CRITERION: 7.1.7 -The Institution has Disabled-Friendly, Barrier Free Environment

S.NO	Description
1	Ramps/Lift/Wheel Chair
2	Disabled –Friendly Washroom
3	Signage – Light, Path, Display Board
4	Facilities for Persons with Disabilities
5	Soft copy of Reading Material, Screen Reading

1. Lift, Ramp & Wheel Chair

Lift:

For our Institution in Main Building we are having 800 kg capacity lift. The elevator facilitates easy and quick movement to different floors of the college. The facility may be availed by both staff members as well as differently-abled students. A lift operator is present during college working hours to enable safe movement of people up and down the floors.

Ramp:

The college has a special facility of ramp and rails with wheel chair for the differently abled persons. The entrance and exit in the annex is easily accessible as there is a ramp. In the annex building ramps and rails are arranged and it is beneficial to wheelchair users. Staff members and security personnel also help them.

Wheel Chair:

In our Institution we are having Wheel chair facility at the Main building entrance. This can be used by the disabled persons to access laboratories, class rooms, library, prayer hall and rest room. Also differently abled visitors are permitted to use this facility. Every time such people are attended with care and compassion.

MOHAMED SATHAK
A J COLLEGE OF ENGINEERING
Siruseri IT Park, OMR, Chennai - 603103

Vision
- To be an eminent institute for higher education and research through innovative teaching-learning and sustainable practices to meet the industrial and societal needs.

Mission
- To impart quality technical education by transforming students into professionally competent technocrats.
- To nurture the students in all-round sustainable development, for career and self employability.
- To inculcate critical thinking, professional ethics with civic responsibilities by instilling values.

Quality Policy
- MSAJCE committed to create quality professionals through innovative teaching, research, Industrial relations, and nurturing human values & ethics to meet the industrial and societal needs on continual improvement basis.

A J COLLEGE OF ENGINEERING
Siruseri IT Park, OMR, Chennai - 603103

Environment Policy
MSAJCE will conserve natural resources by managing water resources using renewable sources of energy, energy management, minimizing solid waste and provide eco-friendly environment for students and staff.

To enable this, the Institute will implement the following practices :
- Implement sustainable resource management practices, based on reduce, reuse & recycle principles
- Make efficient and environmentally responsible use of water, including identifying opportunities for water conservation
- Reduce and, where practicable, prevent pollution
- Provide appropriate environmental educational programmes for students and staff
- Encourage and facilitate feedback and suggestions on ensuring good practice

NVDA (Nonvascular Desktop Access) screen reader software

NVDA (Nonvascular Desktop Access) is a free "screen reader" which enables blind and vision impaired people to use computers. It reads the text on the screen in a computerized voice. You can control what is read to you by moving the cursor to the relevant area of text with a mouse or the arrows on your keyboard. NVDA can also convert the text into Braille if the computer user owns a device called a "Braille display". NVDA provides the key to education and employment for many blind people. It also provides access to all kinds of services available like social networking, online shopping, banking and news extra. NVDA works with Microsoft Windows which has been availed by our college and greatly helps in enhancing comprehension skill. Mohamed Sathak A J College of Engineering being one of the premier institutions in Chennai region always strives for the overall development of every individual student. The college follows NVDA Software, where in Braille Software can be practiced. This is solely for blind students admitted in our college.
