**4. Feedback on Infrastructure:**

**Feedback on facilities**

1. **Infrastructure** - Class rooms / Laboratories / Internet facilities - The Class committee meetings are held 3 times a semester, students provide feedback on any issues related to classrooms, laboratory equipment, maintenance, transport etc. which is passed on to the authorities concerned and rectified.
2. **Library**- Library committee meetings are held once in a semester where faculty and students provide feedback on the adequacy of titles and volumes of books and e-learning facilities. Appropriate corrective actions are taken to rectify deficiencies whenever pointed out.
3. **Housekeeping**- Students and faculty provide feedback on various aspects of housekeeping at class committee meetings and other occasions like department meetings, HOD meetings which are passed on to the maintenance department and problems are sorted out.
4. **Transport**- Any issues related to adequacy and punctuality of buses that are brought forth by students / faculties are passed on to the transport department and corrections are made.
5. **Hostel**- Hostel committee meetings are held at department level where hostellers raise problems, if any, related to hostels. Also HODs, teaching and non-teaching staff visit hostels on a daily basis and provide feedback on the food and other maintenance related issues, if any. They are brought to the notice of the wardens and maintenance department and rectified immediately. Anti-ragging squads consisting of teaching staff visit all hostels every evening and interact with students to acquaint themselves of any issue. If any complaints are received, they are immediately addressed.
6. **Others**- Any issues related to Canteen, ATM facilities, medical facilities etc. when reported to faculty or Principal, are solved immediately. In addition, feedback is collected from Alumni during Alumni meet and annual general body meetings on all the above areas. Feedback analysis is done and corrective actions are taken
