4.1.1. The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc

Mohamed Sathak AJ College of Engineering was established in the year 2001 with UG Programme by Mohamed Sathak Trust by **Alhaj. Hamid Abdual Quadir, Chairman** with a noble aim of providing quality technical education to meet the industrial and social needs. In 2023-2024, the institute is offering 8 UG programs and 2 PG Programme.

The institute have adequate infrastructure facility with ICT enabled class rooms to meet AICTE/Anna University requirements for effective teaching learning process.

Mohamed Sathak AJ College is 32-acre campus with built-up area 36999sq.m with an excellent institute infrastructure

Computing & ICT Facilities:

The institution is equipped with ICT enabled modern computing facilities

1.	Computers with latest configuration	595 nos.
2.	Server	02 nos.
3.	Internet Bandwidth	700 Mbps
4.	Operating System	02
5.	Application Software	27

Students have access to these systems both to meet the academic requirements and also to pursue their research interest / projects.

Career Development Centre:

The college has the facility to train and place the students

1. Facility for conducting online and offline placement test
2. Facility for conducting group discussions
3. Facility for HR interview
4. Facility for soft skill and technical training

Generator:

There are three standby power generators with 100,125 and 250 kVA capacity are available in the campus to take care of the occasional power interruptions and shut down.

Transport:

The College is located on Old Mahabalipuram Road (OMR), state highway and easily accessible from Central Railway Station and Chennai Mofussil Bus Terminus (CMBT) by the state operated transport service. In addition, 10 buses are operated to the needs of both students and staff, which covers in a radial circle of 50Kms to reach the college in time.
