ABOUT MOHAMED SATHAK AJ COLLEGE OF ENGINEERING

The Mohamed Sathak A.J. College of Engineering (MSAJCE) was established on 5th July 2001 under the aegis of Mohamed Sathak Trust has 35 years of excellence presence in education sector offering Technical, Arts and Science, Medical and Management Education. The MSAJCE was established with an objective of imparting quality education, developing ethical values and personality traits thereby molding the budding engineers into dynamic and deployable engineers. The College was approved by AICTE New Delhi, affiliated to Anna University Chennai and Government of TamilNadu. MSAJCE Strives to continuously upgrade its facilities to provide quality technical education to meet the industrial and societal needs, by providing skill based training with the state of art facilities.

The college campus, sprawling over 70 acres of greenery located inside the SIPCOT IT Park, Siruseri is surrounded by multinational IT companies such as TCS, CTS, Intellect, Aspire, Steria, Polaris, etc. MSAJCE has good infrastructure facilities such as spacious classrooms, drawing halls, laboratories, seminar halls, computer facilities with internet and wifi connectivity, library, workshops, auditorium and playground. The college is well Connected by Road, Rail and Air from various parts of the country. A team of well qualified and experienced faculty supports the teaching and learning process. The college provides equal importance for academic, co-curricular and extracurricular activities. MSAJCE provides all kinds of training for the professional and overall transformation of the students.

EVENT REPORT

Department of Chemistry, Mohamed Sathak AJ College of Engineering, Chennai organized a 3days Faculty Development Programme on **"Green Chemistry towards Sustainable Development"** in a grand manner.

The FDP started with 66 participants from different institutions on 27.05.2020 at 10.30 am with welcome address and introduction of chief guest by Dr.A.Balakrishnan, Asso.Prof, Department of Chemistry MSAJCE.

The first day 27.05.2020 (Wednesday) session was handled by the guest speaker Dr.G.Gnanakumar, Professor & Head, Department of Physical Chemistry, School of Chemistry, Madurai Kamaraj University, Madurai. The speaker elaborated in detail about, ***Development of 3D Nanoarchitectures for High Performance and Durable Fuel Cells.***. During the session he explained various suitable examples to make the participants understand clearly. In the discussion time with the participants, he answered all the questions patiently up to the participants' satisfaction.

The second day 28.05.2020 (Thursday) session was handled by the guest speaker Dr.P.Shanmugam, Sr. Principal Scientist, Organic & Bio-organic Chemistry, CSIR-Central Leather Research Institute. He explained in detail about ***Green Chemistry for Organic for Organic Synthesis***. During the discussion session, he meticulously elaborated in detail for the participants' questions.

The third day 29.05.2020 (Friday) session was handled by the guest speaker Dr.P.Elumalai, Professor & Head, Centre for Green Energy Technology, Pondicherry University. The speaker elaborated in detail about, ***Sustainably – derived Electrode Materials for Battery, Super capacitor and Supercapaterry.***. During the session he explained various types of fuel cells and its advantages clearly. In the discussion time with the participants, he answered all the questions patiently up to the participants' satisfaction.

Dr.A.Balakrishnan, Associate Professor / Chemistry & Convenor of this FDP proposed the vote of thanks to the chief guest, guest of honor.
