EVENT REPORT:

The NSS unit of the college in collaboration with Right Hospital, Kilpauk organized a medical camp at Thazhambur village on 17.02.2017. Free medical camps are organized especially for the deprived population who have no access to basic health care or knowledge about the diseases they are suffering from. The main objective of the camp is to provide free medical advice and medicine to such people. Also such camps help the people get specialized treatment if required. Since the camp tries to reach the under privileged the people of Thalambur village showed their interest in getting free medical advice. Some were identified with certain illness and suggested for further treatment. 3 doctors and 2 Nurses took part in this event. People checked their blood pressure and their normal health condition. Doctors given some vitamin tablets for some anemic patients.

The PRO of Right Hospital, Kilpauk Mr. Paramasivam headed the team. With him other doctors and supporting faculty joined the camp. 56 Student volunteers of college NSS team supported the hospital staff in organization of the camp.

EVENT REPORT:

A Village cleaning programme was conducted by NSS unit of MSAJCE on 17th September, 2016 at Siruseri village. The main objective of the cleanliness drive is to create awareness among the village people.

Totally 148 NSS volunteers participated in the village cleaning programme. NSS Programme Coordinator initiated cleaning activities among volunteers. Ingrained with the pure spirit of the Swachh Bharat, faculty members motivate the volunteers to keep up the efforts of a clean environment on a personal level. With the motto of "Swachh Bharat", all volunteers pick plastic and waste papers from the college campus and dump them in the garbage bags. The waste was separated as degradable & non-degradable. The plastic waste was separately gathered and treated carefully and harmlessly. Our NSS students cleaned streets, temple and lake areas. Village public and president of the village appreciated the students work.

EVENT REPORT:

The Terry Fox Run is an annual non-competitive charity event held over 600 cities in 53 countries to raise money exclusively for cancer research. Every year they conducted this event in Anna University, Chennai in Tamilnadu. Here, Rotary club of Madras East joined together to conduct this event in every year.

In this event, our college Rotaract and NSS volunteers participated on 17.10.2016 and they run 5km in Anna University, Chennai play ground. The main objective of the event is creating awareness about the cancer among students and public. The president and secretary of Rotary Club of Madras East inaugurated the run and motivated the students to involve such events.

Every year the number of cancer patients counting has been increased due to various reason. This is the time educate the students to aware of the cancer and share the information to the public and their relatives is more importance. This is our theme too to participated in this event.

All the necessary arrangement made by the Rotaract club of MSAJCE under the guidance of Rotary club of Madras East. This event has been held at Anna University Chennai Play Ground.

In this event 121 students from NSS and Rotaract club of MSAJCE were actively participated. Through this event General public were given awareness on cancer and its effects on human life.

EVENT REPORT:

Blood is an essential one to help patients survive from surgeries, cancer, chronic illness etc. This life saving care starts with one person by making a generous donation. It is a sign of humanity uniting people of different religion, caste and creed. Through blood donation the wounded body is revitalized and many lives are saved. Blood donation is all about gifting life to other people. The donation is a pain free process and helps both the donor and the receiver with compatibility.

The MSAJCE NSS unit collaborated with Right Hospital, Keelpauk organized BLOOD DONATION camp in the college premises on 18.10.2016. Student volunteers donated blood 124 units of blood. The donors were provided with refreshment, Certificate and proper rest to recover. During the camp the doctors monitored the donors and made them feel comfortable. During the camp students also identified their blood group. The camp came to a close with a positive note. Totally 124 students were actively participated in this Blood Donation camp. Students also realized the significance of blood donation and their responsibility towards saving human lives. Through this program, the general public who wants blood in their critical situation got benefitted.
