7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

To contribute towards the socio-economic development of the society, the college has initiated many activities under Institutional Social Responsibility (ISR).

- Classes are taken for government school students in the subjects like mathematics, physics, chemistry and computer science, where adequate teachers are not available
- Hands-on Training is provided to create awareness in Science & Technology development among school and polytechnic college students in niche areas such as 3D printing, Robotics, Non-Destructive Testing (NDT), Mobile App and Game development
- Motivational talk, life skill programs, stress management by experts are arranged to school students at their premises
- Furniture's, computers and books are given to needy government schools in the vicinity of the college
- Scholarships are given to meritorious and economically backward students from rural area for admission into the college
- Best teachers from schools and polytechnic colleges are honoured every year in teacher's day celebrations
- Four villages are adopted under Unnat Bharat Abhiyan and various activities are initiated such as conducting survey, medical camp, vaccination drive, village cleaning and training for unemployed youth.

Respected Sir / Madam,

Sub: **Tech Jamboree 2023 – A State Level Technical Symposium for Polytechnic Students- Reg**

Greetings from Mohamed Sathak A J College of Engineering, Chennai

It is an immense pleasure to invite your students from your esteemed institution for the **Tech Jamboree 2023 – A State Level Technical Symposium for Polytechnic Students** which will be held at our college premises on 30th – 31st March 2023. It is an inter polytechnic competition which has the following events.

- Technical Event
- Sports Events
- Cultural Event

The main objective of this event is to showcase the talents of young minds and to identify their potential on creativity and innovation in Science & Technology and make it beneficial to the Society. In this context we would like to invite your students to participate in various Sports, Technical & Cultural events and workshops. All the events would be recognized and rewarded with attractive cash prize and certificates.

The **Total Prize Amount is Rs 2, 00,000/-** [Rupees Two Lakhs]. It is our pleasure, if you could circulate enclosed brochure among your students and encourage them to participate in this competition. We look forward to your presence to encourage the students to make the event a grant success.

Link to register online: <https://tinyurl.com/techj-2023>

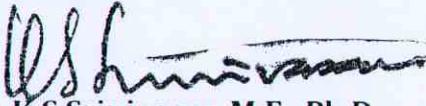

We assure that we will follow the COVID protocols as prescribed by Govt of Tamilnadu.

Please call us to this number for more details

Mr. Mohan S R - Asst Prof [9003266810]

Mr. Sakthivel D - Asst Prof [9500589596]

With Regards

Dr. K.S Srinivasan M.E., Ph.D

- Our planet is choking on plastic.
- One million plastic bottles are purchased every minute around the world.
- At least 267 different species of marine wildlife are known to have suffered from entanglement or ingestion of marine debris.
- Plastic waste makes up 80% of all marine pollution and around 8 to 10 million metric tons of plastic end up in the ocean each year.
- Research states that, by 2050, plastic will likely outweigh all fish in the sea.

Report on Coastal Day Awareness RUN

The Coastal clean-up campaign has started with the aim of cleaning around 1,500 tonnes of waste material from Indian coasts. This move will not only relieve the tourists or locals but the aquatic life and marine animals who has endangered by littering on the coasts. The International Coastal Clean-up Day has observed on third Sunday of September, every year. In year 2022, this day has observed on September 17. The day promises to bring purity and cleanliness to nature as a whole. It has started to raise awareness regarding growing pollution on various beaches across the world. Population growth and capitalism are the main factor of increasing pollution in the environment, specifically in the oceans

To give awareness among the students our college students have participated that. They won the medal for the Participation.

Report on Fire Safety Awareness Programme

Our college NSS Unit has conducted Fire Safety Demo Programme in association with fire service and rescue department, kelampakkam, on 10.11.2022 (Thursday). The objective of the training is to provide proficiency in accessing the workplace hazards and effectively handle the fire control / preventive mechanism. Fire safety training offers expertise in theoretical knowledge & hands-on experience in handling various firefighting equipment and helps to understand the organizational level of preparedness in dealing with emergencies. A demo conducted on fire safety measures under the supervision of expertised persons attended from the fire station. During the programme along with our new NSS volunteers remaining students also participated and trained well about the fire safety precautions. Our NSS volunteers are also involved and trained the other students. Each individual student is trained well on fire safety precautions. Fire safety training educated students, a set of practices & procedures to minimize the destruction caused by fire hazards at work place.

