Write-uponEvent	<p>Our Women empowerment cell organise a health awareness and hygiene program to provide evidence-based community health interventions to promote wellness, environmental health literacy, and environmental public health.</p> <p>Dr.Kanimozhi, MBBS, shared women facing health problems in day to day life, and how to cure the problems with self hygiene. She explained about the measures to be taken before getting any major issues. As most of the girl students are hailing from rural background they are vulnerable to various problems such as personal health & hygiene, adolescence related problems, problems with relationships, sexuality and addictions,Self hygiene, Consulting with gynecologists etc. The girls are highly enlightened by the speech of chief guest and encouraged to interact with the resource persons.She clarified students doubts related to the girls personal health issues.</p> <p>The Program was started by honoring the chief guest with shawl and gift by Mrs.S.Sudha,AP/Mathematics,Women Empowerment Cell ,Coordinator. The final year IT students compere the program in a very nice way by presenting the welcoming address and Vote of Thanks. Around 50 students were participated in the event and utilized the opportunity given to know about their health. Students from various departments participated in this programme.</p>

Write-upon Event	<p style="text-align: center;">PRINCIPAL Mohamed Sathak A.J. College of Engineering No.34, Rajiv Gandhi Salai (OMR) Siruseri IT Park, Chennai - 603103.</p> <p>The women development Cell conducted EmpowerHER to UNLEASH HER POTENTIAL-Self Help Program for Non-Teaching faculty members on 28.08.2023 in Mercury Hall. The Speaker Dr P. Srithikha Co – Founder of Ho2ho Company, with her team members shared insights on career development, financial planning, and work-life balance. She helped to provide opportunities for participants to showcase their talents and hobbies, promoting a sense of achievement.</p> <p>The program's emphasis on well-being led to a more positive work environment and increased employee satisfaction. Non-teaching staff felt a stronger sense of belonging which positively impacted their morale after knowing making of different varieties of soaps and paper bags in a effective way. Participant feedback was overwhelmingly positive, indicating a desire for continued engagement.</p> <p>Based on this feedback, future plans include expanding the program to include more specialized workshops, setting up support groups for specific needs, and fostering collaboration with teaching faculty for a holistic educational environment. The self help</p>	

program for non-teaching faculty successfully achieved its objectives of skill enhancement, networking, and well-being improvement.

By fostering a supportive community and providing resources for personal and professional growth, the program contributed to a more empowered and engaged non-teaching staff within the institution. The program was coordinated by Mrs.S. Sudha & Mrs.V.Janaki in a very successful way.

I am Srithikha. Basically I'm a M.A holder in Mass Communication and Journalism and also I have completed my Master's in Social Work. I previously worked in graphics and media for 12 years. But now I have been running my own institution named 'Sri Balaji Vocational and Skill Development Academy' since 2015. The major thing that pushed me to start this organization is 'the present status of women'. All married women in this society find it difficult to manage personal life and career. So I decided to start an organization to encourage women to do many home based business. So far I have helped nearly 2000 women to learn some arts to start their own enterprises. My dream is to teach more self employing jobs to village women and physically challenged people because I think their wealth and development is our Indias'

Write-upon Event	<p>The Department of Science & Humanities, Women Empowerment Cell College Grievance Cell conducted a significant program on the topic Grooming Gap on 14.9.2023 morning 8.30 to 10.00 am aimed at addressing the gender gap and promoting gender sensitization among students. The event featured a distinguished chief guest Mrs. Kanmani Dhivya Magesh, Counselling Psychologist, Life skill trainer who provided valuable insights into the concept of gender sensitivity and psychological aspects related to it. She highlighted the need for individuals to understand and appreciate the differences between genders and foster an environment of respect and equality.</p> <p>Also she delved into a discussion on the psychological aspects of gender interaction, focusing on the concepts of id, ego, and super ego. She added explained how these psychological constructs influence individuals' perceptions, behavior, and attitudes towards the opposite gender. The speaker stressed that a harmonious and progressive society can only be achieved when boys recognize the contributions and worth of girls and women to achieve mutual growth and progress.</p> <p>The Program was organized by the Department of S&H, Women Empowerment Cell, College Grievance Cell and Gender Sensidization cell in promoting gender sensitization and fostering a more inclusive and equitable environment within the college.</p>

She emphasized the need for open communication and encouraged parents, teachers, and caregivers to create safe spaces where children feel comfortable expressing themselves. To complement the informational sessions, the telecast of the movie "Chittha" added a powerful visual narrative to the event. The film depicted real-life scenarios, illustrating the prevalence of child abuse and the profound impact it has on victims. The movie served as a catalyst for further discussions, prompting attendees to reflect on the issue and consider practical steps towards prevention.

Nearly 85 students participated and utilised the session positively. The event was concluded with a collective commitment to raising awareness in the community and supporting initiatives aimed at combating child abuse.

