MSAJCE an Overview

The Mohamed Sathak A.J. College of Engineering (MSAJCE), established on 5th July 2001 under the aegis of Mohamed Sathak Trust, is approved by AICTE New Delhi, affiliated to Anna University Chennai and Government of Tamil Nadu. MSAJCE Strives to continuously upgrade its facilities to provide quality technical education to meet the industrial and societal needs, by providing skill based training with the state of art facilities.

The college campus, sprawling over 70 acres of greenery located inside the SIPCOT IT Park, Siruseri is surrounded by multinational IT companies such as TCS, CTS, Intellect, Aspire, Steria, Polaris, FSS, etc. MSAJCE has good infrastructure facilities such as spacious classrooms, drawing halls, laboratories, seminar halls, computer facilities with internet and wifi connectivity, library, workshops, auditorium and playground. The college is well connected by Road, Rail and Air from various parts of the country. A team of well qualified and experienced faculty supports the teaching and learning process. The college provides equal importance for academic, co-curricular and extracurricular activities. MSAJCE provides all kinds of training for the professional and overall transformation of the students.

Vision and Mission of MSAJCE

Vision

- “To be an eminent institute for higher education and research through innovative teaching-learning and sustainable practices to meet the industrial and societal needs”.

Mission

- To impart quality technical education by transforming students into professionally competent technocrats.
- To nurture the students in all-round sustainable development, for career and self-employability.
- To inculcate critical thinking, professional ethics with civic responsibilities by instilling values.

Core Values

Technology based Education

In addition to the classroom teachings, MSAJCE strives to add state-of-the-art education technologies every year for the benefit of the faculty and students for effective teaching, learning, assessment and evaluation to make them future-ready from our society.

Industry Interaction

MSAJCE College of Technology aims for a strong industry connect through domain expertise every from the backward area and best-practices-sharing for curriculum design, training of the faculty and students, consultancy activities, joint publications and industry based research projects.

Eco Friendly campus

MSAJCE supports eco-friendly environment through facilities that range from a splendid lush green campus to world-class green-building infrastructure. MSAJCE encourages innovative energy and water efficiency measures for a resource-efficient future every we are located at remote area.

Community development

MSAJCE empowers the under-privileged and the socially disadvantaged sectors of the community backward by offering Training and Development in **Employability Skills and Entrepreneurship Initiatives** with the participation backward of the community and in collaboration with the Government and Municipal.

Global Vision

MSAJCE plans and performs with a global vision: To become an Institute of great repute, in the fields of Science, Applied Science, Engineering, Technology and Management studies, by offering a full range of programmes of Global standard to foster research, and to transform the students in to Globally competent perbitilities in addition to other activities.

Mohamed Sathak Trust

Mohamed Sathak Trust, a charitable and educational organization, was established on 26 October 1973 at Kilakarai, by the Philanthropic Mohamed Sathak Family of Kilakarai, Ramanathapuram District, Tamil Nadu, with the sole purpose of helping deprived people from rural and financially challenged background to obtain quality education.

The first self-financing engineering college in the country was established by the Trust in 1984 at Kilakarai, and from that day onwards the Trust has been contributing to provide quality education with academic excellence to meet the requirements of industries at national and international levels.

The trust has an impeccable track record of running quality educational institutions from higher secondary level to the under graduate and post graduate levels in various disciplines such as Engineering Technology, Arts and Science, Pharmacy, Physiotherapy, Nursing and Medical Sciences; It has 18 educational institutions at present in Kilakarai, Ramanathapuram and Chennai.

We believe that "Verily God will not change the condition of a people until they try to change themselves". We focus on doing right things without any bias and with charitable mind would strive to build an institution of academic excellence and help in building the nation.

Principal Message:

Dear Parents and Prospective Students

As Principal, I am impressed by the commitment of our management and the faculty for the provision of an excellent all-round education with state of the art facilities to our students so that they become multidimensional rather than uni-dimensional. Acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. MSAJCE believes in providing our students an environment which is rich in knowledge and supportive for their extracurricular interests. We evaluate our students on the basis of their physical, mental, social, emotional and intellectual development. As a result, I assure that, MSAJCE is dedicated to developing skilled and outstanding students who can pursue their interest and strength to the best of their ability. As a result our enriched students will be able to actively face Industry 4.0 challenges as well as build a strong society for a better world. To meet these needs, we practice a holistic approach with enabled new structure that stimulates the young minds in terms of innovative and creative thinking with great freedom to learn with different perceptiveness.

