# CELNET TERMS AND CONDITIONS OF SUPPLY:

## 1. Applicability:

These terms and conditions shall apply to all offers, proposals and agreements made between Consortium E-Learning Network Pvt. Ltd. (herein referred as CELNET) and any third party or its agent ("the Client") relating to the products and/or services of CELNET ("the Products and/or Services") and, along with the relevant CELNET order acknowledgement, shall form the entire agreement between the parties (the "T&C"). They supersede any previous supply terms and conditions. For the purposes of the T&C, CELNET shall mean the company within the CELNET group that is providing the Products or Services as set out on the CELNET order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, these shall not apply and the T&C will prevail. Any variation to the T&C and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signatory of CELNET. Nothing in the T&C will exclude or limit CELNET's liability for fraudulent misrepresentation.

## 2. Offer and acceptance/ Description:

Each order for the Products and Services by the Client from CELNET shall be deemed to be an offer by the Client to purchase the Products and Services subject to the T&C. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by CELNET or (if earlier) CELNET delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All product orders are accepted subject to availability of the ordered Products. Unless otherwise expressly agreed by CELNET in writing, Client represents and warrants that it is purchasing Products or Services from CELNET for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products and Services from CELNET for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for valid personal use. Client acknowledges that violation of this representation and warranty will cause irreparable harm to CELNET.

Upon any violation of this representation and warranty, CELNET shall be entitled to immediate injunctive relief requiring Client to disclose all recipients of CELNET Products and Services from Client, including all actual recipients that have not been previously properly identified by Client. CELNET shall use commercially reasonable efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and kind of address file, weights and the like. All drawings, descriptive matter, specifications and advertising issued by CELNET and any descriptions or illustrations contained in CELNET's catalogues or brochures are issued or published for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the T&C. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

## 3. Execution and modification of the order:

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at CELNET's discretion.

## 4. Rates and prices:

Unless otherwise agreed by CELNET in writing the price/rates for the Products shall be those set out in CELNET's current price/rate list (whether print or online). All such prices/rates shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall also be exclusive of any taxes, import duties or other levies imposed on the sale or import of the Products by local or national authorities, which shall be charged by CELNET as appropriate. Where applicable, Client shall provide its GST registration number or other evidence of tax exemption to CELNET at the time of placing its order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the amounts payable to CELNET under the T&C, then the amount of the payment will be automatically increased to fully offset such tax, so that the amount actually remitted to CELNET, net of all taxes, equals the amount invoiced or otherwise due. The Client will promptly furnish CELNET with the official receipt of payment of those taxes to the appropriate taxing authority. All financial transactions must be settled in the currency of the applicable CELNET invoice. The Client will be solely responsible at its own cost for completing any foreign exchange-related procedures in the said territory that are necessary to make payments to CELNET under the T&C, including without limitation all bank charges and foreign exchange charges.

## 5. Payment:

Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency invoiced in advance or if agreed. Time for payment shall be of the essence. Legal and beneficial title in any tangible Products supplied by CELNET to the Client shall remain with CELNET until CELNET has received in full (in cash or cleared funds) all sums due to it in respect of the Products and all other sums which are or which become due to CELNET from the Client on any account. The Client may resell the Products before ownership has passed to it provided that any sale shall be effected in the ordinary course of the Client's business at full market value and any such sale shall be a sale of CELNET's property on the Client's own behalf and the Client shall deal as principal when making such a sale. CELNET shall be entitled to recover payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from CELNET. For the avoidance of doubt no intellectual property rights in any CELNET Products shall transfer to the Client.

Products shall be at the Client's risk as from delivery. The Client shall make all payments due under the T&C without any deduction whether by way of set-off, counterclaim, discount, or otherwise unless the Client has a valid court order requiring an amount equal to such deduction to be paid by CELNET to the Client. From the due date of the invoice to the date of payment in full, interest at the rate of 1% may be charged to the Client on a monthly basis for any sums outstanding, together with any collection fees incurred by CELNET. If the Client wishes to dispute any invoice (or part), the Client shall, as soon as reasonably practicable, but no later than the due date of such invoice, send full details of such dispute to CELNET in writing. The Client shall remain liable for any undisputed part of such invoice. CELNET shall be entitled, at any time, to demand payment in advance and may suspend performance of its obligations arising from the T&C until such advance payment has been received. Where the Client is indebted to CELNET for any other Product or Service under any other order, CELNET reserves the right to withhold supply of the Products or Services under the current order until any outstanding monies are fully paid. CELNET shall be entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to CELNET.
