Report of Seminar on Alternate Sources of Electrical Energy

The seminar started with 85 participants from different domain at 11.00 am with welcome address and introduction to chief guest by Mrs. B.Kalaiselvi, AP/EEE (MSAJCE).

Resource person: Dr.S.Ravindran , Retired Professor, Hindusthan University.

The session was handled by the guest speaker Dr.S.Ravindran , Retired Professor, Hindusthan University. The speaker elaborated in detail about Renewable Energy Resources, he explained each and every renewable resources clearly, how the world is moving towards with this available resources.

Dr.S.Ravindran discussed the following ideas on his lecture:

Smart grid technology is the key for an efficient use of distributed energy resources. Noting the climate change becomes an important issue the whole world is currently facing, the ever increasing price of petroleum products and the reduction in cost of renewable energy power systems, opportunities for renewable energy systems to address electricity generation seems to be increasing. At the end of the discussion time with the participants, she answered all the questions patiently up to the participant's satisfaction.

Report of Seminar on Recent Trends in Automation

The seminar started with 85 participants from EEE department on 02.08.2016 at 10.30 am with welcome address and introduction to chief guest by Mr.Madhavan, AP/EEE.

Resource person: Mr.T.Arun Jebabooshan ,Sr.Core Research Group Engineer, Sree Technologies, Chennai.

The speaker Mr.T.Arun Jebabooshan , Sr.Core Research Group Engineer, Sree Technologies, Chennai discussed about Robotics with design and application of robots and the use of computer for their manipulation and processing. He also elaborated about basic idea of kinematics forward kinematics, DH parameters SCARA manipulator, inverse kinematics. Then he discussed about jacobians matrix & its application in control of manipulator. At the end he explained about its work on designing of three finger hand exoskeleton, its development & controlling. At the end of the discussion time with the participants, he answered all the questions patiently up to the participant's satisfaction.
