Grievance Redressal / Disciplinary / Vikasha / POSH Cell / Sexual Harassment Complaint Cell

As per guidelines of Anna University Grievance Redressal / Disciplinary / Vikasha / POSH Cell / Sexual Harassment Complaint Cell has been established by Mohamed Sathak A J College of Engineering. In order to create and maintain a community in which teaching, non-teaching staff and Students can work together in an environment free of sexual violence, harassment, exploitation, and intimidation, MSAJCE has proactively established the Grievance Redressal / Disciplinary / Vikasha / POSH Cell / Sexual Harassment Complaint Cell. This cell meets the obligation as mandated by The Supreme Court of India, in its landmark judgment in August 1997 viz., Vishaka & others vs. the State of Rajasthan & others which stated that every instance of sexual harassment is a violation of “Fundamental Rights” under Articles 14, 15, and 21 of the Constitution of India, and amounts to a violation of the “Right to Freedom” under Article 19 (1)(g).

The function of the cell is to look into the complaints lodged by any student and staff, and judge its merit. The Grievance cell is also empowered to address genuine problems and complaints of students and staffs whatever be the nature of the problem. Anyone with a genuine grievance may approach the department members in person, or in consultation with the Students Councilor. In case the person is unwilling to appear in self, grievances may be dropped in writing at the letterbox/suggestion box of the Grievance Cell at reception table.

Objective:

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute. A Grievance Cell should be constituted for the Redressal of the problems reported by the staffs and Students of the College with the following objectives:

- Maintain the dignity of the College by ensuring strife free atmosphere in the College through promoting cordial Student-Student relationship and Student-Staff relationship etc.
- Encouraging the Students to express their grievances / problems freely and open minded, without any fear of being victimized.
- Suggestion / complaint Box is installed in the reception table in which the Students / staffs, who want to remain anonymous, put in writing their grievances and their suggestions for improving the Academics / Administration in the College.
- Advising all staffs and students to be affectionate with each other and not behave in a vindictive manner towards any of them for any reason.

Mechanism for Redressal of Grievances of Students and Staff

The cell will deal with Grievances received in writing from the students about any of the following matters from the aggrieved students / staffs.

- Academic Matters: Related to class room teaching, class room management, completion of syllabus, teaching methods, attendance etc.
- Administrative Matters related to timely issue of duplicate Mark-sheets, Bonafide, Transfer Certificates, Conduct Certificates or other examination related matters.
- Financial matters: Related to dues and payments for various items from library, hostels etc.
- Harassment by colleague students or the teachers etc. Sexual harassment - any kind of physical or mental harassment
- Other Matters: Related to certain misgivings about conditions of sanitation, preparation of food, availability of transport, victimization by teachers etc.

The cases will be attended promptly on receipt of written grievances from the students.

- The cell formally will review all cases and will act accordingly as per the Management policy.
- The cell will give report to the authority about the cases attended to and the number of pending cases, if any, which require direction and guidance from the higher authorities.

Procedure for lodging complaint:

- The students may feel free to put up a grievance in writing
- The Grievance Cell will act upon those cases which have been forwarded along with the
- Necessary documents.
- The Grievance Cell will assure that the grievance has been properly solved in a stipulated time limit provided by the cell.

The Grievance Redressal Cell convenes meetings periodically and takes steps to redress the grievance. The process flow as follows.

Students and staff complaints

→ Department grievance committee → Institute level grievance → Central grievance committee

There will be Grievance Redressal Committees at the Department / Institute / Central level to deal with the grievances of the students and staff.

1. **Department level Grievance Redressal Committee** will be as under:

- I. Head of the Department – Chairman
- II. Faculty Advisor and Senior faculty of the department

This committee will deal with the Grievance related to Academic and Administrative matters of the Department.

2. Institute level Grievance Redressal Committee will be as under:

- i. Convener Grievances Redressal Committee - Chairman
- ii. Up to 5 (five) members to be appointed by the Head of Institute as members from grievances redressal committee.

This committee will deal with all the Grievances directly which is related to the common problems at Institute level both Academic and Administrative. In addition, this committee will also entertain the appeal filed by the student against the decision of the Department level committee.

3. Central Grievance Redressal Committee will be as under:

- i. Principal - Chairman
- ii. Convener Grievances Redressal Committee
- iii. NGO and Parent members nominated by the Principal.
- iv. Senior professor

This committee will deal with all the Grievances directly which is related to the common problems at institute level both Academic and Administrative. In addition, this committee will also entertain the appeal filed by student against the decision of the Institute level committee.

Procedure for Redressal of Grievances

1. An aggrieved student who has the Grievance or Grievances at the Department level shall make an application first to the HoD. The Head of Department after verifying the facts will try to redress the grievance within a reasonable time. If the student is not satisfied with the verdict or solution of the HoD, then the same should be placed before the Department level committee.
2. If the student is not satisfied with the decision of Department committee, he/she can submit an appeal to the Institute level grievance committee within a week from the date of the receipt of the reply from the Department level committee.
3. The convener of Institute grievance committee, after verifying the facts and the papers concerned and having discussion within the Chairman of the Department committee will place the matter before the Institute level committee which shall either endorse the decision of the Department level committee or shall pass appropriate order in the best possible manner within a reasonable time.
4. If the student is not satisfied with the Redressal offered by the Institute level committee and feels that his/her Grievance is not redressed, he/she can submit an appeal to the central grievance committee within a week from the date of receipt of decision with the relevant details.

- While dealing with the complaint the committee at all levels will observe law of natural justice and hear the complainant and concerned people.
- While passing an order on any Grievance at any level the relevant provisions of act / Regulations should be kept in mind and no such order should be passed in contradiction of the same.
- The student will submit the application of Grievance or appeal to the Institute level committee or central grievance Redressal committee, as the case may be, through the Head of Department and Head of Institute concerned.

Responsibility For Redressal

1. The final responsibility for grievance Redressal rests with the Principal of the college.
2. The college expects that grievance Redressal be time bound and result oriented. Every grievance is expected to be resolved within a reasonable period.
3. The grievance Redressal cell of the college shall monitor status and progress of grievance Redressal and shall furnish report on grievance Redressal position to the Principal.

