**Feedback from
the participants**

- ✓ This Training program was great and most effective
- ✓ This session is very important and informative session.
- ✓ It was well organized and conducted thanks to Department of Mechanical Engineering,
MOHAMED SATHAK AJ COLLEGE OF ENGINEERING
- ✓ Mr.G.Ramesh Presentation was Most Effective
- ✓ Thankyou Sir
- ✓ Very Nice session
- ✓ Well did

ABOUT MOHAMED SATHAK AJ COLLEGE OF ENGINEERING

The Mohamed Sathak A.J. College of Engineering (MSAJCE) was established on 5th July 2001 under the aegis of Mohamed Sathak Trust has 35 years of excellence presence in education sector offering Technical, Arts and Science, Medical and Management Education. The Msajce was established with an objective of imparting quality education, developing ethical values and personality traits thereby molding the budding engineers into dynamic and deployable engineers. The College was approved by AICTE New Delhi, affiliated to Anna University Chennai and Government of TamilNadu. MSAJCE Strives to continuously upgrade its facilities to provide quality technical education to meet the industrial and societal needs, by providing skill based training with the state of art facilities.

The college campus, sprawling over 70 acres of greenery located inside the SIPCOT IT Park, Siruseri is surrounded by multinational IT companies such as TCS, Intellect, Aspire, Steria, Polaris, etc. MSAJCE has good infrastructure facilities such as spacious classrooms, drawing halls, laboratories, seminar halls, computer facilities with internet and wifi connectivity, library, workshops, auditorium and playground. The college is well

Connected by Road, Rail and Air from various parts of the country. A team of well qualified and experienced faculty supports the teaching and learning process. The college provides equal importance for academic, co-curricular and extracurricular activities. MSAJCE provides all kinds of training for the professional and overall transformation of the students.

ELIGIBILITY AND SELECTION

Students of Fourth year and Faculties of Civil and Agriculture Department are eligible to participate in the programme.

The total number of participants is restricted to 40 and selection will be based on first come first served basis.

<p>Photographs</p>			
	<p>Dr. R.Selvamani presented about applicable mathematics tool in science and technology. He also explained about the importance of mathematics with biology machine learning as well how mathematics is important in real day today life.</p>	<p>Dr. T.Gunasekar presented about Introduction about MATLAB and problem solving techniques using MATLAB. He briefly explained about how to find eigen values eigen vector, trace of the matrix, how to draw and colour the graph. He explained how to solve Both PDE & ODE using MATLAB. Finally he explained about how to find laplace and inverse laplace transform and clearly explained about jacobian method and taylor series method.</p>	<p>Dr.J.Veninstine Vivik presented about the topic of Graph theory models and applications. Initially he explained about the basic of graph theory and definitions of tree and spanning tree kruskal algorithm also explained about the current applications of graph theory with covid and it's related updated infects using graph theory</p>
<p>Photographs</p>			
	<p>Dr.J.Senbagamalar presented about chemical graph and its operations and applications and how winer index derived from degree sequence of the graph, laplacian matrix of a graph, winer index for complement of graph. Finally explained about wiener index and Zagreb index with HIV integrase inhibitory term and.also gave brief explanation about master index theorem</p>	<p>Dr.Krishnamoorthy started his presentation about introudction to fuzzy set, and applications of and variation about and its applications. Then gave the brief introduction about Intutionistic fuzzy sets and its operations like union, intersection, sum and its product. Maximum Minimum operations about intutionistic fuzzy sets. Finally explain about real time application problem under intutionistic fuzzy set.</p>	<p>Dr.Sathiyaraj presented about introduction to delay differential equation and operations of that and its applications. Finally explained about the qualitative behaviours and their operations also about mittag leffler function.</p> <p style="text-align: right;">  PRINCIPAL MOHAMED SATHAK A.J.COLLEGE OF ENGINEERING 36, Rajiv Gandhi Road (OMR), Siruseri, IT Park Chennai-603 103.