Report on Driving License Awareness camp

Date :14.12.2022

Parveen Travels, Chennai conducted a **Driving License Awareness camp** with the initiative of our college NSS unit on 12.12.2022 and 13.12.2022 for faculty members and students. During the camp the resource persons from Parveen Travels acquainted the students about road rules and regulations and briefed about the latest information in the field of registration and driving license. The road safety measures and users behaviour were also thoroughly discussed.

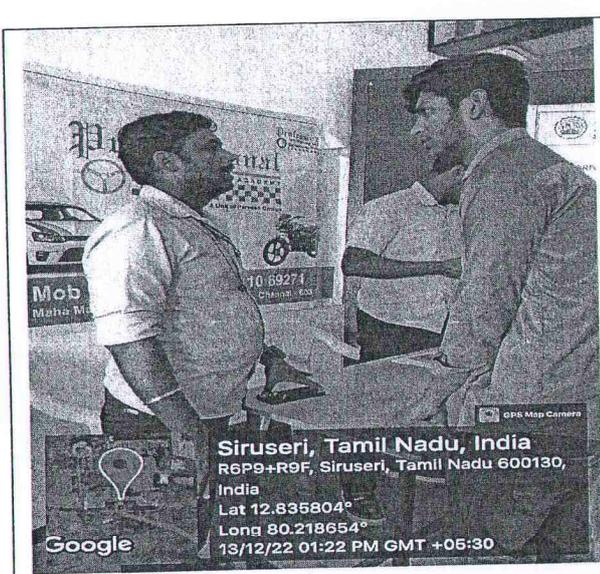

The Travels personnel cleared the doubts of the students regarding the registration of driving license and the grievance around the license issues in renewal, name change and new registration. The importance of possessing the driving license and the need to follow the government norms related to driving was also explained by the members. Many students and faculty members attended the camp and got benefitted by the camp.

The NSS volunteers played a vital role in making this camp successful by insisting all the students to visit the camp and get their doubts cleared. Dr.A.Balakrishnan coordinated the camp and thanked the Parveen Travels personnel for their immediate and helpful support on a socially important theme.

Report on Dental Health Awareness Camp

Date : 12.01.2023

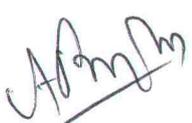

Our NSS unit with the team of Dr.R.Riaz , MDS from **Tagore Dental College and Hospital** conducted a Dental Health awareness Camp on 11.01.2023 for faculty members and students.

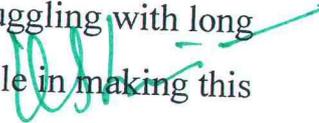

Tagore Dental College and Hospital is helping the society by giving Dental Health awareness camp in rural areas, Educational Institutions and villages every year. The camp began with a demo session about the dental health and hygiene to be maintained by the people

The doctor demonstrated about the dental issues and the remedies to be taken by the people. He also educated all the students the necessity for the dental care and regular check up every six months.

The faculty members and the students were also asked to take up the dental check up. Nearly 80 students participated and got benefitted by the camp. The objective of this event was to spread awareness on teeth disorder and ailments for the working people. The doctors and his team took care of everyone in outstanding way and efficiently conducted the dental health camp for the students and staff members.