Powers: -

- In case of any grievance the members of the cell are empowered to sort out the problems at their level through discussion with students.
- In case the members fail to find out any solution then the matter is referred to the Principal for final commitment on the matter.
- Considering the nature and depth of the grievances due inquiry is made by the members of the cell and through personal discussion the matter is solved. If anybody is found to be guilty for any kind of nuisance he or she is given punishment with due consideration with the Principal. The nature of punishment, information to the police (if situation arises for so) and expelling from the college are as per the rule of the institute.

Exclusions:

The grievance Redressal cell shall not entertain the following issues:

- Decisions of the Governing body, Academic council, Board of studies and other administrative or academic committees constituted by the University.
- Decisions with regard to award of scholarship, fee concessions, medals etc;
- Decisions made by the University with regard to disciplinary matters and misconduct.
- Decisions of the University about admissions in any courses offered by the institute.
- Decisions by competent authority on assessment and examination result.

Write-upon Event	<p>The Department of Science & Humanities, Women Empowerment Cell College Grievance Cell conducted a significant program on the topic Grooming Gap on 14.9.2023 morning 8.30 to 10.00 am aimed at addressing the gender gap and promoting gender sensitization among students. The event featured a distinguished chief guest Mrs. Kanmani Dhivya Magesh, Counselling Psychologist, Life skill trainer who provided valuable insights into the concept of gender sensitivity and psychological aspects related to it. She highlighted the need for individuals to understand and appreciate the differences between genders and foster an environment of respect and equality. Also she delved into a discussion on the psychological aspects of gender interaction, focusing on the concepts of id, ego, and super ego. She added explained how these psychological constructs influence individuals' perceptions, behavior, and attitudes towards the opposite gender. The speaker stressed that a harmonious and progressive society can only be achieved when boys recognize the contributions and worth of girls and women to achieve mutual growth and progress.</p> <p>The Program was organized by the Department of S&H, Women Empowerment Cell, College Grievance Cell and Gender Sensidization cell in promoting gender sensitization and fostering a more inclusive and equitable environment within the college.</p>

REFLECTIONS FROM THE PRINCIPAL'S DESK

It is a matter of great pride and satisfaction for MSAJCE to bring out the newsletter 'Campus Chronicles'. This newsletter will help us to travel through the activities of MSAJCE in the path of academic, co-curricular, and extra-curricular achievements of the students, faculty, and staff members that offers a chance to be part of the day-to-day college life for one the past, present and future prospective stakeholders. I congratulate each of them who won and participated in the events and contributed excellent articles on this issue. This will be an inspiration and motivation for the students and staff to perform better and add their contributions to the forthcoming issues.

I congratulate the editorial board of this newsletter, who took responsibility for the arduous task most effectively and accomplished the task in record time. I appreciate the editors, the faculty coordinators, and the student committee for their meticulous work, which is visible in the published articles.

With Best Wishes,
Dr.K.S.Srinivasan Ph.D.

Dear readers,
Greetings to you!!

Mohamed Sathak A.J. College of Engineering
No.34, Rajiv Gandhi Salai (OMR)
Sipcot - IT Highway Egattur,

It gives me great joy that our college is bringing out a quarterly newsletter, 'CAMPUS CHRONICLES'. The college newsletter mirrors the activities of the institution, and the development of the students in academic as well as co-curricular activities, which will be a very rewarding experience for the students. We are glad to bring out this edition with thought-provoking write-ups, inspiration, and information as intended. I, along with my editorial team members, have spent sleepless nights to make this newsletter stand out. This newsletter highlights the achievements and multifarious activities of the college in different spheres as per the lofty vision and mission of the college. I applaud the contributors for their stimulated thoughts and varied hues in the articles contributed by them. I am elated to thank our beloved alumni for their sincere support in all the ventures of the college, creating a dynamic bond between the college and the alumni.

I wholeheartedly thank the respected Principal and the management for their support in publishing the newsletter. I appreciate the brilliant work of my editorial student committee, I thank my editorial team for their support and cooperation. The publication of the newsletter will go a long way with all your support. Happy reading,

Best Wishes,
Dr. S. Devikala Ph.D.

EVENTS ORGANIZED

SOLAR PV SYSTEM BASICS & COMMERCIAL OVERVIEW

The seminar "Solar PV System Basics & Commercial Overview," featuring Mr. Shaik Fathullah from Daystar Solar, concluded successfully on August 4, 2023. Attendees were enlightened with comprehensive insights into the fundamental principles of solar PV systems and the commercial landscape. Mr. Fathullah's expertise provided attendees with a clear understanding of solar energy conversion and the intricacies of PV system components.

HANDS-ON SOLIDWORKS WORKSHOP

The workshop on "Hands-On SolidWorks," led by Mr. Iyyapan M of Sim Technologies Pvt. Ltd concluded on August 23, 2023, Participants were immersed in practical learning experiences, gaining hands-on expertise and utilizing SolidWorks software for design and engineering applications. Under the guidance of Mr. M. Iyyapan attendees explored various features and functionalities of SolidWorks. The workshop proved to be a valuable opportunity for individuals to empower them for future endeavors in design and engineering.

REVOLUTIONIZING DESIGN: GUEST LECTURE ON CAD AUTOMATION

The guest lecture on "Unleashing the Power of CAD Automation" by Mr. Mohamed Ateeq from Hubbell Incorporated, Chennai, concluded on September 2, 2023. Attendees were enlightened with insights into the transformative potential of CAD automation in streamlining design processes and enhancing productivity. Mr. Ateeq's expertise provided a comprehensive understanding of advanced CAD automation techniques and their practical applications in industrial settings. Overall, the lecture catalyzed inspiring individuals to harness the power of automation in driving engineering excellence and technological advancement.

On 18/12/2023 the Department of Science and Humanities organized The paper presentation was a great event conducted by the Department of Science and Humanities for first-year students to develop and enrich their talents. It was a well-informative event. One team consisting of three members from each section participated and gave their best and taught how matrices and calculus can be used in our daily lives. It was great to see that students were well educated about the topic presented efficiently and came out of their stage of fear. This event was conducted to encourage students to show their presentation skills and knowledge among their peers.

NSS ACTIVITIES

IMPLEMENTATION OF VEHICLE LICENSE SYSTEM

• NSS Cell has undertaken initiatives to promote environmental sustainability on campus. As part of our commitment to reducing pollution, a vehicle license system was implemented for both staff and student vehicles on 11.12.2023. The Objectives of the drives are to regulate the number of vehicles on campus, to encourage the adoption of eco-friendly transportation methods, and to raise awareness about the importance of reducing pollution among students and staff.