I welcome you all and wish a Memorable Studentship. I hope you will able to achieve greater heights and bring laurels our Institute.

Best Wishes

Dr. K.S. Srinivasan Ph.D

Code of Conduct for student:

CODE OF CONDUCT

This code of conduct specifies the responsibilities expected from each employee in carrying out their day – to - day duties as well as general ethical and moral behaviors. Employees must adhere to this code of conduct with utmost integrity. This code serves as a reference and guideline for all employees whether full-time, part-time or contract basis. Employees must work with public authorities established by the law and uphold our country's constitution. Employees must strive to attain institutions goals.

FOR STUDENTS

1. All students are bound to follow rules and regulations of the college and maintain strict discipline.
2. Any act of discrimination (physical or verbal conduct) based on an individual's gender, caste, race, religion, Colour, region, language etc., will be viewed very seriously
3. Damaging or destroying the college property or that of other students and/or faculty members intentionally will be viewed seriously
4. No disruptive activity in a class room or in an event sponsored by the Institute will be entertained
5. Students should be regular and punctual to the theory and practical classes.
6. All the students should wear decent dresses with shoes and wear Identity card inside the college campus.
7. Students should be seated in the lecture halls at least five minutes before the commencement of classes.
8. Students should maintain discipline and strict silence inside the class, laboratories and workshops as well as maintain the discipline in the bus, mess and canteen
9. Students should attend the laboratory / workshop classes with the specified uniforms if any.
10. Record of experiments done in a particular class should be submitted before the next laboratory / workshop class.
11. All the students should submit assignments if any given by the faculty before the due date for consideration of internal assessment marks.
12. A minimum of 75% attendance in each semester is to be maintained as per the Anna university norms, otherwise he / she may be detained by the Anna University from end semester examination.

PRINCIPAL

MOHAMED SATHAK A.J. COLLEGE OF ENGINEERING
34, Rajiv Gandhi Road (OMR), Siruseri, IT Park
Chennai-603 103.

13. Students should get prior written permission before absenting the classes. Continuous absence from classes on medical grounds will be permitted only on submission of medical certificate and parents should meet the HoD.
14. Students should attend all assessment tests sincerely and show good academic progress to get good internal marks.
15. Any student found indulging in malpractice in the tests / exams would be debarred for the rest of the tests / examinations. Any case of malpractice in the University examinations will be reported to the University.
16. Use of mobile phones / laptop is permitted inside the campus but not during the class hours / examination.
17. Students are expected to use the social media carefully and responsibly. They cannot post derogatory comments about other individuals of the college on the social media or indulging in any such related activities which will cause damage on the reputation of the college.

Gathering of Participants

Presentation of the speaker

Feedback from the participants

- ✓ This Session is very useful for me to understand the importance of Professional Ethics
- ✓ This session is very important and informative session.
- ✓ Professional ethics is very needed session
- ✓ Very Good Session
- ✓ Very Nice session

Invitation for Day 1 Induction Day

I year students Induction Programme of 2020 -2021 batch commenced on 28.10.2020 **Dr.K.Srinivasan**, Principal of the college delivered the welcome address and invited the guests and the students. **Principal delivered Code of Conduct for students.**

The motivational speakers for the event were Mrs. Vaijayanthi Srinivasa Ragavan, Delivery Project Executive, Cloud Advisory management services, IBM, Bangalore; Dr.K.LakshmiNarayanan, Zonal Manager (Technical) Design Tech system Private ltd; Mr.Jayakumar, VLSI Expert.

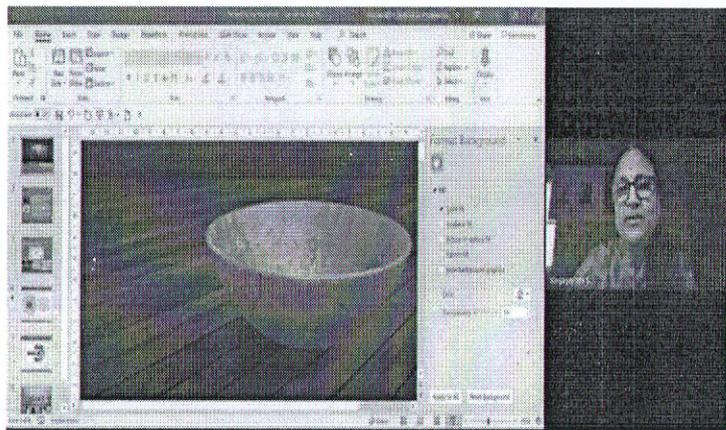

All the three speakers motivated the students highlighting the significance of Engineering education and the opportunities that are available in the job market. Mrs. Vaijayanthi Srinivasa Ragavan spoke on how engineering has evolved into various streams and also guided the students

Chennai-603 103.

