Provides prerequisite training for building and developing competencies such as soft skill, aptitude, attitude for the placement.

To
 Dr. K. S. Srinivasan,
 Mohamed Sathak A J College of Engineering, Tamil Nadu

We express our thanks and appreciation to Dr. K. S. Srinivasan for spreading awareness and holding Software Training workshops at Mohamed Sathak A J College of Engineering.

You are making an outstanding contribution by using ICT-based teaching and learning methodology for students and the faculties of Mohamed Sathak A J College of Engineering, Tamil Nadu. Your contribution to the implementation of the Spoken Tutorial Project was significant and has played a part in it becoming the fastest-growing NMEICT Project. Your excellent skills and courteous attitude have helped tremendously, in spreading awareness of Spoken Tutorial, IIT Bombay.

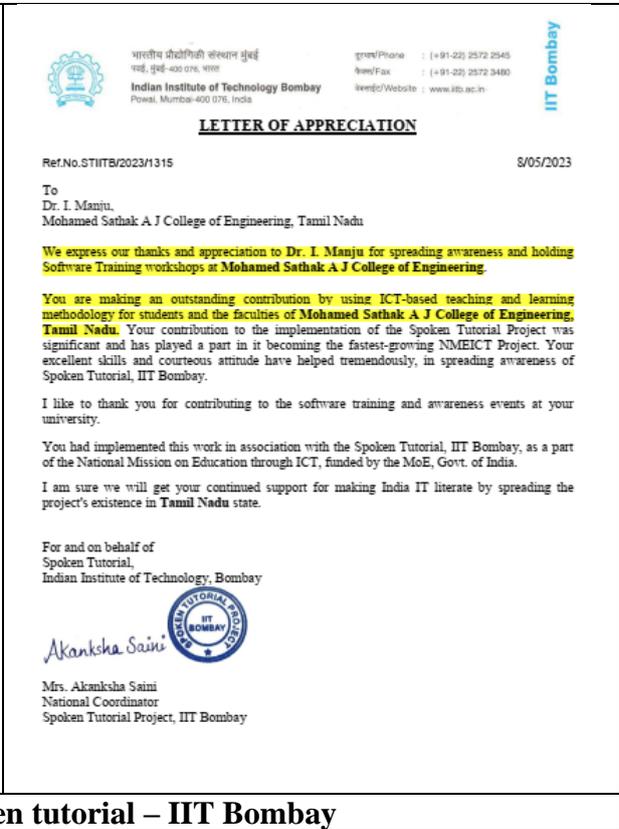

I like to thank you for contributing to the software training and awareness events at your university.

You had implemented this work in association with the Spoken Tutorial, IIT Bombay, as a part of the National Mission on Education through ICT, funded by the MoE, Govt. of India.

I am sure we will get your continued support for making India IT literate by spreading the project's existence in Tamil Nadu state.

Respected Sir,

Sub: Request for permission to conduct the Placement training - Reg.

We are writing to request permission to conduct a Placement training program for the Final year placement training students from 01/08/2023 to 11/08/2023. The objective of this program is to equip students with the necessary skills to succeed in their careers.

We kindly request that you grant permission for this training program to take place. Additionally, we would like to request the allotment of two Class rooms for the training session.

Furthermore, we request you to provide hostel accommodation for the trainers during their stay. Specifically, we request AC hall in the boys' hostel. Additionally, we would like to request lunch and tea arrangements for the trainers during their stay.

We hope that you will consider our request and provide the necessary arrangements to facilitate the successful implementation of the Placement training program.

Thank you for your time and consideration.

Yours Sincerely,

Wsh

Sub: An opportunity for Graduating Final Year Students to make them industry-ready through “Certificate Course in Advanced IT Skill Training” – A CSR initiative of Inspirisys Solutions Limited in association with ICT Academy – Requesting for Expression of Interest to host the training.

Dear Sir,

Greetings from ICT Academy!

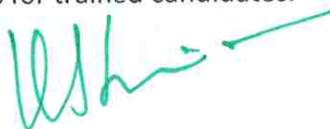

ICT Academy in its endeavor to create a new generation talent pool has been working all along with the Government and Corporate in initiating Skill Development Training Programs for the youth in various sectors.

Inspirisys Solutions Limited has inked a MoU with ICT Academy to implement its CSR initiative in 4 States to skill over 350 graduating final year students from IT, CSE or ECE Departments. Inspirisys Solutions Limited, seeing job opportunities available for the youth in the IT/ITES industry, has initiated to skill the graduating final year students from the rural and low-income family groups, thus helping them build their socioeconomic levels. The objective is to skill the youth and prepare them to be employed.

ICT Academy through its Institutional tie-ups for skilling youth has taken up the responsibility to implement the initiative. We request the Institution to facilitate the students to make use of this opportunity and nominate 40 students for the course “Java Full Stack Development “under the Advanced IT Skill Training Program.

Salient features of the Training Program

- The Certificate Program is fully sponsored by Inspirisys Solutions Limited under its CSR initiative and is provided at no cost for the students.
- Curriculum designed to skill beneficiaries for entry-level jobs.
- 180 (Technical - 160 Hrs. and Soft Skill -20 Hrs.) Hours of intensive activity-based training.
- Training imparted to the needs of the industry to make the students industry-ready resources.
- Facilitation of employment opportunities for trained candidates.

Respected Sir,

Sub: Request for permission to conduct the soft-skill training - Reg.

We are writing to request permission to conduct a soft-skill training program for the III year placement training students from 2/5/2023 to 6/5/2023. The objective of this program is to equip students with the necessary skills to succeed in their careers.

We kindly request that you grant permission for this training program to take place. Additionally, we would like to request the allotment of two AC halls for the training session.

Furthermore, we request you to provide hostel accommodation for the trainers during their stay. Specifically, we request two AC halls, one in the boys' hostel and another one in the girls' hostel. Additionally, we would like to request lunch and tea arrangements for the trainers during their stay.

We hope that you will consider our request and provide the necessary arrangements to facilitate the successful implementation of the soft-skill training program.

Thank you for your time and consideration.

Dear Student,

Welcome to Loyola!

I thank you on behalf of the Jesuit Management PU-LCS (Pondicherry University - Loyola College Society) for choosing to pursue your MBA Course. Indeed you have made a right choice, a choice that would transform your life. It will shape your life. We all at the twinning programme are there to journey with you in your learning experience.

Please remember, you are joining a 100 year -old glorious tradition of forming men and women for others. Care for individual students, what we call *Cura Personalis*, defines our approach to education. We will guide you to recognise the gap between what you are and what you aspire to become. That is the gap we will address in the entire ecosystem of learning. We know the courses you will follow aim at making you become self confident, creative, competent and compassionate persons who would go out into the world to make a difference in the lives of people.

The MBA degree you will obtain at the end of the course of study should not be a paper degree, but a degree that is a proof to your competencies you have developed during your experience at Loyola.

Discipline in your journey here in Loyola is non-negotiable element, in regularity and punctuality to the classes online/offline will not be compromised. Loyola does want to give you degrees but experiences of forming one's character.

To make this Twinning MBA more effective, PU-LCS seeks the cooperation of all the stakeholders: Students, Teachers and Administrators, because it is a collective resolve to make a difference. We shall do what we can make your future shine for which the present is full of hard work and discipline to achieve the goals we have set.

First year I Semester MBA classes will begin on 08th October 2023.

Wishes and prayers