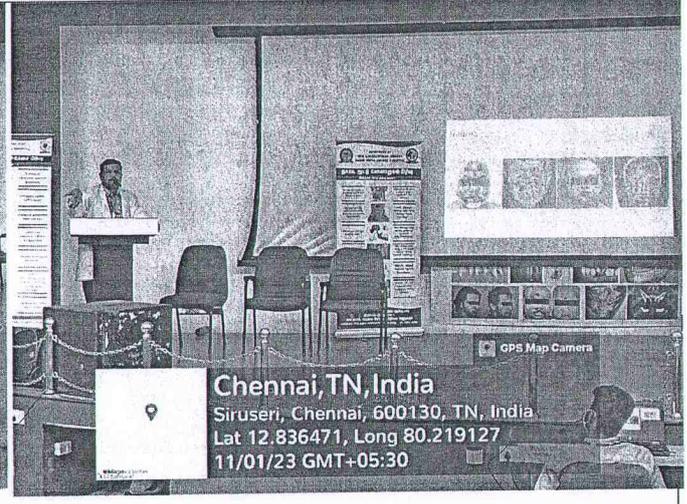

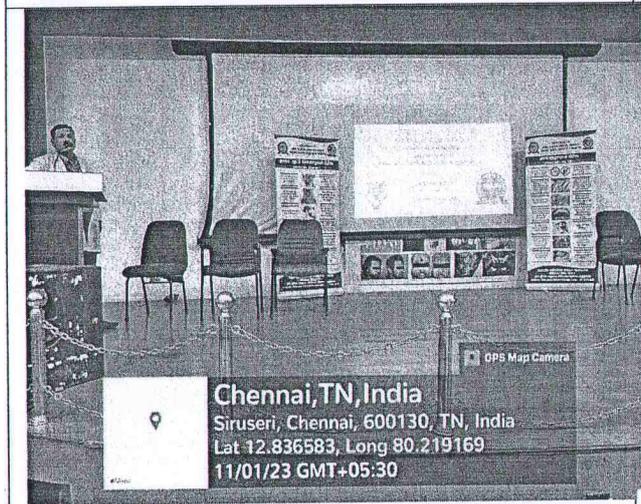

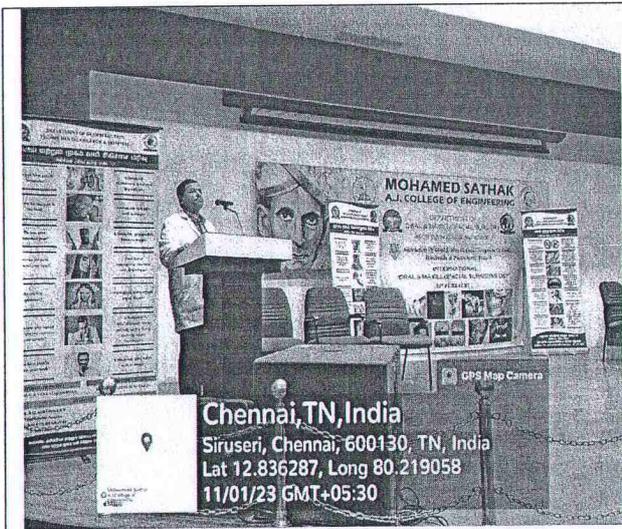

Dental examination and basic treatment awareness was also given the students who need immediate treatment. Recommendations for further treatment and maintenance of the teeth and oral health and follow up were given. It was very helpful for the needy people who are struggling with long time dental problems. The NSS volunteers played a vital role in making this camp successful with their service.

Report on Drug awareness program for school students

Date: 13.02.2023

A one day Awareness Programme on Drug abuse Awareness for the Government ADW Higher Secondary School, Menambakkam students was conducted successfully on 10.2.2023.

The awareness programme was conducted for secondary level school students of 80 numbers. The NSS students Dwaraka, Abdul Basith of IT and Laksha, Nithyashree of CSE presented power point presentation to demonstrate about the Drug Awareness. They also spoke about necessity to have proper understanding about the ill effects of the social issues. They added that the life of a student is both challenging and interesting. They face problems to overcome these challenges in order to achieve their goals and be successful in life. The illicit drugs are one such problem that causes hindrance to the development of the students.

