

International Conference on Innovation in Mechanical Engineering and Building Science

ICIMEBS - 2024

23,24th May 2024
Chennai, Tamil Nadu, India

About The Conference

An International Conference on Innovation In Mechanical Engineering And Building Science aims at bringing together researchers, scientists, engineers, research scholars and industrial participants around the world to a common platform to share their experiences, new ideas, and research findings on all aspects of Civil Engineering and Mechanical Engineering. The researchers will present the state of the art of expansion and technical explanation covering a wide range of engineering subjects and sharing on advances in Design, Materials, Thermal, Energy and Building sciences towards distinguished academicians, practitioners and researchers from academia and Industry.

About The Institution

The Mohamed Sathak A.J. College of Engineering (MSAJCE), established on 5th July 2001 under the aegis of Mohamed Sathak Trust, is approved by AICTE New Delhi, affiliated to Anna University Chennai and Government of Tamil Nadu. MSAJCE Strives to continuously upgrade its facilities to provide quality technical education to meet the industrial and societal needs, by providing skill based training with the state of art facilities. The college campus, sprawling over 70 acres of greenery located inside the SIPCOT IT Park, Siruseri is surrounded by multinational IT companies such as TCS, CTS, Intellect, Aspire, Steria, Polaris, FSS, etc. MSAJCE has good infrastructure facilities such as spacious classrooms, drawing halls, laboratories, seminar halls, computer facilities with internet and wifi connectivity, library, workshops, auditorium and playground. The college is well connected by Road, Rail and Air from various parts of the country. A team of well qualified and experienced faculty supports the teaching and learning process. The college provides equal importance for academic, co curricular and extracurricular activities. MSAJCE provides all kinds of training for the professional and overall transformation of the students.

Call for Papers

Prospective authors are encouraged to submit high quality original, previously unpublished, theoretical or theoretical research papers for presentation at the Conference. Articles submitted for the conference should meet these criteria and be in the format strictly as per the Paper Template of IEEE. The papers should be drafted in English with a maximum of twelve (12) pages including figures, tables and references. The paper will be peer reviewed by domain experts of the respective tracks by the Technical Program Committee. Authors should submit the papers through the mail id (icimebs@msajce-edu.in). Kindly do not submit the paper multiple times; it may lead to cancellation of your paper.

Conference Tracks

Concrete Structures	Alternative fuels
Steel Structures	Additive Materials Biomaterials
Earth Quake Engineering	Smart Materials
Structural Dynamics	Nuclear Materials
Structural Fire Engineering	Composite Materials Polymers
AI & ML in Structural Engineering	Biopolymers Computation
Pre-Cast Concession.	Theory Structural Materials
Offshore Structures.	Heat Transfer
Remote sensing and GIS	Smart Materials
Blast and Impact	Renewable Energy
Structural Health Monitoring	Waste Plastics Management
Special Structures	Drone Design
New Material for Construction	Thermal Storage
Environmental Engineering	Fuel Cells
Bridge Engineering	Nano materials
Underground Structures	Robotics