• The implementation of the vehicle license system by the NSS Cell represents a significant step towards reducing pollution and promoting environmental conservation on campus. Through collective efforts and continued commitment, we aim to create a greener and more sustainable environment for all members of the college community. The event was organized by **Dr. A. Balakrishnan**, NSS Programme Officer, **Mr. D. Sakthivel**, NSS Coordinator, and **Mr. R. Yogesh**, NSS Secretary. The NSS volunteers helped to reach all the staff members and students who use vehicles and to disperse the awareness about the pollution reduction.

REPORT ON THE MOTIVATIONAL SPEECH

DATE: 10.06.2023

A motivational speech was organized by the Department of Science and Humanities and the NSS cell of our college on 9th June 2023 from 02 pm to 3.15 pm in the Alhaj Dhasthagir Auditorium, Ground floor Seminar Hall. The resource person is Ms. Shamini, CEO of Mind Boom a motivational center and Life Skills Trainer. This motivational seminar was conducted for all the first year students for personality development. The ultimate goal of a motivational seminar was to change people profoundly on an emotional and mental level. The speaker related her own personal experience to an audience regarding the necessity to be smart, shrewd and maintain good interpersonal relationship to achieve the greatest heights. She advised the students to be refined, updated and respectful in the current scenario. She interacted with the students to make them speak with boldness and share their perspective towards life. Being a Skill development Trainer, she made the students to speak freely about their dream and plans in their future without having fear. Her motivation insisted the students to know the power of creativity and presence of mind so that they answered on the spot questions with their imagination. The program was coordinated by the NSS coordinators and ended successfully with National anthem.

Report on International Yoga Day

Date:26.06.2023

Our NSS unit with Prajapita Brahma Kumaris conducted Yoga session on 21.06.2023 for all the students to commemorate the International Yoga Day. International Yoga Day is observed every year on 21st June in order to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world.

Yoga Day is celebrated among the youngsters to make them understand the importance of Yoga in their life. It helps the students understand how to maintain harmony between body and mind. Yoga is a physical, mental and spiritual practice. It plays an important role in relaxing the mind and body and boosting people's immune system.

Prajapita Brahma Kumaris sisters explained the importance of Yoga in the life of youngsters. She explained that regular practice of Yoga will help the students achieve better mental and physical health. She started Yoga demonstrations with the Yoga prayer. After which a few warm up and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by another sister of Prajapita Brahma Kuma. The different asanas that were performed by the students are Padmasana or Lotus Position Pose, Parshvottanasana or Intense Side Stretch Pose, Tadasana or Mountain Pose, Vrikshasana or Tree Pose, Surya Namaskar or SunSalutation Pose, Sarvangasana or Shoulder Stand Pose.

The session was concluded with some breathing techniques and the students were encouraged to practice regular yoga to remain fit as they showcased a very energetic and spirited performance. The Yoga session was organised by Ms. Usha, Mr. Steephen raj and Mr. Simon Jeyasundar NSS Program Coordinators. Mr. Yogesh of B.Tech Information Technology First year coordinated the master of ceremony and delivered vote of thanks to conclude the session in a pleasing manner.

Date:30.06.2023

Our NSS unit with the team of Dr.Agarwal's Eye Hospital conducted an Eye Screening Camp on 26.06.2023 for the Teaching and non teaching faculty members and students. Dr.Agarwal's Eye Hospital Eye checkup team is helping for the society by giving the Free EyeCheck up camp in rural areas, Educational Institutions and villages. The Eye camp began at 10.00 a.m. in room no. 311 for the convenience of all the faculty and the students.

Our NSS Volunteers gave their time to educate all the students of our colleges in the regard of Eye checkup camp. It will be very helpful for the needy people who are struggling with Eye problems. The drivers, Non teaching faculty members were also asked to take up the eye check-up. The objective of this event was to spread awareness on eye disorder, early detection and detect refractive errors and eye ailments for the working people.

More than 47 teaching and non-teaching faculty members and 97 students participated in Eye camp which included teaching & non-teaching staff and students. After the Eye check up every member got the report.Everyone was counselled and explained about presenteye health, measures to be taken and lifestyle counselling were given. A corporate privilege card was given to all for their family members eye check-up with discounts. Mr. Simon Jeyasundar expressed his gratitude to the Team members from the Hospital. The Camp was organised by Ms.Usha and Mr. Simon Jeyasundar, NSS Program Officers.

Report on Tobacco Awareness Rally

Date : 30.06.2023

Our college NSS unit organized a **Tobacco Awareness Rally** on 26.06.2023. The rally created awareness among the general public on the harmful effects of tobacco and general health.

The coordinators flagged off an awareness rally at the entrance of Sipcot and also in Navalur. The rally passed through the major streets of the city. Nearly 50 NSS volunteers enthusiastically participated and raised their voices against the use of tobacco. They chanted awareness slogans such as 'Give up tobacco, choose life', and 'Smoking cigarettes means death'.

These sessions sensitize students to the dangers of tobacco use and its detrimental impact on health and society. In support of the cause, students participated enthusiastically in the rally, showcasing posters and distributing handouts to spread the message.

The rally was headed by Dr. Suresh, AP/EEE and Mr. Steephen raj, AP/Physics coordinated the students for distributing the pamphlets and chanting the slogans.

REPORT ON 'DISASTER RISK REDUCTION' - TRAINING PROGRAM

Date: 30.10.2023

A Disaster Management Awareness Program was conducted at Anna University. The program aimed to equip NSS officers with essential knowledge and skills related to disaster management. This report outlines the key details, activities, and outcomes of the program. The program was attended by a diverse group of participants, including three faculty members from MSAJCE, who played a crucial role in the organization and execution of the event on 02.08.2023 to 04.08.2023 and 25.09.2023 to 27.09.2023.

The training program under the title 'Role of NSS officer in Disaster Risk Reduction' was conducted at Anna Administrative staff college, Chennai. Dr.N.Suresh, AP/EEE, Mr. M.Suresh, AP/Mech and Mr.Vinoth, AP/ Mech have participated in the program and got the training fruitfully. The main objectives of the program were to raise awareness among NSS officers about various types of disasters, to educate participants on effective disaster management strategies, to provide hands-on training and simulations for better understanding and to foster a proactive approach towards disaster preparedness and response.