In the presentation, it was clearly shown that drugs cannot be eradicated totally as there are certain medicines which are used for treatment of physical ailments. But excessive use of these medicines would surely be a hazardous threat to one's life. It quoted real life case studies to explain the dangers of drug usage. These psychoactive substances can lead to dependence syndrome - a cluster of behavioural, cognitive, and physiological phenomena, which are marked by social withdrawal. As drug abuse is one of the most serious health problems faced by the world today, the awareness program accentuated the menace and prevention of drugs.

It was advised to the students to be cautious and stay away for the use of drugs and also to take up any form of sports in order keep themselves active and engaged. They urged the students to inform the college authorities and student counsellors if they find their peers using illicit drugs. Also, they can contact the Drug Abuse Toll Free number: 10581 for further help.

Our students suggested ways that would curb the menace of drug usage viz. prevention and education, early intervention and treatment, law enforcement, community involvement and international cooperation and concluded the presentation by saying that drug menace cannot be solved overnight and requires a sustained effort from all stakeholders to effectively address the issue. They thanked the school Head master, teachers and students of the school for their immense help and cooperation to make the program successful.

Report on Kavalan SOS App Awareness Program

Date : 24.04..2023

Our college NSS unit organized an awareness programme in the college auditorium to explain about the benefits of the KAVALAN SOS App on 20.04.2023. It is an app launched by the Tamilnadu Police as a part of its Master Control Room initiative and this service is available throughout the day for the benefit of the youngsters or girls who are in trouble. It enables the users to alert the police immediately during emergency situations such as assault, kidnap, eve teasing and natural disaster.

The working system of the app was demonstrated by the police personnel elaborately . They helped the students to download the app first and explained about the function keys of the Kavalan SOS app. The police advised the students to make use of the app at the time of problems and safety issues. And gave hope that the police officials will immediately respond to the people and take necessary action for the safety of the students. The police personnel interacted with the students and faculty members and cleared their doubt regarding the response of the police and the usage of the SOS app.

