<b>Write-up on Event</b>	<p>The Pongal celebration-2024 was celebrated on 11th September 2023 in a festive way. Pongal is the harvest festival of Tamil Nadu, celebrated on the first day of Tamil month 'Thai'. A festival to thank God for all his goodness and mercies and to look forward to a prosperous year. It usually falls on the 14th or 15th of January in the English calendar.</p> <p>The Heads, HoDs , faculty and students of all department joined in this symbolic cultural gesture. Students were asked to report by 8:15 a.m. for the first hour of class. The students arrived in traditional dhotis and sarees to mark the occasion. The celebration started around 11:30 a.m. The entrance of the college was decorated with colorful Rangoli. All the faculty members and students gathered to celebrate pongal with their respective departments. It was an ambience filled revelry, music, dance and the joyful faces reverberated with big smiles.</p> <p>Each department staff and student prepared pongal in the college premises Pongal was prepared by the department staff and students. The ceremony was inaugurated by lighting the firewood, by the senior faculty members. As the milk came up to the brim of the pot, boiled water and milk overflowed and the crowd cooed 'pongalo pongal' to express oneness. The soaked rice and dhal was poured into the boiling milk and water. The first handful of rice was added by followed by other professors and students. and the best 'pongali' was awarded with the cash prize by our principal.</p>

## HABIBI 2024

On March 9, 2024, the college's annual day programme (HABIBI-2024) was held in the college auditorium. The principal greeted the distinguished chief guest for the annual day, **Mr N. SureshKumar**, Scientist.-E, Indian National center for ocean information and services (INCOIS) Ministry of Earth science, Govt of India, Hyderabad and Mr.Vaizagh, Music director guests of Honour. In honour of this solemn and significant occasion, Dr K. S. Srinivasan would like to extend a warm welcome to all of the Directors, Hods, faculties, students, and staff. We would like to extend a cordial welcome to everyone at the Mohamed Sathak AJ College of Engineering's annual day function. The event began at precisely 9:30 am in Dasthagir (Auditorium), where our anchoring students began it with thunders of the dignitaries' hearty welcome.

The jurors were in attendance at this event. Qirat came after that. The jurors and other guests of honour were also introduced, and Dr K. S. Srinivasan gave a ceremonial welcoming address before they were officially welcomed into the MSAJCE family. Our principal was honoured to welcome Mr N. SureshKumar, a respected chief guest and also he shared his experience as a scientist. He encouraged learning in his closing remarks and urged students to conduct a self-examination in identifying the root causes of each problem and to solve them by applying the various approaches in their lives to discover and overcome the challenges of everyday life. His presence at this event makes it memorable. The insightful thoughts that our chief guest presented demonstrated. Annual prizes were distributed through honorable judges and the best performances were done in auditorium.

We consider it a tremendous pleasure to be invited to grace this event, and Mr Vaisagh, guest of honour, entertained the students with their own concert. The students were pleased by their performance, which would undoubtedly help them carve out a valuable future.

<b>Details of Participants:  Report:</b>	<p>On April 17, 2024, the campus buzzed with energy as students from diverse academic backgrounds came together to participate in a video presentation event. Representing various departments, these students showcased their creativity and passion as they prepared and delivered insightful presentations. From political science to engineering, each department brought its unique perspective on topics ranging from civic responsibility to electoral processes.</p> <p>Amidst the vibrant atmosphere, approximately 20 members actively engaged in an election awareness competition. Through interactive sessions, informative workshops, and engaging discussions, participants delved deep into the intricacies of democratic processes, gaining a comprehensive understanding of the significance of elections in shaping our society. From understanding voting rights to analyzing political platforms, students emerged from the competition equipped with valuable knowledge and a heightened sense of civic duty.</p> <p>The event not only fostered intellectual growth but also promoted camaraderie and collaboration among students across disciplines. It served as a platform for meaningful exchange of ideas and perspectives, reinforcing the importance of active citizenship and community engagement. As the day drew to a close, participants left inspired and empowered ready to make a positive impact in their communities and contribute to the democratic process.</p>

<b>Details of Participants:</b>	The "Coding Club" competition, organized by MSAJCE, attracted students from various departments who showcased their programming skills and problem-solving abilities.
<b>Report:</b>	<p>The event, titled "Escape Room 2.0," added an exciting twist to the traditional coding competition by simulating an immersive escape room experience within the computer labs.</p> <p>With four rounds conducted in different locations, participants were challenged with a series of coding puzzles and tasks designed to test their technical proficiency and teamwork.</p> <p>Despite the challenging nature of the competition, 125 enthusiastic participants from all departments actively engaged in the coding event, demonstrating their passion for technology and innovation.</p>

As the event concluded, Dr. S. Devikala, the esteemed convener and Head of Student Affairs at MSAJCE, expressed gratitude to all participants, organizers, and supporters for making the event a success.

The competition served as a platform for students to enhance their coding skills, foster collaboration across departments, and celebrate their achievements in the field of computer science and technology.