The training was led by the disaster management specialist who presented the discussion on improving disaster management strategies in NSS activities. The Disaster Management Awareness Program was highly successful, achieving the enhanced understanding of disaster types and their impacts among NSS officers, improved knowledge of disaster preparedness and response strategies, practical experience gained through hands-on training and simulations, strengthened collaboration between faculty, NSS officers, and disaster management experts.

The participants provided positive feedback, appreciating the comprehensive coverage of topics and the interactive nature of the sessions. They expressed confidence in applying the learned strategies in real-life situations and suggested more frequent workshops for continuous learning.

REPORT ON DONATION DRIVE AT NIRAIVAZHVU MUTHIYOR ILLAM

The National Service Scheme (NSS) unit of MSAJCE undertook a charitable initiative to support the Niraivazhvu Muthiyor Illam by donating essential items and clothing to assist the residents in need. The primary objective of this initiative was to extend a helping hand to the elderly residents of Niraivazhvu Muthiyor Illam by providing them with essential supplies and clothing to improve their quality of life on 21/09/2023. A collection of clothing including shirts, pants, sarees, and blankets were contributed to provide warmth and comfort during the colder months. Our NSS unit organized a donation drive within the college premises to collect the aforementioned items from students, faculty, and staff. Donation boxes were placed strategically across the campus to facilitate contributions. The collected items were sorted, packaged, and transported to Niraivazhvu Muthiyor Illam for distribution among the residents. The donation drive organized by the NSS unit of MSAJCE reflects the commitment of the college towards social welfare and community service. Through collective efforts and generosity, the unit has positively impacted the lives of the elderly residents of Niraivazhvu Muthiyor Illam, embodying the spirit of compassion and empathy. It was Organized by Dr.A.Balakrishnan NSS Programme Officer and Mr.Suresh NSS Faculty Coordinator.

REPORT ON MASS CLEANING

Date:28.09.2023

The National Service Scheme-NSS Cell of MSAJCE organized a Mass Cleaning Event within the college premises, demonstrating our commitment to fostering a clean and healthy environment on 26/09/2023. All the NSS volunteers, college staff, and students from various departments actively participated in the cleaning process. Divided into teams, participants engaged in sweeping, mopping, dusting, and garbage collection activities across classrooms, corridors, and outdoor areas.

Emphasis was placed on proper waste segregation and disposal, aligning with our goals of promoting recycling and environmental sustainability. Throughout the event, awareness sessions underscored the importance of cleanliness and hygiene, contributing to increased environmental awareness among attendees. The initiative received positive feedback from students and staff, showcasing the strengthened sense of community and shared responsibility. Looking ahead, the NSS Cell aims to continue organizing such activities, collaborating with college authorities and local communities to foster a culture of cleanliness and environmental stewardship at MSAJCE and beyond.

Mass Cleaning Event was organized successfully by the NSS coordinator Dr.A.Balakrishnan, co-coordinators Dr. Suresh, AP/EEE and Mr.Sivaprakash, AP/Tamil. The NSS Programme officer initiated the program by insisting the importance of cleanliness and how, from litter picking and waste segregation to organizing awareness sessions on the importance of sustainable waste management practices, every endeavor was guided by the principle of collective action for the greater good. These activities serve as a reminder of the values of selfless service and community development that NSS stands for.

Our NSS cell takes full responsibility for actively contributing towards the betterment of society, thus shaping students into responsible beings and making them compassionate humans for the future.

REPORT ON NSS AWARENESS PROGRAM

Date: 29.09.2023

The NSS (National Service Scheme) Programme Officers of Anna University organized an awareness program for first-year students on 27.09.2023. Dr.Rajesh, NSS Program Officer, Anna University addressed the students about the objectives, activities, and benefits of NSS participation. The primary aim of the program was to enlighten the students about the NSS's role in personal development and community service, encouraging them to participate actively. The overview of NSS objectives and mission, importance of community service and social responsibility was discussed.

The detailed description of various NSS activities including health camps, environmental conservation, literacy drives, and disaster management and the necessity to conduct such programs were discussed. The senior NSS volunteers shared their experiences and learnings and spoke about the benefits of joining NSS for personal growth and skill development, enhanced leadership and teamwork abilities, opportunities for community engagement and networking. The enrollment process and guidance on how to enroll and participate in NSS activities were also explained by the senior officers. NSS registration forms was distributed to the interested volunteers of NSS.

The program was concluded with an interactive Q&A session, where students raised their queries and received detailed responses from the NSS officers. The event was well-received, with many students expressing interest in joining NSS and contributing to societal welfare.

Many tree saplings were planted by the Chief Guest and NSS program officers and also the students in the college campus. The awareness program was a significant step in fostering a sense of social responsibility and volunteerism among the new students of Anna University.

REPORT ON KOVALAM BEACH CLEANING DRIVE

Date: 03.10.2023

Under the aegis of the Swachh Bharat Mission and with the vision of promoting environmental cleanliness and awareness, the NSS Unit of MSAJCE organized a Beach Cleaning Drive at Kovalam Beach, Tamil Nadu on 01/10/2023. This initiative aimed to contribute towards the preservation of coastal ecosystems and to foster a sense of responsibility among the community towards maintaining cleanliness in public spaces.

The primary objective of the event was to engage volunteers in a collective effort to clean up Kovalam Beach and raise awareness about the importance of environmental conservation. Additionally, the initiative aimed to instill a sense of civic responsibility among participants and inspire them to become active agents of change in their communities. The beach cleaning drive commenced early in the morning, with volunteers from the NSS Unit, faculty members, and local residents coming together to participate in the event. Equipped with gloves, trash bags, and other necessary cleaning materials, the volunteers divided themselves into teams and began the task of cleaning up the beach.

The event not only succeeded in cleaning up the beach but also served as a platform for spreading awareness and fostering a culture of cleanliness and sustainability. Such initiatives are crucial steps towards realizing the vision of a cleaner and greener India. Beach clean-ups are a crucial step towards protecting our coastlines and ensuring the well-being of marine life and human communities alike. It's a collective responsibility that extends to individuals, schools, and corporate businesses. By addressing plastic pollution, we not only safeguard the environment but also work toward a future where the beauty of our coastlines can be enjoyed without the looming threat of cancer-causing contaminants.