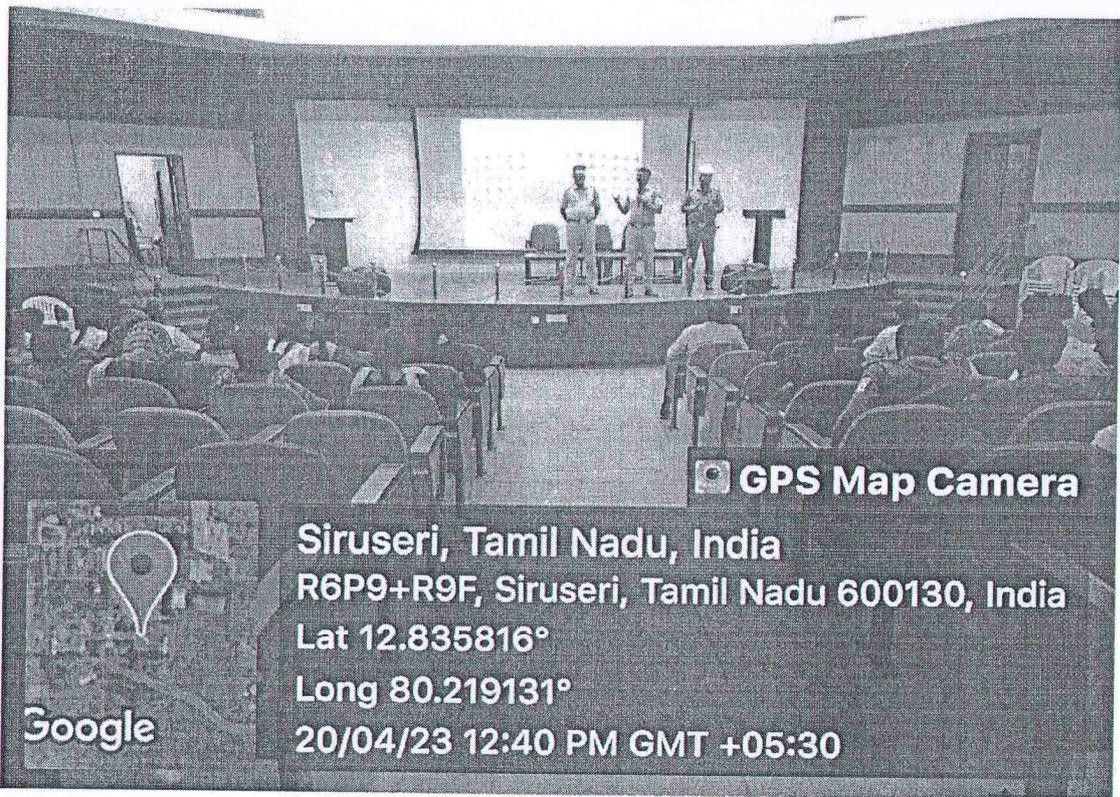

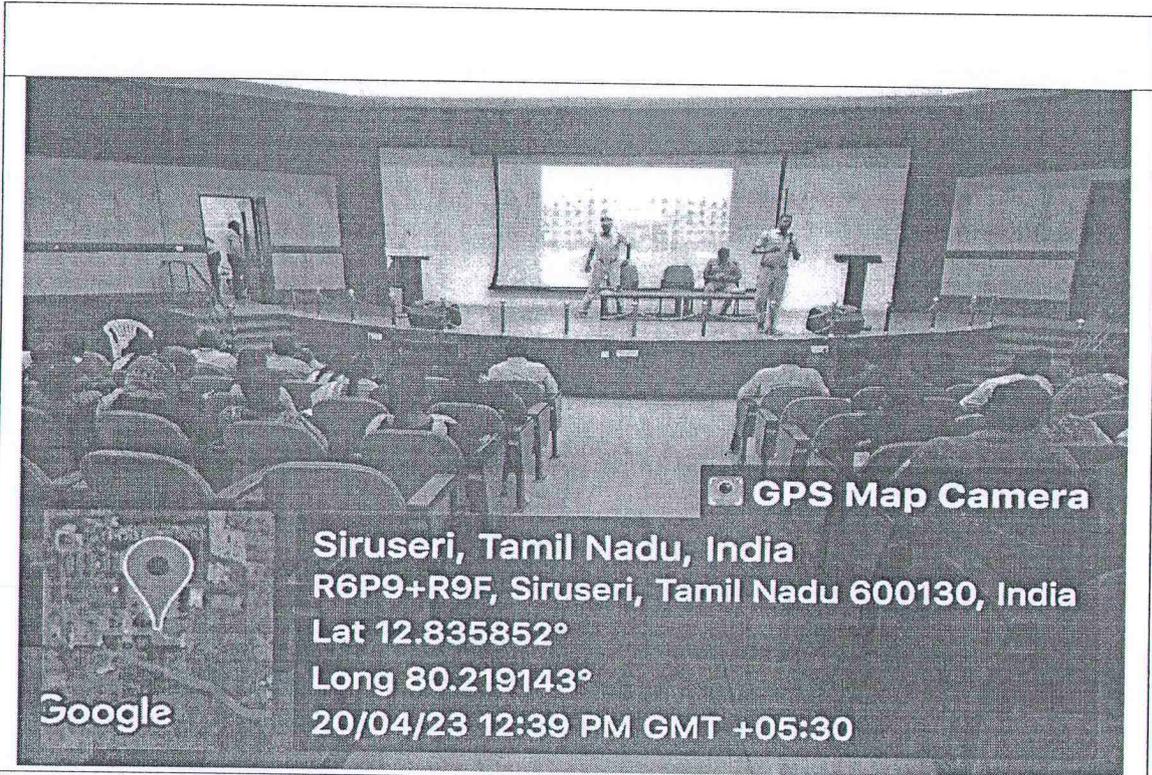

The program was organised by Dr.A.Balakrishnan, NSS program officer. The Coordinators Mr. Simon Jeyasundar, AP/Physics and Mr. Steephen raj, AP/Physics coordinated the students and helped everyone to download the app and assured to the police about the download of all the students.

