ENVIRONMENT POLICY

MSAJCE will conserve natural resources by managing water resources using renewable sources of energy, energy management, minimizing solid waste and provide eco-friendly environment for students and staff.

To enable this, the Institute will implement the following practices :

- Implement sustainable resource management practices, based on reduce, reuse & recycle principles
- Make efficient and environmentally responsible use of water, including identifying opportunities for water conservation
- Reduce and, where practicable, prevent pollution
- Provide appropriate environmental educational programmes for students and staff
- Encourage and facilitate feedback and suggestions on ensuring good practice
