PREAMBLE

Whereas, Mohamed Sathak A.J college of Engineering, Egattur, Chennai 603103 (MSAJCE) at its various engineering and sciences departments is charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial & applied research and consultancy.

Whereas, Vi Micro System Pvt Ltd-Chennai is engaged in manufacturing of Microprocessor Trainers and Interface Boards. With the efforts from Research and Development Team, the company has expanded its activities in various areas as follows. Microcontroller, Process Control Instrumentation, Digital Signal Processing, Power Electronics & Drives, Data Acquisition Systems, Personal Computer Trainer Systems, VLSI & Embedded Systems etc. research, design and development and consultancy in the related fields.

WHEREAS, both MSAJCE and Vi Micro System, now

- Recognizing the importance of research and development in the areas PCB, Microprocessor and Microcontroller, Instrumentation and PLC and communication as well as imparting industrial training to the engineering/technology/sciences students, etc.
- Appreciating the need for creation of large reservoir of highly qualified manpower in all fields related to PCB, Microprocessor and Microcontroller, instrumentation and PLC and communication
- Desiring to club their efforts by pooling their expertise and resources,

INTEND to form a nucleus for promoting excellent quality manpower in the fields of engineering, technology and sciences with special emphasis on Microprocessor and Microcontroller, Instrumentation PLC and communication and related fields etc.

Now, therefore, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both MSAJCE and Vi Micro System hereby acknowledge, MSAJCE and Vi Micro System hereby agree to sign a memorandum of understanding (MOU).

ARTICLE-I: SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between MSAJCE and Vi MICRO SYSTEM for enhancing, within the country, the availability of highly qualified manpower in the areas without any prejudice to prevailing rules and regulations in MSAJCE and Vi MICRO SYSTEM without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to MSAJCE and Vi MICRO SYSTEM. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both MSAJCE and Vi MICRO SYSTEM shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of joint conferences and seminars;
- c) Practical training of MSAJCE students at Vi MICRO SYSTEM;
- d) Vi MICRO SYSTEM may depute its personnel as visiting faculty at MSAJCE to teach any of the regular Course or specialized topics.
- e) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- f) Vi MICRO SYSTEM may showcase its business activities at the seminar/workshop/conference/FDP, etc. at MSAJCE.
- g) Joint guidance of student projects/thesis in interested area and other areas of national interest at MSAJCE by Vi MICRO SYSTEM on mutually agreeable terms.
- h) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative programme between MSAJCE and Vi MICRO SYSTEM shall be coordinated by a coordination committee appointed by Director of Vi Microsystem and Principal of MSAJCE.
- b) Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-IV: EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MOU shall be for a period of 5 years from the effective date.
- c) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.

d) Any clause or article of the MOU may be modified or amended by mutual agreement of Vi MICRO SYSTEM and MSAJCE.

ARTICLE-V: CONFIDENTIALITY

During the tenure of the MOU both MSAJCE and Vi MICRO SYSTEM will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MOU for any purpose other than in accordance with this MOU.

Both MSAJCE and Vi MICRO SYSTEM shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or PROJECTS.

Further both MSAJCE and Vi MICRO SYSTEM shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

ARTICLE-VI: MISCELLANEOUS

- a) The headings and sub-headings are inserted for convenience only and shall not affect the construction of this Agreement.
- b) Both MSAJCE and Vi MICRO SYSTEM shall not, during the term of this Agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party without the prior consent in writing of that other party.
- c) No failure to exercise and no delay in exercising, on the part of a Party, and right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise there of or the exercise of any other right, remedy, power or privilege. The rights, remedies, power and privileges herein provided are cumulative and not exclusive of any right, remedies, powers and privileges provided by law.
- d) After this Agreement has been signed, all preceding understandings/negotiations and correspondence pertaining to it shall become null and void.

About US

NIIT, established in 1981 with a mission to bring people and computers together successfully, is the largest IT training provider in Asia, having trained over 3 million students with over 3800 centers across 44 countries. NIIT has trained one out of every three software professionals in the country and become a beacon in the global IT revolution. From introducing computers to the people of India, to providing advanced IT skills to students and professionals, NIIT has evolved into a training powerhouse. While our special-priced, IT programs have enabled ordinary citizens to achieve computer and Internet literacy, our career education has shaped the lives of millions of individuals.

