<b>Write-up on Event</b>	<p>The Pongal celebration-2024 was celebrated on 11<sup>TH</sup> Jan 2024 in a festive way. Pongal is the harvest festival of Tamil Nadu, celebrated on the first day of Tamil month 'Thai'. A festival to thank God for all his goodness and mercies and to look forward to a prosperous year. It usually falls on the 14th or 15th of January in the English calendar.</p> <p>The Heads, HoDs , faculty and students of all department joined in this symbolic cultural gesture. Students were asked to report by 8:15 a.m. for the first hour of class. The students arrived in traditional dhotis and sarees to mark the occasion. The celebration started around 11:30 a.m. The entrance of the college was decorated with colorful Rangoli. All the faculty members and students gathered to celebrate pongal with their respective departments. It was an ambience filled revelry, music, dance and the joyful faces reverberated with big smiles.</p> <p>Each department staff and student prepared pongal in the college premises Pongal was prepared by the department staff and students. The ceremony was inaugurated by lighting the firewood, by the senior faculty members. As the milk came up to the brim of the pot, boiled water and milk overflowed and the crowd cooed 'pongalo pongal' to express oneness. The soaked rice and dhal was poured into the boiling milk and water. The first handful of rice was added by followed by other professors and students. and the best 'pongol' was awarded with the cash prize by our principal.</p>

## SHEROES-24 Womens day Celebration with Men Faculty Members

The success of every woman should be the inspiration to another. Women should raise each other up and make sure to be courageous, be strong, be extremely kind, and above all be humble. International Women's Day is not only an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide.

## SHEROES-24 Womens day Celebration with Men Faculty Members

The day gives a valuable opportunity to celebrate the achievements of women, to examine the gender gaps in our community. This year the Women Empowerment cell convener Mrs. S. Sudha and coordinators planned to celebrate the women's day with male faculty members also. Men need to realize the roles of women in the community, their positive decisions and actions, either will take further towards or away from a gender equal society. It should be a moment each year to reflect on how they have treated the people in their life, of both sexes.

On the special day by representing all the women of the college, women empowerment cell appreciated all the male faculty members with the 'Thank you' badges and shared the sweets to everyone. Men have the responsibility to talk to each other about feminism and to reflect, to understand its principles and to learn collectively. This day offered a platform for men to come to feminism. It's important that during these events, men advocate for a better world, where the patriarchy is replaced with something truly equal and liberating for all.