The beach cleaning drive was a resounding success, with a significant amount of waste removed from Kovalam Beach. Through the collective efforts of volunteers, a cleaner and more pristine environment was established, contributing to the overall beautification of the coastal area. The Drive was organized by the NSS Unit of MSAJCE, under the leadership of Dr. A. Balakrishnan NSS Programme officer, Dr. Suresh, Faculty Coordinator, and Mr. R. Yogesh, NSS Student Secretary, exemplifies the spirit of community service and environmental stewardship.

Report On Donation Drive

Date:30/10/2023

Our MSAJCE NSS unit successfully organized a donation drive for the distribution of needy things for the children in need at the 'New Hope and New Life Children Home' in Perumbakkam Chennai on 30/10/2023. Donating to an orphanage is a noble act that can make a significant impact in the lives of children who have been deprived of a stable home and family. Orphanages provide shelter, food, education, and care for children who are often in need of basic necessities. Donating to an orphanage can help address these challenges and provide support to children in need.

Monetary donations can be made directly to the orphanage or through organizations that support orphanages. In-kind donations, such as clothes, books, toys, and food, can also be given to the orphanage. Volunteering at an orphanage can also make a significant impact in the lives of children. This endeavor was not only a testament to the spirit of compassion and altruism within our institution but also a demonstration of the positive change that can be achieved when we come together as a community.

It is essential to research the orphanage to ensure that the funds and resources are used effectively. It is important to verify the orphanage's legitimacy, as there are unfortunately some orphanages that are not operating in the best interest of the children. It is also essential to consider the specific needs of the orphanage when making a donation. Some orphanages may have specific needs, such as medical supplies, while others may need educational resources.

NSS Volunteers from various department of our college has volunteered in this significant event. A set of notebook, pen, pencil, eraser, scale and a color box has been distributed to 60 children in 'New Hope and New Life Children home in Perumbakkam. Chennai. Donating to an orphanage can have a momentous impact on the lives of children. The donation can help improve the quality of life for children in need, provide resources for education and healthcare, and create a sense of community and support for children

The Donation Drive was organized successfully by the NSS coordinator Dr.A.Balakrishnan, and co-coordinators Dr. Suresh, AP/EEE and Mr.Sivaprakash, AP/Tamil arranged the meeting of the students and the home children to interact freely to have the feeling of being in their small world. The drive helped to spend time with the children, and seeing them happy and joyful. The coordinators expressed their gratitude to the caretakers for taking care of these beautiful souls and gave this opportunity to spend time with them.

REPORT ON IMPLEMENTATION OF VEHICLE LICENSE SYSTEM

Date: 13.12.2023

Our NSS Cell has undertaken initiatives to promote environmental sustainability on campus. As part of our commitment to reducing pollution, a vehicle license system has been implemented for both staff and student vehicles on 11.12.2023. The Objectives of the drive are to regulate the number of vehicles on campus, to encourage the adoption of eco-friendly transportation methods and to raise awareness about the importance of reducing pollution among students and staff.

There has been a noticeable reduction in the number of vehicles on campus because of the implementation of the vehicle license system. Increased awareness among students and staff about pollution reduction and sustainable commuting practices. Positive feedback from the college community regarding the initiative, with many expressing support for further environmentally friendly measures.

The implementation of the vehicle license system by the NSS Cell represents a significant step towards reducing pollution and promoting environmental conservation on campus. Through collective efforts and continued commitment, we aim to create a greener and more sustainable environment for all members of the college community. The event was organized by Dr. A. Balakrishnan, NSS Programme Officer, Mr. D. Sakthivel, NSS Coordinator, and Mr. R. Yogesh, NSS Secretary. The NSS volunteers helped to reach all the staff members and students who use vehicles and to disperse the awareness about the pollution reduction.

REPORT ON REPUBLIC DAY CELEBRATIONS 2024

DATE:28/01/2024

Republic Day, celebrated annually on January 26th, holds immense significance as it marks the day when the Constitution of India came into effect in 1950. This day symbolizes India's transition from a British Dominion to a Republic. The National Service Scheme (NSS) unit of Mohamed Sathak A.J. College of Engineering celebrated Republic Day 2024 with great enthusiasm, organizing a series of events aimed at fostering a sense of patriotism and community service among the students.

Preparations for the Republic Day celebrations began well in advance, with the NSS unit, led by its dedicated coordinators and volunteers, planning various activities. The agenda included a flag-hoisting ceremony, cultural performances, and a patriotic parade. The college campus was adorned with tricolor flags, balloons, and banners, creating an ambiance of national pride.

The celebration commenced with the flag-hoisting ceremony at 8:00 AM. The Controller of Examinations, Dr. G. Ramesh, served as the chief guest for the occasion. NSS volunteers and faculty members gathered in the college courtyard, dressed in traditional and patriotic attire. Dr. Ramesh hoisted the National Flag while the college band played the national anthem, "Jana Gana Mana." The sight of the tricolor fluttering in the breeze filled everyone with pride and joy. Dr. Ramesh then addressed the gathering, emphasizing the importance of Republic Day and the values enshrined in the Constitution. He encouraged the students to uphold the principles of justice, liberty, equality, and fraternity in their personal and professional lives. His inspiring speech was met with enthusiastic applause, instilling a sense of responsibility and patriotism among the attendees.

Following the flag-hoisting ceremony, the NSS unit organized a series of cultural performances to celebrate India's rich heritage and diversity. The performances included patriotic songs, dances, and skits, showcasing the cultural vibrancy of different regions of India. These performances were meticulously prepared by the students, reflecting their dedication and love for the country. The event also featured a patriotic parade, where NSS volunteers marched in unison, displaying discipline and unity.

The Republic Day celebrations at Mohamed Sathak A.J. College of Engineering concluded on a high note, leaving everyone with a renewed sense of patriotism and a commitment to uphold the values of the Constitution. The efforts of the NSS unit in organizing such a meaningful and inspiring event were commendable, and the day was a memorable one for all participants.