NIIT's vast education delivery network spread over 30 countries in the Americas, Europe, Asia, Middle East, Africa and Australia/Oceania, blends classroom and on-line learning. The company provides a comprehensive education environment to individuals and enterprises, offers training that is customized to the varied needs of audiences with diverse backgrounds.

Asia's IT education leader, which features among IDC's listing of Top 20 Global IT training Companies, NIIT has played a pioneering role in taking computer learning to the masses. We train over 500,000 learners each year, with an alumni base exceeding three million people. We use IT learning to change lives. NIIT also forms a part of the coveted "Superbrands" listing from India created by the Super brands Council.

Our Proposal:

Offer NIIT's latest cutting edge technology program to the students in your institutions, leading to exiting careers in the IT Industry.

Benefits to your Institution

- Triple Qualification (IT) offerings to College students- Engineering Degree from your College, Professional qualification Technology training by NIIT & International Certification from Leading Technology Vendors.
- Increased placement record.
- Latest Technology offerings.
- Maximize existing infrastructure utilization.
- Increased visibility/brand through;
 - o Cutting edge Technology offerings.
 - o Campus interviews by visiting tech Companies.

NIITC & Mohammed Sathak A.J. College of Engineering

For MOHAMMED SATHAK A.J. COLLEGE ENGG.

Chairman/Secretary

Benefits to students

- A unique opportunity to pursue IT education program from a premier IT training institute along with College studies with in the college premises.
- enhancing professional skills to compete in today's competitive global marketplace.
- A wide range of core technologies that will help them score better in their college IT Curriculum
- an opportunity to pursue IT as a dual qualification by non IT engineering students
- Advantage of Special/Subsidized fee at Campus.
- plugging the gap to integrate learning with practical solutions
- Share practical experience from industry

Roles and Responsibilities

NIIT responsibilities:

Provide Brand name, good will & recognition.

Design curriculum as per the training needs of the students. Systems and processes for quality education delivery.

Technical support & Workshops through regular visits to college. Appoint and train faculty members to conduct NIIT programs. Design, conduct and evaluate examinations to grade students.

Provide transcript and/or certificates as per NIIT's academic curricula and rule

Institution responsibilities:

- Provide space, hardware/software, furniture and fixture, electricity required for conducting NIIT program.
- Promote the program effectively within the college for image and brand building to ensure regular student admission.
- Ensure minimum students join the program periodically.

Some offerings which makes our association strong

1. Associate your brand with No.1 Brand in Asia Pacific, „Superbrand“ (A listing from India Created by the Super brands Council).
2. NIIT would design curriculum as per the training needs and appoint trained faculty members to conduct NIIT programs. (Refer: Top5Technologywise opening matrix)
4. NIIT would organize Technical Workshops on new Technologies of different vendors for students from time to time.

NIITC & Mohammed Sathak A.J. College of Engineering

For MOHAMMED SATHAK A.J. COLLEGE ENGG,

Chairman/Secretary

5. Bring Industry relevant projects to the College
6. NIIT would provide International Certifications from Major Technical Vendors at a discounted price
7. Provide transcript and/or certificates as per NIIT's academic curricula

- The program will be executed based on fixed milestones for each session, with session end objectives
- There will be module tests(online tests) conducted on completion of distinct modules in each of the programs
- For CCNA students, since our training model is approved by Cisco and it completely follows remote infrastructure management (RIM), instead of setting up the infrastructure to save expense to the college, the students will be accommodated in our center for that particular period
- If the necessary infrastructure for conducting exams is not available the students will be allowed to take exams in our center itself

Reviews

A joint Program Committee (A nominated staff member from College & NIIT) maybe constituted to monitor the progress of the Program implementation.

Other Value Added Services

- Technology programs to be taught using official NIITC Courseware.
- Participation of Students in New Technologies Seminar & workshops arranged by NIIT from time to time.
- Candidates undergoing the above said training program can write international certification exams related to Vendors like oracle at special prices available to NIITC students. Candidates can also avail the special Mobile testing facility to write exams within college premises.