Report on Blood donation camp

Date: 20.05.2023

A Blood donation camp was organized by our NSS unit, in collaboration with Tamilnadu Dr.M.G.R. Medical University, through which more than 120 units of blood was donated by both students and the staff members of our college from 9 am to 2 pm on 17.05.2023.

Our College has been conscientiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. A group of 15 people from the Dr.M.G.R.University successfully did all the process in a very safe and secured manner. While addressing to the students, the camp officers and other medical attendants informed clearly about the process of the donation and advised the students regarding the importance of blood donation. Total numbers of donors are 61 and the total number of units collected is 34 in which the total number of deferrals is 27.

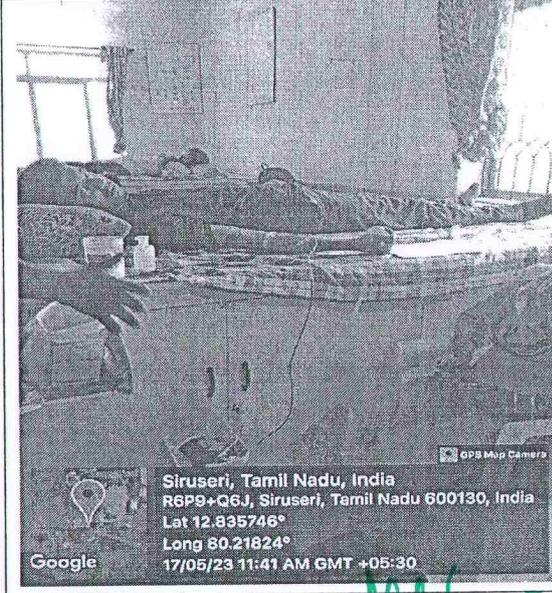

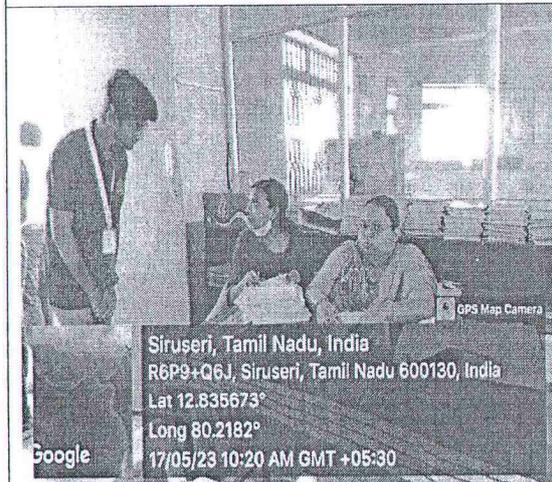

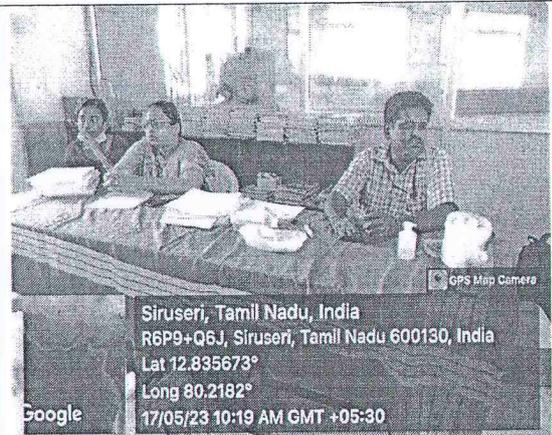

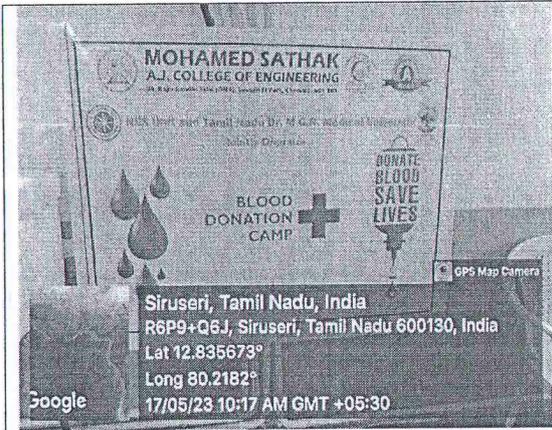

Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is a way of our college gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units.