REPORT ON EYE SCREENING CAMP

Date: 09.02.2024

The Eye Screening Camp was held at Mohamed Sathak A J College of Engineering, organized jointly by the NSS Cell of MSAJCE and Shell India on 07/02/2024, received immense support from various stakeholders, including drivers, sweepers, and local residents. This collaborative effort aimed to provide comprehensive eye care services and raise awareness about eye health within the community.

The participation of drivers and sweepers from the college and surrounding areas was instrumental in ensuring the smooth operation of the event. The eye screening camp attracted a significant number of local residents who availed themselves of the free eye care services provided. Their participation reflected the community's recognition of the importance of such initiatives in promoting health and well-being.

Drivers, sweepers, and local residents actively participated in the registration process, providing necessary information to facilitate their eye screenings. Volunteers from among the drivers, sweepers, and local residents assisted in guiding participants through various screening stations, ensuring they received proper care and attention. Drivers, sweepers, and local residents engaged in educational sessions conducted during the camp, learning about the importance of regular eye check-ups and preventive measures to maintain good eye health. Their presence and support throughout the event contributed to its success, fostering a sense of community involvement and collective responsibility towards promoting health awareness.

The active participation of drivers, sweepers, and local residents played a vital role in the success of the eye screening camp. By volunteering their time and effort, they helped ensure that the event ran smoothly and that participants received the necessary care and attention. Their engagement also underscored the significance of community involvement in addressing healthcare needs and promoting public health initiatives.

The participation of drivers, sweepers, and local residents in the Eye Screening Camp organized by the NSS Cell of MSAJCE and Shell India exemplifies the spirit of community collaboration and collective action towards promoting health awareness.

REPORT ON ELECTION AWARENESS CAMPAIGN

DATE:29.03.2024

The National Service Scheme (NSS) Cell at Mohamed Sathak AJ College of Engineering has undertaken a significant initiative to foster civic responsibility and encourage active participation in the democratic process among its students. Recognizing the crucial role of youth in shaping the future of the nation, the NSS Cell organized a Voters Pledge event aimed at ensuring that every student across all classes commits to participating in the upcoming parliamentary elections by casting their vote. This report provides a detailed overview of the initiative, its objectives, planning, execution, and impact.

The Voters Pledge event was held on 28.03.2024, with all students taking pledge in their class rooms . The event commenced with an introductory speech by Dr. A.Balakrishnan NSS Program Officer, who highlighted the importance of voting and the role of youth in democracy. After the speeches, students were invited to take the Voters Pledge. The pledge was a solemn commitment to exercise their right to vote responsibly and to encourage others to do the same. The text of the pledge was read by Mr.R.Yogesh – NSS Student Secretary, and students repeated it in unison. The atmosphere was charged with enthusiasm and a sense of duty as students affirmed their commitment to participate in the democratic process.

In conclusion, the NSS Cell's Voters Pledge event was a successful endeavor that contributed to fostering a culture of active citizenship and responsible voting among students. By ensuring that young voters are informed and motivated to participate in elections, the initiative has laid a strong foundation for a more robust and vibrant democracy. The NSS Cell plans to continue its efforts in promoting civic engagement and looks forward to organizing similar events in the future to further enhance the democratic involvement of its students. The event was successfully organized by Dr. A.Balakrishnan, NSS Program Officer, Mr.D.Sakthivel, NSS Coordinator, and Mr. R. Yogesh, NSS Secretary.

REPORT ON POLL PULSE INDIA EVENT

Date: 18.04.2024

The National Service Scheme (NSS) unit of Mohamed Sathak AJ College of Engineering (MSAJCE) actively participated in the "Poll Pulse" TV debate show organized by DD India at Gandhi Mandapam, Chennai on 08.04.2024. This report encapsulates the involvement of our students in this significant event aimed at promoting voter awareness and engagement in the democratic process.

Under the guidance of Dr. A. Balakrishnan NSS Program Officer, two enthusiastic NSS volunteers Mr.Dinesh Kumar T & Mr.Yogesh R from MSAJCE took part in the debate show. The preparation for the event involved extensive discussions and research on current electoral issues, ensuring that our students were well-equipped to contribute meaningfully to the debate.

During the show, our students actively engaged in discussions on a range of topics including voter apathy, the role of social media in elections, the importance of informed voting, and ways to increase youth voter turnout. Their articulate and informed contributions not only represented the youth's perspective but also highlighted the significance of active civic participation.

The participation of NSS volunteers from MSAJCE in the "Poll Pulse" TV debate show reflects our commitment to promoting civic engagement, democratic values, and youth participation in governance. Through informed discussions and active engagement, we strive to contribute to the creation of an informed and empowered citizenry. The students' involvement in the debate showcased their awareness of electoral issues and their dedication to fostering a more participative democracy.

This experience was invaluable for our students, providing them with a unique opportunity to voice their opinions on a public platform and engage with a wider audience. It also reinforced the importance of being well-informed and actively participating in the democratic process.

We extend our sincere gratitude to DD India for providing us with the opportunity to participate in the "Poll Pulse" TV debate show and contribute to the discourse on electoral issues. Special thanks to all the NSS volunteers whose enthusiasm and articulate contributions enriched the debate. Their performance was a testament to the values and principles instilled by the NSS unit.

Lastly, we express our heartfelt appreciation to Dr. A. Balakrishnan for his encouragement and support, which was instrumental in motivating our students to participate in this significant event. His guidance ensured that our students were well-prepared and confident in representing the voice of the youth in this important discussion.

REPORT ON FIRE SAFETY AWARENESS PROGRAM

The National Service Scheme (NSS) unit of MSAJCE organized a Fire Safety Awareness Program on 17.04.2024. The program was conducted in the fourth floor auditorium at 10.45am. The objective of this program was to educate students and staff about the importance of fire safety, the causes of fire, and the preventive measures to be taken to avoid fire-related incidents.

The fire officials spoke about necessity to educate students about fire hazards and safety measures, to demonstrate the use of fire safety equipment, to create awareness about emergency evacuation procedures and to instill a sense of responsibility towards fire safety among students and staff. Nearly 100 students and 12 staff members participated and got benefitted by the program. The firemen demonstrated on Fire Safety in Educational Institutions, safe handling of Electrical Equipment, storage and handling of flammable materials, types of fire extinguishers and their uses and usage, fire Alarms and Smoke Detectors.

