Write-upon Event	<p>On Women's Day celebration, girl students participated in a diverse range of cultural activities, including dance performances such as Bharatanatyam, a classical Indian dance form known for its grace and storytelling elements. Additionally, folk dances from various regions were showcased, celebrating the rich cultural heritage of different communities. These performances not only entertained but also highlighted the importance of preserving and promoting traditional art forms. Furthermore, connection programs were organized, providing opportunities for women to network, share experiences, and forge meaningful connections, fostering solidarity and empowerment within the community. Overall, these cultural activities on Women's Day served to celebrate women's achievements, promote gender equality, and strengthen bonds among participants.</p> <p>Mrs. S. Sudha, the convenor of the Women Empowerment Cell, made a grand opening video dedication to all the women in our campus for the program. Upon giving presents, the teaching and non-teaching staff members watched a video congratulating all of our female heads.</p> <p>Then memorable gifts were given to both teaching and non-teaching faculty members as a gesture of appreciation and recognition for their hard work and dedication.</p> <p>These gifts may have included thoughtful memories , aimed at expressing gratitude for their contributions to the institution and their support in nurturing the growth and development of</p>

students and colleagues alike. Such gestures help foster a positive and supportive work environment, boosting morale and strengthening relationships within the educational community.

SHEROES-24 Womens day Celebration with Men Faculty Members

The success of every woman should be the inspiration to another. Women should raise each other up and make sure to be courageous, be strong, be extremely kind, and above all be humble. International Women's Day is not only an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide.

SHEROES-24 Womens day Celebration with Men Faculty Members

The day gives a valuable opportunity to celebrate the achievements of women, to examine the gender gaps in our community. This year the Women Empowerment cell convener Mrs. S. Sudha and coordinators planned to celebrate the women's day with male faculty members also. Men need to realize the roles of women in the community, their positive decisions and actions, either will take further towards or away from a gender equal society. It should be a moment each year to reflect on how they have treated the people in their life, of both sexes.

On the special day by representing all the women of the college, women empowerment cell appreciated all the male faculty members with the 'Thank you' badges and shared the sweets to everyone. Men have the responsibility to talk to each other about feminism and to reflect, to understand its principles and to learn collectively. This day offered a platform for men to come to feminism. It's important that during these events, men advocate for a better world, where the patriarchy is replaced with something truly equal and liberating for all.

Report on International Yoga Day

Date:26.06.2023

Our NSS unit with Prajapita Brahma Kumaris conducted Yoga session on 21.06.2023 for all the students to commemorate the International Yoga Day. International Yoga Day is observed every year on 21st June in order to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world.

Yoga Day is celebrated among the youngsters to make them understand the importance of Yoga in their life. It helps the students understand how to maintain harmony between body and mind. Yoga is a physical, mental and spiritual practice. It plays an important role in relaxing the mind and body and boosting people's immune system.

Prajapita Brahma Kumaris sisters explained the importance of Yoga in the life of youngsters. She explained that regular practice of Yoga will help the students achieve better mental and physical health. She started Yoga demonstrations with the Yoga prayer. After which a few warm up and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by another sister of Prajapita Brahma Kuma. The different asanas that were performed by the students are Padmasana or Lotus Position Pose, Parshvottanasana or Intense Side Stretch Pose, Tadasana or Mountain Pose, Vrikshasana or Tree Pose, Surya Namaskar or SunSalutation Pose, Sarvangasana or Shoulder Stand Pose.

The session was concluded with some breathing techniques and the students were encouraged to practice regular yoga to remain fit as they showcased a very energetic and spirited performance. The Yoga session was organised by Ms.Usha, Mr.Steephen raj and Mr. Simon Jeyasundar NSS Program Coordinators. Mr.Yogesh of B.Tech Information Technology First year coordinated the master of ceremony and delivered vote of thanks to conclude the session in a pleasing manner.

REPORT ON DRAWING COMPETITION

Date: 07.06.2024

On the occasion of World Environment Day, the NSS Cell and Institution's Innovation Council (IIC) of MSAJCE (Mohamed Sathak A.J. College of Engineering) jointly organized a drawing competition. The event was aimed at promoting environmental awareness and encouraging creativity among students. The competition took place on 5th June 2024, in the college auditorium, which was decorated with eco-friendly materials to highlight the importance of environmental conservation.

World Environment Day is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. Every year, the program has provided a theme and forum for businesses, non-government organizations, communities, politicians and stars to advocate environmental causes. This World Environment Day, our public health community gave efforts towards land restoration, halting desertification and building drought resilience not to forget that this is our land, and our future. The theme for the drawing competition was 'Restore Our Earth' focusing on the urgent need to protect and rejuvenate our natural ecosystems.

The competition saw enthusiastic participation from over 100 students across various departments. Students from all academic years were invited to showcase their artistic skills and convey their messages on environmental conservation through their drawings.

Judging Panel: The drawings were evaluated by a panel of judges comprising:

1. Dr. A. Balakrishnan- NSS Programme Officer
2. Mr. D. Sakthivel- NSS Coordinator
3. Ms.S. Usha-AP English

The drawing competition was a resounding success, fulfilling its objective of spreading environmental awareness and fostering a sense of responsibility among students towards nature. The event concluded with a speech by the NSS Coordinator Mr. D. Sakthivel who emphasized the importance of such initiatives in building a sustainable future. Many students took part in the competition enthusiastically and made creative drawing on the given topic.