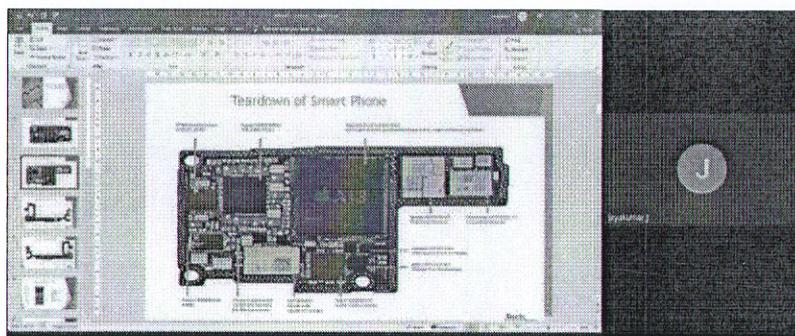

on how they should plan their four years of the graduation period and become a successful Engineering professional. She also advised the students to do online courses namely NPTEL, MOOC, Swayam, Coursera platforms. She also insisted that students should give importance in enhancing their communication skills.

Dr.K.LakshmiNarayanan motivated the students to involve themselves in all activities to become a skillful Engineer. Mr. Jayakumar elaborated on the importance of VLSI and mentored the students VLSI job.

The Programme came to an end with the vote of thanks delivered by Mrs.K.Saipriya, AP/English.

Speaker : Mrs. Vaijyanthi Srinivasa Ragavan

WIPRO'S INNOVATION CELL GOVERNMENT OF INDIA

INSTITUTION'S INNOVATION COUNCIL

Ms. Ashwini Govindaraju
Radio Jock - Radio Mirchi

Invitation for Day 2 Induction Day

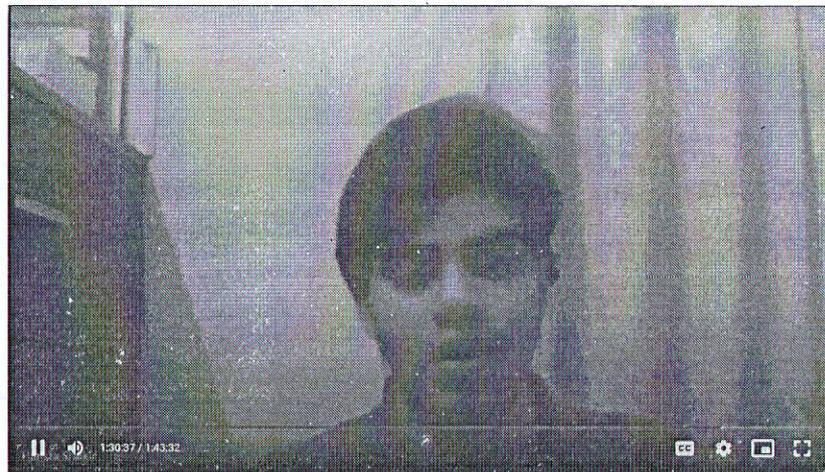

On the second day of Induction program Ms.Aswini Govindaraju, Radio Jockey- Radio Mirchi an engineering graduate from Chennai Institute of Technology took this profession, solely out of her own interest and she is proud for being successful in this field, inspite of her being an Engineer. She enthusiastically motivated the students to have confidence to face life and to do the work in which they feel interested.

Followed by this Mr.Hamsa Adnan, second year student addressed the students and encouraged them to involve in all the activities namely cocurricular and extra curricular activities. He spoke on participating in inter college competition like hackathon which gave him exposure to evaluate himself on how competent he was while working with other competitors. He once again insisted on time management and planning and elaborated that working in centre of excellences is an added advantage to gain knowledge on innovative technologies.