The participants actively engaged in discussions and practical demonstrations, enhancing their understanding of fire safety. Hands-on training in using fire extinguishers and conducting evacuation drills provided practical knowledge. Emphasis was placed on the importance of having an emergency plan and regular fire drills in institutions. The feedback from participants was overwhelmingly positive. They appreciated the practical approach of the sessions and expressed increased confidence in handling fire emergencies.

The program successfully instilled a sense of responsibility towards maintaining fire safety standards in their daily lives. Participants are now more aware of the causes of fire and preventive measures. Practical sessions equipped participants with the skills to use fire safety equipment effectively. Increased awareness about emergency evacuation procedures and the importance of regular drills.

The event was successfully organized by Dr. A. Balakrishnan, NSS Program Officer and Mr. D. Sakthivel, NSS Coordinator. Their efforts in planning and executing the training program were highly appreciated by both the participants and the resource person. The program concluded

REPORT ON BLOOD DONATION CAMP

Date : 10.05.2024

On May 8, 2024, the NSS unit of Mohamed Sathak A.J. College of Engineering (MSAJCE), in collaboration with Dr. MGR Medical University, successfully organized a voluntary blood donation camp at the MSAJCE campus. The event aimed to address the critical shortage of blood in medical emergencies and promote a culture of voluntary blood donation among students. The camp witnessed enthusiastic participation from over 30 students who selflessly donated blood, demonstrating their commitment to serving the community.

The camp commenced with an inaugural address by Dr. A. Balakrishnan, NSS Program Officer emphasizing the importance of blood donation in saving lives. Rigorous health checks were conducted for all donors to ensure their eligibility for donation, under the supervision of experienced medical professionals. Throughout the day, students enthusiastically participated in the donation process, showcasing their altruism and compassion towards those in need. The event also included informative sessions conducted by volunteers from Dr. MGR Medical University, educating participants about the benefits of regular blood donation and dispelling common myths and misconceptions.

The voluntary blood donation camp was a resounding success, with the collective effort resulting in a significant contribution to the blood bank. The event not only fulfilled its immediate objective of blood collection but also served as a platform to instill a sense of social responsibility and community service among the students.

In conclusion, the voluntary blood donation camp organized by NSS MSAJCE and Dr. MGR Medical University exemplified the spirit of altruism and solidarity, highlighting the commitment of the student community towards serving society. Through such initiatives, MSAJCE continues to uphold its ethos of social responsibility and humanitarianism, leaving a positive impact on society. Led by Dr. A. Balakrishnan – NSS Programme Officer, Mr. D. Sakthivel-NSS Coordinator, and Mr. R. Yogesh-NSS Secretary, the organizers ensured the smooth execution of the event, with the support of the medical team from Dr. MGR Medical University

REPORT ON FINANCIAL TRAINING PROGRAM

Date: 15.05.2024

The NSS Cell of Mohamed Sathak A.J. College of Engineering collaborated with the National Centre for Financial Education (NCFE) to organize a comprehensive financial training program for the college's non-teaching staff on 13.05.2024. The primary objective of this initiative was to enhance financial literacy among the staff, empowering them with essential skills for better financial management and decision-making. The training took place in the college seminar hall, which was fully equipped to provide a conducive environment for learning.

The program witnessed active participation from around 50 non-teaching staff members, including administrative staff, lab assistants, and maintenance personnel. These participants were eager to improve their understanding of financial concepts and gain practical knowledge that could be applied to their personal and professional lives. The session was led by Mr. S. N. Jayabalan, a highly experienced financial education trainer from NCFE. He brought with him a wealth of knowledge and experience, having conducted numerous workshops on financial literacy across various institutions.

The program began with an introductory address by Dr. A. Balakrishnan, the NSS Program Officer, who emphasized the importance of financial literacy in today's economic environment. This was followed by Mr. Jayabalan's engaging and interactive lectures. He broke down complex financial topics into simple, relatable examples, ensuring that all participants could easily grasp the concepts being taught. The training also included Q&A sessions, where participants had the opportunity to clarify their doubts and gain deeper insights into specific financial matters.

To reinforce the theoretical knowledge, practical exercises were integrated into the training. Participants engaged in activities such as budgeting simulations and financial planning exercises, allowing them to apply what they had learned in a hands-on manner. This practical approach helped to solidify their understanding and build confidence in managing their finances.

The event was successfully organized by Dr. A. Balakrishnan, NSS Program Officer, Mr. D. Sakthivel, NSS Coordinator, and Mr. R. Yogesh, NSS Secretary. Their efforts in planning and executing the training program were highly appreciated by both the participants and the resource person. The program concluded with a vote of thanks by Mr. D. Sakthivel, who expressed gratitude to the speaker for his invaluable contribution and to all participants for their enthusiastic involvement.

Feedback collected from the participants indicated a high level of satisfaction with the training program. Many expressed their appreciation for the practical insights and useful knowledge gained, which they believed would significantly benefit their personal financial management. The successful execution of this program highlighted the commitment of MSAJCE's NSS Cell and NCFE to promoting financial literacy and empowering individuals with the skills necessary for financial well-being.

REPORT ON TOBACCO AWARENESS RALLY

Date: 03.06.2024

In observance of World No Tobacco Day, Mohamed Sathak A.J. College of Engineering and Prajapitha Brahma Kumaris Ishwariya Vishwa Vidyalaya jointly organized a comprehensive tobacco awareness rally across four areas: Shollinganallur, Navalur, Thiruvanmiyur, and Kotturpuram on 31.05.2024. The primary objective of this initiative was to educate the community about the severe health risks associated with tobacco use and to promote a tobacco-free lifestyle.

Nearly 55 students and faculty members from MSAJCE, alongside volunteers from Prajapitha Brahma Kumaris enthusiastically participated in the rally. The combined efforts of these participants were crucial in spreading the message of a tobacco-free life effectively. Each participant carried banners and placards with impactful slogans such as 'Say No to Tobacco', 'Be Smart, Don't Start', and 'Quit Today for a Healthier Tomorrow'. They distributed informative pamphlets that detailed the dangers of tobacco use and provided practical tips for quitting, aiming to reach as many community members as possible.

The event was meticulously organized to maximize outreach and impact. In Shollinganallur, the rally began at 9:00 am from a central community park, passing through major streets and attracting significant attention from local residents and shopkeepers. The presence of students and faculty members marching with determination created a strong visual impact, reinforcing the anti-tobacco message.