In the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. It is as such a great service or contribution to the society and people living in it. The Blood donation camp was successfully completed with the coordination of the NSS coordinators Mr.Rakesh, AP/ Civil, Ms.Usha,AP/English. The team members of the hospital conveyed their gratitude to Dr.A.Balakrishnan NSS cell convener.

Report on Cancer Awareness Rally

Date :02.06.2023

Our college NSS unit with Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya have jointly organized a **Cancer Awareness Rally** On 31.05.2023. The rally was inaugurated by Mr Aravind Ramesh an Indian politician and a Member of the Legislative Assembly from Sholinganallur, Chennai has felicitated the rally. The rally created awareness among the general public on the harmful effects of tobacco and general health.

The chief guest flagged off an awareness rally at the entrance of Sipcot and also in Navalur. The rally passed through the major streets of the city. Along with Brahma Kumaris volunteers, 60 enthusiastic students participated and raised their voices against the use of tobacco, passionately chanting slogans such as,

'Hope, Fight, and Win. Cancer's tough, but so are you. Cancer may have started the fight, but I will finish it. There is a 'Can' in Cancer because we CAN beat it!'. They suggested precautionary measures like avoiding cholesterol rich fat diet, alcohol intake, reducing obesity based on the BMI standard, curtailing use of tobacco, being aware on aspects like endocrine disruption due to oral contraceptive use, physical inactivity, proper clothing, benefits of breast feeding etc., Later on, they briefed the participants on methods of early detection and curative measures.

Cancer prevention needs to be considered as part of the Non-Communicable Diseases prevention programme as it will make it more effective and feasible. The risk factor, Alcohol, Tobacco, Bad Diet and Physical inactivity are risk factors for most of the Non-Communicable Diseases and have to be approached together as life style modification. These sessions sensitize students to the dangers of tobacco use and its detrimental impact on health and society. In support of the cause, students participated enthusiastically in the rally, showcasing posters and distributing handouts to spread the message.

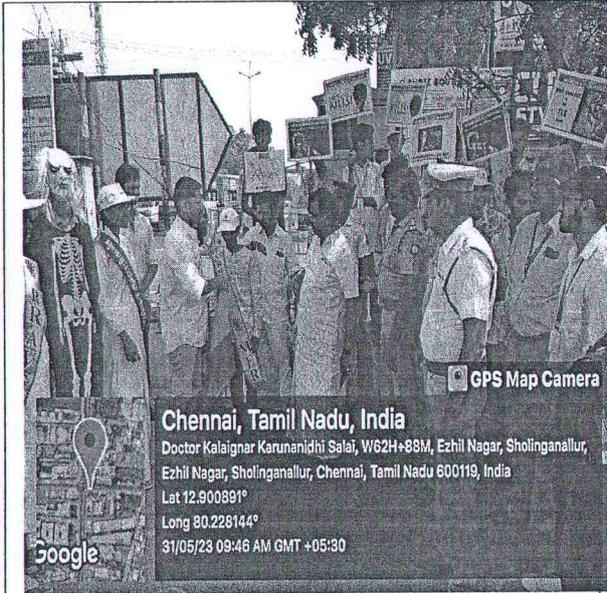

The rally was headed by Dr. Ramesh , Head/ Admin and Dr. A. Balakrishnan, Head, Academics. Mr. Rakesh and Mr. Steephen raj coordinated the students for distributing the pamphlets and chanting the slogans.
