Dear Sir
Greetings from Mohamed Sathak A J College of Engineering

In continuance to my previous mail. We request you to let us know the convenient date for an online discussion depending on the availability of the team leaders and details. to move ahead with the development of prototypes for the various projects.

Due to the covid situation the faculty and students are not available on campus, but will be available for discussion in online mode.

Pls let us know.

Dear Sir

Greetings from Mohamed Sathak A J College of Engineering

The following is the update on the projects

1	Training Module development for new joiners in all departments	As per the preference given by site team leader Mr Sasikumar in mail dated Mar 18 we are in the process of preparing the module. It will positively be ready by this weekend.
2	Jar cleaning automation	Contact with Team lead Mr.Naresh established. We request you for an onsite meeting to discuss and finalize the model of mixer & other specifications to develop the prototype.
3	Andon System along with TPM concept for model line	Contact with Team lead Mr. Manigandan established. We request you for an onsite meeting to discuss and finalize the modules of the mixer line for which the prototype has to be developed.
4	Application development for standard work monitoring	Contact with Team lead Mr.Appasamy established. We request you for an onsite meeting to discuss the details.

We request you to let us know the convenient date for an on-site discussion depending on the availability of the team leaders and details , to move ahead with the development of prototypes for the various projects

Regards,

Dr. I.Manju
