Grievance Redressal / Disciplinary / Vikasha / POSH Cell / Sexual Harassment Complaint Cell

As per guidelines of Anna University Grievance Redressal / Disciplinary / Vikasha / POSH Cell / Sexual Harassment Complaint Cell has been established by Mohamed Sathak A J College of Engineering. In order to create and maintain a community in which teaching, non-teaching staff and **Students** can work together in an environment free of sexual violence, harassment, exploitation, and intimidation, MSAJCE has proactively established the Grievance Redressal / Disciplinary / Vikasha / POSH Cell / Sexual Harassment Complaint Cell. This cell meets the obligation as mandated by The Supreme Court of India, in its landmark judgment in August 1997 viz., Vishaka & others vs. the State of Rajasthan & others which stated that every instance of sexual harassment is a violation of "Fundamental Rights" under Articles 14, 15, and 21 of the Constitution of India, and amounts to a violation of the "Right to Freedom" under Article 19 (1)(g).

The function of the cell is to look into the complaints lodged by any **student** and staff, and judge its merit. The Grievance cell is also empowered to address genuine problems and complaints of students and staffs whatever be the nature of the problem. Anyone with a genuine grievance may approach the department members in person, or in consultation with the Students Councilor. In case the person is unwilling to appear in self, grievances may be dropped in writing at the letterbox/suggestion box of the Grievance Cell at reception table.

Objective:

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute. A Grievance Cell should be constituted for the Redressal of the problems reported by the staffs and Students of the College with the following objectives:

- Maintain the dignity of the College by ensuring strife free atmosphere in the College through promoting cordial Student-Student relationship and Student-Staff relationship etc.
- Encouraging the Students to express their grievances / problems freely and open minded, without any fear of being victimized.
- Suggestion / complaint Box is installed in the reception table in which the Students / staffs , who want to remain anonymous, put in writing their grievances and their suggestions for improving the Academics / Administration in the College.
- Advising all staffs and students to be affectionate with each other and not behave in a vindictive manner towards any of them for any reason.