In Navalur, the rally started at 10:00 am from the main bus stand, where participants marched through the busy market area. The inclusion of local school children added an extra layer of engagement, as they performed brief street plays highlighting the adverse effects of smoking and the numerous benefits of quitting. This interactive approach not only entertained the public but also effectively conveyed the message.

The Thiruvanmiyur rally team commenced at 11:00 am from the beach road, with a

significant turnout of college students. Moving through residential and commercial areas, participants used loudspeakers to spread awareness, while also engaging in personal interactions with passersby. The involvement of local health officials provided an additional resource, as they offered free counseling and support for those willing to quit tobacco on the spot.

In Kotturpuram, the rally kicked off at 12:00 pm from the metro station. Participants, including members of various community organizations, walked through key localities, distributing anti-tobacco literature and engaging in meaningful discussions with the public about the hazards of tobacco use and the importance of maintaining a smoke-free environment. The diverse participation in this rally helped to reinforce the message across different segments of the community

The rallies in all the four areas were well-received, with many community members expressing their support and appreciation for the initiative. The event successfully raised awareness about the detrimental effects of tobacco and encouraged many individuals to consider quitting. The active involvement of students and faculty from MSAJCE was particularly noteworthy, as their dedication and commitment played a crucial role in the event's success.

This joint effort between MSAJCE and Prajapitha Brahma Kumaris Ishwariya Vishwa Vidyalaya was a significant step towards promoting a healthier, tobacco-free society. The collaboration between the institutions, the enthusiasm of the participants, and the support of the local community were instrumental in making this initiative impactful and memorable. The organizers extend their heartfelt gratitude to all participants, volunteers, and local authorities for their invaluable support and cooperation in achieving the event's objectives. The rallies were organized by the NSS Unit of MSAJCE, by Dr. A. Balakrishnan NSS Programme officer, Mr. Sakthivel, Faculty Coordinator, and other faculty members also helped to conduct the rally in all the places smoothly to exemplify the spirit of community service.

REPORT ON DRAWING COMPETITION

Date: 07.06.2024

On the occasion of World Environment Day, the NSS Cell and Institution's Innovation Council (IIC) of MSAJCE (Mohamed Sathak A.J. College of Engineering) jointly organized a drawing competition. The event was aimed at promoting environmental awareness and encouraging creativity among students. The competition took place on 5th June 2024, in the college auditorium, which was decorated with eco-friendly materials to highlight the importance of environmental conservation.

World Environment Day is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. Every year, the program has provided a theme and forum for businesses, non-government organizations, communities, politicians and stars to advocate environmental causes. This World Environment Day, our public health community gave efforts towards land restoration, halting desertification and building drought resilience not to forget that this is our land, and our future. The theme for the drawing competition was 'Restore Our Earth' focusing on the urgent need to protect and rejuvenate our natural ecosystems.

The competition saw enthusiastic participation from over 100 students across various departments. Students from all academic years were invited to showcase their artistic skills and convey their messages on environmental conservation through their drawings.

Judging Panel: The drawings were evaluated by a panel of judges comprising:

1. Dr. A. Balakrishnan- NSS Programme Officer
2. Mr. D. Sakthivel- NSS Coordinator
3. Ms.S. Usha-AP English

Winners: The competition concluded with the announcement of the winners.

The drawing competition was a resounding success, fulfilling its objective of spreading environmental awareness and fostering a sense of responsibility among students towards nature. The event concluded with a speech by the NSS Coordinator Mr. D. Sakthivel who emphasized the importance of such initiatives in building a sustainable future. Many students took part in the competition enthusiastically and made creative drawing on the given topic.

The activity was held with the aim to explore the creativity and imagination of students. And also to create awareness among the youngsters regarding environmental protection. This competition strived to achieve the core values of quest for excellence, inculcating value system and fostering global competency. The MSAJCE NSS Cell and IIC extend their heartfelt gratitude to all participants, judges, and volunteers for their support and dedication in making this event a memorable and impactful one.

Report on International Yoga Day Celebration

Date:22/06/2024

On July 21, 2024, the NSS unit of Mohamed Sathak A. J. College of Engineering (MSAJCE), in collaboration with Prajapitha Brahma Kumaris, celebrated International Yoga Day with great enthusiasm and dedication. The event took place in the Yoga Hall on the 4th floor of the college building, offering a peaceful and inviting atmosphere for the participants. This celebration aimed to highlight the numerous benefits of yoga and foster an awareness of healthy living among students and faculty members.

The event commenced at 10:00 AM .The hall was beautifully decorated with banners and posters that showcased the theme of International Yoga Day, focusing on "Yoga for Health and Wellness." The NSS volunteers, under the supervision of the NSS Program Officer, Dr. A. Balakrishnan , ensured that all preparations were executed flawlessly, from the arrangement of yoga mats to the setup of audio-visual equipment for presentations and demonstrations.The session began with a warm welcome address by Mr.R.Yogesh NSS Secretary, who elaborated on the significance of yoga in contemporary life and its contribution to mental and physical well-being. He emphasized the necessity of integrating yoga into daily routines to combat stress and maintain a balanced lifestyle. Following his speech, Sister from Prajapitha Brahma Kumaris delivered an enlightening talk on the spiritual dimensions of yoga and its potential to bring inner peace and harmony. Her words had a profound impact on the audience, creating an atmosphere of calmness and reflection.

The highlight of the event was the yoga session conducted by experienced instructors from the Brahma Kumaris. They guided the participants through a variety of asanas (postures) and pranayama (breathing exercises) designed to enhance flexibility, strength, and relaxation. The instructors provided detailed explanations of each posture, ensuring that participants executed them correctly to prevent any injuries. The session was highly engaging, with participants eagerly following the instructions and participating with enthusiasm.In addition to the physical exercises, a meditation session was conducted, focusing on mindfulness and mental clarity. The participants were guided through techniques to calm the mind, reduce anxiety, and improve concentration. The soothing music and gentle instructions created a serene ambiance, allowing everyone to experience a deep sense of relaxation and inner peace. Many participants shared that the meditation session was a transformative experience, helping them connect with their inner selves

To conclude the celebration, a vote of thanks was delivered by Dr. A. Balakrishnan, who expressed his gratitude to the Brahma Kumaris, the college administration, and the NSS volunteers for their