Women empowerment is the process of increasing the status of women in all spheres of life. It is a process of enabling women to take control of their own lives and to participate in the development of their societies. It is a process of enabling women to realize their full potential and to contribute to the development of their societies.

1. To provide a platform for women to express their views and concerns.

2. To provide a platform for women to share their experiences and knowledge.

3. To provide a platform for women to learn from each other.

4. To provide a platform for women to support each other.

5. To provide a platform for women to work together for the common good.

6. To provide a platform for women to take action on issues that affect them.

7. To provide a platform for women to be heard.

8. To provide a platform for women to be respected.

9. To provide a platform for women to be valued.

10. To provide a platform for women to be empowered.

Write-upon Event	<p>On Women's Day celebration, girl students participated in a diverse range of cultural activities, including dance performances such as Bharatanatyam, a classical Indian dance form known for its grace and storytelling elements. Additionally, folk dances from various regions were showcased, celebrating the rich cultural heritage of different communities. These performances not only entertained but also highlighted the importance of preserving and promoting traditional art forms. Furthermore, connection programs were organized, providing opportunities for women to network, share experiences, and forge meaningful connections, fostering solidarity and empowerment within the community. Overall, these cultural activities on Women's Day served to celebrate women's achievements, promote gender equality, and strengthen bonds among participants.</p> <p>Mrs. S. Sudha, the convenor of the Women Empowerment Cell, made a grand opening video dedication to all the women in our campus for the program. Upon giving presents, the teaching and non-teaching staff members watched a video congratulating all of our female heads.</p> <p>Then memorable gifts were given to both teaching and non-teaching faculty members as a gesture of appreciation and recognition for their hard work and dedication.</p> <p>These gifts may have included thoughtful memories , aimed at expressing gratitude for their contributions to the institution and their support in nurturing the growth and development of</p>

students and colleagues alike. Such gestures help foster a positive and supportive work environment, boosting morale and strengthening relationships within the educational community.

SHEROES-24 Womens day Celebration with Men Faculty Members

The success of every woman should be the inspiration to another. Women should raise each other up and make sure to be courageous, be strong, be extremely kind, and above all be humble. International Women's Day is not only an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide.

SHEROES-24 Womens day Celebration with Men Faculty Members

The day gives a valuable opportunity to celebrate the achievements of women, to examine the gender gaps in our community. This year the Women Empowerment cell convener Mrs. S. Sudha and coordinators planned to celebrate the women's day with male faculty members also. Men need to realize the roles of women in the community, their positive decisions and actions, either will take further towards or away from a gender equal society. It should be a moment each year to reflect on how they have treated the people in their life, of both sexes.

On the special day by representing all the women of the college, women empowerment cell appreciated all the male faculty members with the 'Thank you' badges and shared the sweets to everyone. Men have the responsibility to talk to each other about feminism and to reflect, to understand its principles and to learn collectively. This day offered a platform for men to come to feminism. It's important that during these events, men advocate for a better world, where the patriarchy is replaced with something truly equal and liberating for all.

REPORT ON DRAWING COMPETITION

Date: 07.06.2024

On the occasion of World Environment Day, the NSS Cell and Institution's Innovation Council (IIC) of MSAICE (Mohamed Sathak A.J. College of Engineering) jointly organized a drawing competition. The event was aimed at promoting environmental awareness and encouraging creativity among students. The competition took place on 5th June 2024, in the college auditorium, which was decorated with eco-friendly materials to highlight the importance of environmental conservation.

World Environment Day is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. Every year, the program has provided a theme and forum for businesses, non-government organizations, communities, politicians and stars to advocate environmental causes. This World Environment Day, our public health community gave efforts towards land restoration, halting desertification and building drought resilience not to forget that this is our land, and our future. The theme for the drawing competition was 'Restore Our Earth' focusing on the urgent need to protect and rejuvenate our natural ecosystems.

The competition saw enthusiastic participation from over 100 students across various departments. Students from all academic years were invited to showcase their artistic skills and convey their messages on environmental conservation through their drawings.

Judging Panel: The drawings were evaluated by a panel of judges comprising:

1. Dr. A. Balakrishnan- NSS Programme Officer
2. Mr. D. Sakthivel- NSS Coordinator
3. Ms.S. Usha-AP English

Winners: The competition concluded with the announcement of the winners.

The drawing competition was a resounding success, fulfilling its objective of spreading environmental awareness and fostering a sense of responsibility among students towards nature. The event concluded with a speech by the NSS Coordinator Mr. D. Sakthivel who emphasized the importance of such initiatives in building a sustainable future. Many students took part in the competition enthusiastically and made creative drawing on the given topic.

The activity was held with the aim to explore the creativity and imagination of students. And also to create awareness among the youngsters regarding environmental protection. This competition strived to achieve the core values of quest for excellence, inculcating value system and fostering global competency. The MSAJCE NSS Cell and IIC extend their heartfelt gratitude to all participants, judges, and volunteers for their support and dedication in making this event a memorable and impactful one.