The activity was held with the aim to explore the creativity and imagination of students. And also to create awareness among the youngsters regarding environmental protection. This competition strived to achieve the core values of quest for excellence, inculcating value system and fostering global competency. The MSAJCE NSS Cell and IIC extend their heartfelt gratitude to all participants, judges, and volunteers for their support and dedication in making this event a memorable and impactful one.

Write-up on Event	<p>The Pongal celebration-2024 was celebrated on 11TH Jan 2024 in a festive way. Pongal is the harvest festival of Tamil Nadu, celebrated on the first day of Tamil month 'Thai'. A festival to thank God for all his goodness and mercies and to look forward to a prosperous year. It usually falls on the 14th or 15th of January in the English calendar.</p> <p>The Heads, HoDs , faculty and students of all department joined in this symbolic cultural gesture. Students were asked to report by 8:15 a.m. for the first hour of class. The students arrived in traditional dhotis and sarees to mark the occasion. The celebration started around 11:30 a.m. The entrance of the college was decorated with colorful Rangoli. All the faculty members and students gathered to celebrate pongal with their respective departments. It was an ambience filled revelry, music, dance and the joyful faces reverberated with big smiles.</p> <p>Each department staff and student prepared pongal in the college premises Pongal was prepared by the department staff and students. The ceremony was inaugurated by lighting the firewood, by the senior faculty members. As the milk came up to the brim of the pot, boiled water and milk overflowed and the crowd cooed 'pongalo pongal' to express oneness. The soaked rice and dhal was poured into the boiling milk and water. The first handful of rice was added by followed by other professors and students. and the best 'pongol' was awarded with the cash prize by our principal.</p>

REPORT ON TOBACCO AWARENESS RALLY

Date: 03.06.2024

In observance of World No Tobacco Day, Mohamed Sathak A.J. College of Engineering and Prajapitha Brahma Kumaris Ishwariya Vishwa Vidyalaya jointly organized a comprehensive tobacco awareness rally across four areas: Shollinganallur, Navalur, Thiruvanmiyur, and Kotturpuram on 31.05.2024. The primary objective of this initiative was to educate the community about the severe health risks associated with tobacco use and to promote a tobacco-free lifestyle.

Nearly 55 students and faculty members from MSAJCE, alongside volunteers from Prajapitha Brahma Kumaris enthusiastically participated in the rally. The combined efforts of these participants were crucial in spreading the message of a tobacco-free life effectively. Each participant carried banners and placards with impactful slogans such as 'Say No to Tobacco', 'Be Smart, Don't Start', and 'Quit Today for a Healthier Tomorrow'. They distributed informative pamphlets that detailed the dangers of tobacco use and provided practical tips for quitting, aiming to reach as many community members as possible.

The event was meticulously organized to maximize outreach and impact. In Shollinganallur, the rally began at 9:00 am from a central community park, passing through major streets and attracting significant attention from local residents and shopkeepers. The presence of students and faculty members marching with determination created a strong visual impact, reinforcing the anti-tobacco message.

In Navalur, the rally started at 10:00 am from the main bus stand, where participants marched through the busy market area. The inclusion of local school children added an extra layer of engagement, as they performed brief street plays highlighting the adverse effects of smoking and the numerous benefits of quitting. This interactive approach not only entertained the public but also effectively conveyed the message.

The Thiruvanmiyur rally team commenced at 11:00 am from the beach road, with a

significant turnout of college students. Moving through residential and commercial areas, participants used loudspeakers to spread awareness, while also engaging in personal interactions with passersby. The involvement of local health officials provided an additional resource, as they offered free counseling and support for those willing to quit tobacco on the spot.

In Kotturpuram, the rally kicked off at 12:00 pm from the metro station. Participants, including members of various community organizations, walked through key localities, distributing anti-tobacco literature and engaging in meaningful discussions with the public about the hazards of tobacco use and the importance of maintaining a smoke-free environment. The diverse participation in this rally helped to reinforce the message across different segments of the community

The rallies in all the four areas were well-received, with many community members expressing their support and appreciation for the initiative. The event successfully raised awareness about the detrimental effects of tobacco and encouraged many individuals to consider quitting. The active involvement of students and faculty from MSAJCE was particularly noteworthy, as their dedication and commitment played a crucial role in the event's success.

This joint effort between MSAJCE and Prajapitha Brahma Kumaris Ishwariya Vishwa Vidyalaya was a significant step towards promoting a healthier, tobacco-free society. The collaboration between the institutions, the enthusiasm of the participants, and the support of the local community were instrumental in making this initiative impactful and memorable. The organizers extend their heartfelt gratitude to all participants, volunteers, and local authorities for their invaluable support and cooperation in achieving the event's objectives. The rallies were organized by the NSS Unit of MSAJCE, by Dr. A. Balakrishnan NSS Programme officer, Mr. Sakthivel, Faculty Coordinator, and other faculty members also helped to conduct the rally in all the places smoothly to exemplify the spirit of community service.
