Write-up on Event	<p>The three days' entrepreneurship awareness camp was organized to explore the world of entrepreneurship as potential career opportunities for students. The workshop started with students from all departments on 11.02.2019 at 10.00 am with welcome address and introduction of chief guest by Dr.S.Sivasubramaniam, Principal/MSAJEC.</p> <p>The Chief Guest Mr K.Sivarama Prasad, in his address, he explained the change in approach of entrepreneurship from olden days. to new generation and the influence of technology within it. Young entrepreneur should use the technology as a tool for the development of their firm. While addressing the students as entrepreneurs he asked the students to identify the new ideas and to perform SWOT analysis for the same. If students are willing to become an entrepreneur, there will be lot of encouragements from Central and State Government through various schemes. Even few non-government agencies through angel funding use to support the young entrepreneur for their startups. India being a largest workforce for the world should utilize the manpower to support the economic growth of the nation. Highlighting the role of EDC, he pointed that 'Entrepreneurs cannot be found but only be invented'. Mr. Prasad also mentioned that 'the Institute has to Innovate, Invest in Innovation and Introduce the Invention to market'. Education should not be limited to finding a job but it must dwell to shape better citizens who are self- reliant he said. He also mentioned about the growth of entrepreneurs from the Institute and noted that in the second decade of inception, the institute aims at developing more Entrepreneurs along with Research & Development activities. Third day final session and vote of thanks was proposed by Mr B Rizha Ur Rahman, AP/Civil</p>
