## 2. Safety and Security (24\*7)-CCTV Coverage in Campus

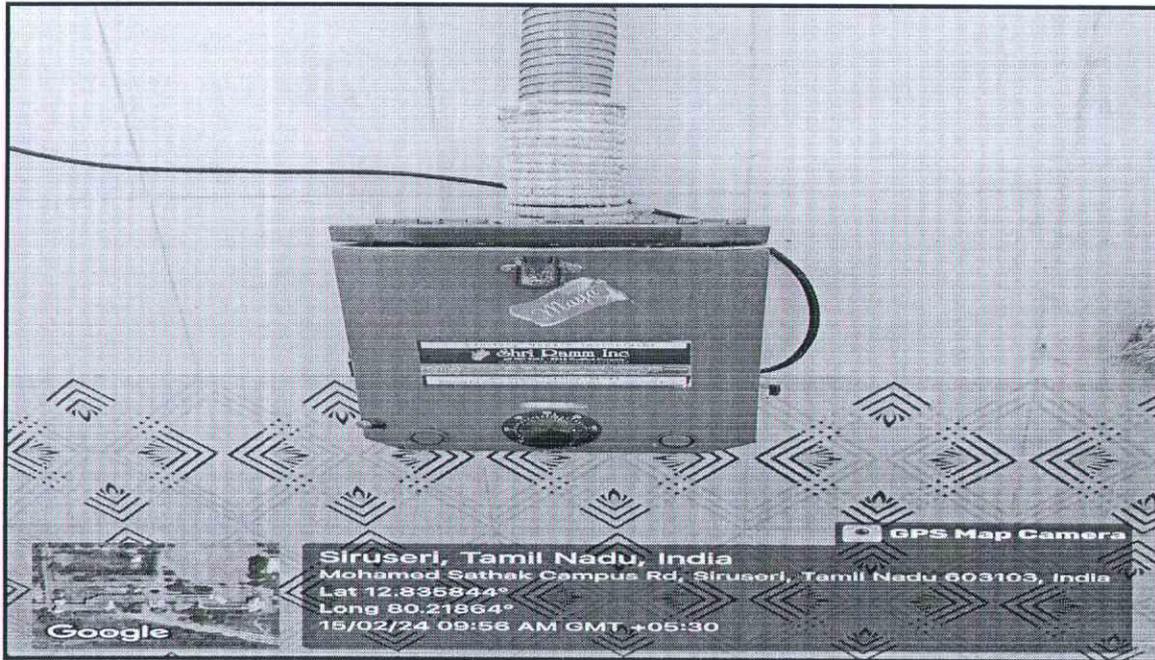

Continuous CCTV surveillance is conducted throughout the college premises. This system plays a crucial role in monitoring and deterring antisocial behavior. Both students and staff are aware of the surveillance, which fosters a culture of vigilance. Furthermore, it contributes to maintaining discipline and instills a sense of security among students and their guardians. Students are required to wear identification cards at all times to verify their identity. The institution is committed to ensuring the well-being of its students in every aspect.

## 7. Girls Common Room

### Girls Relaxation Common Room

There is a need for personal space especially for girls who are young adults. This is very essential for them to interact, discuss with their counterparts and also to take rest if and when needed. Our college has considered the need for this personal space for girls, especially in a co – educational Institution and allotted a separate room for the girls.

The Girls' Common Room is situated on the Third floor. It is a spacious room and comprises of cots with beds for the girls to take rest in case of an emergency. This room forms a safe cocoon for our girls if need be.