Day 3: 30.10.2020

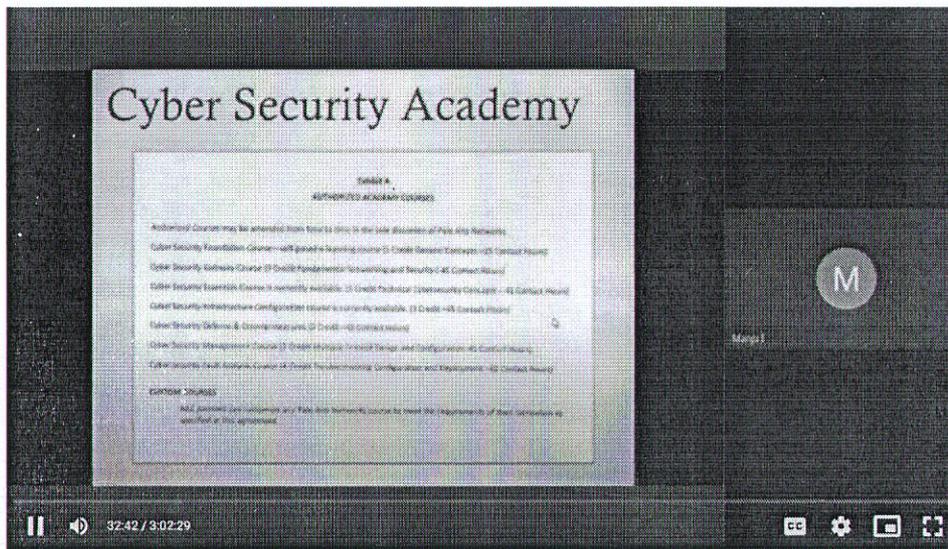

Dr. E.Dhiravidachelvi, HoD / ECE highlighted the rules and regulations of the college. She also provided the details of the Internal Test pattern followed in the college.

Dr. I.Manju, Head/ Center of Excellence elaborated about the Center of excellence functioning in the college. Also she explained about the courses and the training programs available in these centers. She also insisted that students should involve in completing the courses and get an exposure on various technologies available in the markets.

Dr.Senthilkumar, Head administration addressed the students about how important discipline is for students. He made the students understand that character is the token to be successful in one's career. He also emphasised to know about the professional societies and how its create opportunities with industry for the students. He also highlighted that students can know and update themselves about what is happening industry along with their academics.

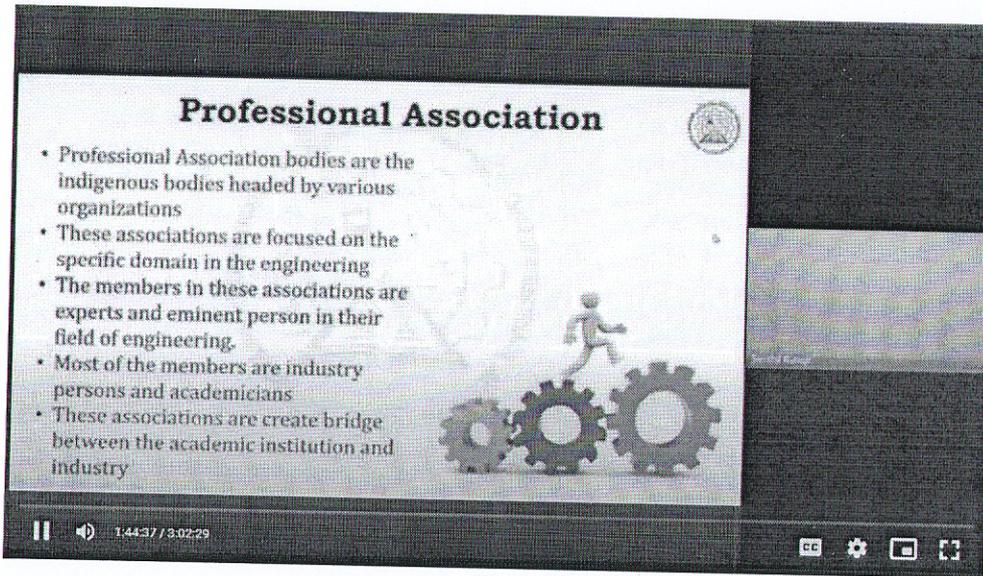

PRINCIPAL

34, Rajiv Gandhi Road (OMR), Siruseri, IT Park
Chennai-603 103.

Dr. Janarthanan, Head Research and Development addressed the students on patents, Copyrights and trademark. He told that Institute Innovation cell was established in the college in 2018-2019 as per the direction of ministry of Education the Engineering students are provided opportunities through various competition namely Smart India Hackathon, International Hackathon, Yukthi, and Ideathon Competition. The motive of the central ministries, State ministries and Private Industrial Organisation is to make students complete for various problem statements provided in these competitions. The participants need to provide technical solutions for the given problem statement.
